

CURRICULUM VITAE

1. PERSONAL INFORMATION

- **Full Name**

First name : Salehe
Middle name : Mnyamisi
Surname : Salehe
Sex : Male
Marital status : Single
Date of birth : 31/10/1994

- **Contact Information**

Mobile phone : 0654224037
E-mail Address : sirleh105@gmail.com

- **Location**

Nationality : Tanzanian
Place of domicile : Dar es Salaam

2. PROFESSIONAL SUMMARY

Motivated Civil Engineering graduate with more than three years of hands-on experience as a Civil Technician, specializing in site inspections, drafting, and assisting with structural designs. Proficient in AutoCAD, surveying and quality control with a strong foundation in supporting project execution from planning to completion. Eager to apply my technical skills and field experience to a junior Civil Engineer role, contributing to innovative and sustainable infrastructure projects.

3. KEY SKILLS

- **AutoCAD and ArchiCAD:** Proficiency in computer aided design software for drafting and modeling.
- **Construction Management:** Overseeing construction activities, ensuring safety and managing site personnel.
- **Material Science:** Knowledge of construction materials like concrete, steel including their properties.
- **Problem Solving:** Identifying and resolving construction and operational challenges.
- **Technical Report Writing:** Ability to create clear and detailed project reports.

4. ACADEMIC QUALIFICATION

- **Bachelor Of Engineering in Civil, DAR ES SALAAM INSTITUTE OF TECHNOLOGY, Dar Es Salaam (2024).**
 - **Final Project:** Structural Design of Hospital Building (Case study: Mbezi Louis).
 - **Award:** Bachelor in Civil Engineering.
- **Diploma in Civil Engineering, ST JOSEPH UNIVERSITY IN TANZANIA, Dar es Salaam (2017).**
 - **Final Project:** Design of private car parking (Case study: Kimara Mwisho)
 - **Award:** Diploma in Civil Engineering.
- **Secondary Education, AZANIA SECONDARY SCHOOL, Dar es Salaam (2011)**
 - **Award:** Certificate of Secondary Education Examination (CSEE)
- **Primary Education, MTENDENI PRIMARY SCHOOL, Dar es Salaam (2007)**
 - **Award:** Certificate of Primary Education Examination.

5. WORK EXPERIENCE

- **Civil Engineer, MOPRO COMPANY LIMITED, Wazo Hill (Twiga Cement) – Dar es Salaam (September 2023 – August 2024).**
 - **Nature of the Projects:** Building Construction
 - **Responsibilities:** Project design and planning, overseeing project execution including managing budgets, timelines and resources, implementing quality control measures and conducting inspections. Identifying and addressing technical challenges arise during the design, planning and construction phases, Preparing and maintaining detailed documentation, reports and project records including progress reports.
 - **Achievements:** Implemented a comprehensive safety management system on a major infrastructure project (Tanzania Breweries Limited – Moshi Malt Plant), which led to a large percent reduction in on-site accidents and safety violations. Leveraged advanced safety protocols and regular training sessions to enhance site safety, while utilizing in-depth knowledge of industry standards and regulations to ensure compliance and promote a culture of safety.

- **Civil Engineer (Trainee), NATIONAL HOUSE CORPORATION, Mlimani (UDSM) - Dar es Salaam** (August 2022 – October 2022).
 - **Nature of the Projects:** Building Construction
 - **Responsibilities:** Assisting in design and planning stages of project including drafting and reviewing plans, site inspections, surveying and data collection
 - **Achievements:** Enhanced my understanding particularly in design and planning issues, through practical experience on site.

- **Civil Engineer (Trainee), UBUNGO MUNICIPAL COUNCIL, Magufuli Bus Terminal - Dar es Salaam** (August 2021 – October 2021).
 - **Nature of the Projects:** Civil Works
 - **Responsibilities:** Assisting in the inspection and testing construction materials and workmanship to ensure they meet specifications and standards and also assisting in identifying and solving engineering problems on-site.
 - **Achievements:** Gained hands-on experience and learning about different aspects of civil engineering including project management and technical skills.

