

DARK DAYs 17/03/20.....

Na mwandishi wetu YOGA.

N.b hii ni stori ya kusadikika haina ukweli wowote.

PART I

Kabla ya Uchaguzi boss alitaka amuweke mrithi wake kwenye kampuni yake, mrithi anayemtaka yeye. Ila kutokana na upinzani mkubwa ndani ya kampuni maamuzi magumu ilibidi yafanyike Baada ya Uchaguzi kuna mtu alipata uongozi accidentally. Hakuwa chaguo la boss, alipewa sababu ya kuua kambi!

Big boss anayemaliza muda alifanya maamuzi hayo akiamini ataweza kum-control kwakuwa file lake analo na anamjua na amempa ili kunusuru mkatiko mkali kwenye kampuni.

Alijua ataleta umoja ndani ya kampuni. Mambo yalibadilika baada ya new boss kupewa kijiti na kukabidhiwa ofisi!

Alichofanya ni kutengeneza timu yake na kuondoa timu yote ya mtoa kijiti! Akaenda mbele zaidi kupitia files na kuanza kutindua maslahi ya mtoa kijiti kwenye kampuni!

Mbaya zaidi, akamfukuza mwenye kijiti, au the old boss kwenye kampuni anayoamini ni ya kwake na bila yeye haiendi!

The New Boss alipewa notification na maelekezo kuhusu mambo kadhaa mara kadhaa, ila aliskika akijibu, yeye ndio mwenye kijiti na hakuna wa kumpangia! Hataki maelekezo na kwanza haelekezeki!

Alijibu hivyo hadharani bila woga wala hofu! Kwakuwa alimjua adui ni nani! Alianza mpaka kutangaza kuwa kampuni ile sasa ni yake na chini yake inafanya makubwa sana, na wale wa zamani walikuwa wanaifilisi!

Haikuwa habari njema saaaana kwa mwenye kijiti kabla ya uchaguzi na backup system yake! Discussion zilifanywa mara kadhaaa kumjadili new big boss in town kumbe the new boss alikuwa anawarecord all the time!

Alichokifanya ni kuvujisha badhi ya convos za washirika wa adui mkuu kum -notify ironically kuwa anajua wanachomjadili na anajua hawampendi! Na amejipanga au ameji-sacrifise yupo tayari kwa lolote!

Shida ikaanza, after a discover kuwa deal za the old big boss zinazimwa na zinachukuliwa kwa nguvu na stakeholders wapya chini ya maelekezo ya the new big boss na stakeholders wa zamani wanatupwa nje ya ukuta!

Ikatisha zaidi baada ya boss mpya kutaka kuwa CEO wa milele! Na akapanga watu wa kuhakikisha hilo linakamilika!

The old boss akakaa chini, akafikiria akaona kama huyu 4 years tu kanifanya hivi je 20 years to come?

Muda ukaenda, the old boss played dead! But came up with a plan, involving the closest friend and the system in the company kama tunavyojua, the old the wine..... the fine it becomes!

The new Big boss kajichanganya during campaigns za kuusaka u-CEO tena, akapigwa tukio, after Uchaguzi wa pili wa kampuni only three months akatema ndoano!

Msaidizi wake akaitwa chemba, maelekezo akapewa achukue kijiti, afanye reform mambo kwabu yanapaswa kurudi kama zamani!

Msaidizi kuangalia hali ilivyo, akaanza kurudisha the old structure kwenye kampuni! The only difference ni yeye ndio CEO but behind the scene there is another CEO!!

Let see will the new boss stick to the plan? or...

PART II

60 days before the dark days

(Flash back)

Someone called the boss na kumwambia you are in danger, some people are planning to take you out! Hawako na furaha ya hiki unacho fanya! Boss kama kawaida yake kujiamini sana, anadai yeye anaprotection ya kutosha, and if, alisalimika last time akiwa kama cashier wa kampuni ni urongo na upuuzi akiwa the CEO kuwa terminated!!