- **Civil Technician, KURINGE REAL ESTATE COMPANY LIMITED, Dar es Salaam** (November 2019 –December 2020).
 - **Nature of the Projects:** Maintenance and Building Construction.
 - **Responsibilities:** Conduct site surveys, Estimations of materials and costs, Supervision and inspection of construction (maintenance works), Report writing of the works performed with materials used, Overseeing the cleanliness of buildings.
 - **Achievements:** Gained skills in various construction techniques, particularly in maintenance and renovation works.

- **Civil Technician, JAMBOCON ENGINEERING GROUP, Bagamoyo - Pwani Region** (November 2018 – May 2019).
 - **Nature of the Project:** Road Construction
 - **Responsibilities:** Performing surveying works (Establishment of control points, taking levels of Centre line and cross section), setting out, Supervision for both casted concrete culverts and site construction works.

- **Achievements:** Implemented cost effective construction techniques, developed an efficient traffic management plan that minimized disruptions during construction, maintaining smooth traffic floor.

- **Civil Technician, TENDAR INTERNATIONAL COMPANY LIMITED, Mount Meru Hospital – Arusha (August 2017 – October 2018).**
 - **Nature of the Project:** Building Construction.
 - **Responsibilities:** Led the site supervision by performing several tasks such as site surveys and measurements, assisting in drafting and design, quality control and inspections, monitoring site progress, documenting works, coordination with teams to ensure smooth operations.
 - **Achievements:** Reduced company costs by delivering quality work within the scheduled time.

- **Civil Technician (Trainee), SKOL BUILDING CONTRACTORS LIMITED, Mombasa - Dar es Salaam (December 2016 – February 2017).**
 - **Nature of the project:** Road Construction.
 - **Responsibilities:** Quality control and inspections, Gathering and analyzing data related to soil, materials and site condition.
 - **Achievements:** The project was completed on time due to my contribution, as I ensured that the tasks assigned to me were finished promptly.

- **Civil Technician (Trainee), CHINA HUNAN CONSTRUCTION ENGINEERING GROUP EAST AFRICA LIMITED, Chanika - Dar es Salaam (Jan 2016 – Mar 2016).**
 - **Nature of the Project:** Building Construction.
 - **Responsibilities:** Conducting site surveys, setting out, assisting in drafting and preparing drawings using CAD software, checking materials and workmanship to ensure compliance with specification and standards.
 - **Achievements:** Successfully supervised the construction of a hospital building, ensuring compliance with safety standards, quality control and project timelines, which resulted in the completion of the project on time.

6. TRAINING

- **Health and Safety Representative Training:** Attended training on safety and health representative (SHRep), focusing on workplace safety.

7. LANGUAGES SPEAKING

- English
- Swahili

8. TECHNICAL SKILLS

- Surveying and levelling
- AutoCAD and drafting
- Material Testing
- Reading blueprints and plans
- Site supervision and inspection
- Construction layout
- Quality control
- Report Writing

9. INTERESTS

- Learning new design software
- Sustainable engineering
- Structural design and analysis
- Innovative construction techniques
- Site supervision and management
- Continual learning and professional development

10. CAREER OBJECTIVE

- To work under minimum supervision.
- To ensure safety and comply with applicable regulatory objectives.
- To produce high quality works with attention to details.
- To learn new environment/technique/technology fast:
- Hard working and risk taker.

11. REFEREE

- **MNYAMISI SALEHE**
TEACHER – MNAZI MMOJA SECONDARY SCHOOL
Mobile phone: 0655 534685
Email: mnyamisisalehe@gmail.com
- **WILLIAM MWANDRY**
CIVIL ENGINEER – PERNTELS COMPANY LIMITED
Mobile phone; 0712 083 712
Email: williamwandry@gmail.com
- **MARIAMU MSINDO**
ENTREPRENEUR