The boss anaamua kuongeza udukuzi kwa adui zake, lengo awaumbue kumbe they knew and walimpa alichotaka asikie but behind the corridor unyeti wa mambo unaendelea

Kosa kubwa ni kumundermine the old boss A.K.A the king maker!! So the old boss alijua kuna the old CEO kabla yake ambaye ndie alimtengeneza huyu CEO wa sasa. Hata wakati wa mapendekezo tha CEO aliinsisit huyu CEO apewe nafasi kuinusuru kampuni!! Na inavyo onekana huyu ndie behind the scene director wa the existing CEO

They called a meeting, involving one of his closest top security friend from the company! And then come up with targets chart board! Ile bord ilikua ikimuonesha the new boss na subordinates wake woote wanaompa kiburi

Wakati huo, big boss na yeye akiwa hajui akaona am cut off totaly old boss in the company, aka select new secretary akamuondoa the old one, then na new public relation officer, wote wakiaminika hawakuwahi kuwa ndani ya kampuni!! Maswali kwa wafanyakazi wa chini walio dhani wana opportunity ya kuchukua hizo nafasi yakaanza but hofu iliyafanya yapoteee

The top security na vijana wake waka-identify targets wao na kupewa go ahead, but before anything kulikuwa na a very deep informer direct kutoka kwenye meza ya new boss!!

bwana weeee!!

Wakaanza na yule old CEO, pitanaye in a way no one noticed!

Big boss was shorked and hakuamini! He was told he died from a normal death! One thing he didnt know is that, inside the office kuna mtu alikuwa anatoa taarifa kwa the old boss, na huyu mtu ni mtu wake wa karibu sanaaa!

The new boss ameshahangaika kumjua huyu mtu but amefail several times. Huyu mtu ndio alitoa time table ya the old CEO anaye aminiwa na new CEO wapi watakutana so that the agent responsible for the assasination can do his job!!

Huyu mtu ndie anaetoa taarifa kwa the old CEO timetable nzima ya the big boss, anakula nini, amelala saa ngapi, anafanya nini, anawaza nini na maamuzi yake ni yepi, sababu mtu huyu alitokea kuaminiwa sana na the big boss in town

So how did they terminate mzee muibua kipaji cha CEO.....

Who is the deep informal.....

PART III

Deep informal alielewa his assignmen well! Alijua jinsi the big boss anapendwa kutukuzwa so he ensured that kumtukuza is done 100 %

So kulikuwa na meeting kati ya the new boss na the old old boss, hii meeting ilikuwa inahusu tender ya investor mmoja mgeni toka west africa kutumia moja ya plots za kampuni kuwekeza kwenye kampuni kama bond ya uwekezaji wake!

This man from west africa alikuja alone with his private jet na assistant wake mmoja tu kunegotiate the deal! Aliitaka hii plot since iko sehem mzuri na inapotentia kwa biashara yake ya saruji

Hii plot ili wahi kuchukuliwa na CEO wa 2010 - 2015 kutoka kwa CEO wa 2000 - 2005 tena in bard terms! So the meeting ilikuwa kwanza kurudisha ownership ya plot hiyo kwa the old CEO wa 2000 - 2005 then yeye ndio assign deal na tajiri from west africa kitu kilicho mkera sana the CEO of 2010 to 2015! Maana plot hiyo aliifanya kama yake!

So wakati meeting preparation zinaendelea our deep informal kumbuka yeye ndio planner wa event yote pale headqutors! Alichofanya katika zile protocal za kupokea wageni moja ya askari aliwekwa ndani specific kuhakikisha when The old CEO atakapo fika headquators basi anatimiza wajib wake

Huyu askari alikuwa na kitu inaitwa polonium 210, hii kitu huwa inatiwa kidogo tu kwenye chai, water or juice na always humuondoa mtu in between 25 to 30 days since amepewa! The guy anderstood the asignment!

The old CEO loved coffee, nahapo ndio nyudo ilipo pigiwa! So wakiwa wanamsubiri tajiri from west africa, agent anatimiza kazi yake. Mkutano baadae unakwenda vizuri, makubaliano yanakamilika na kinachobaki nikutia siganture tu!

Sasa bwana....., the old CEO katoka vizuri headquators six days after the meeting akaanza kutokujiskia vizuri akampigia simu kijana wake kumwambia toka ametoka hapo makao makuu he was not fine!! Kijana akaamua kumpeleka hospitali for full check up.

The doctor alifanya checkup was one of the secret agent kwenye cycle ya CEO wa 2010 - 2015 dawa za hapa na pale kuchengesha muda tuuuuuu, stage two hiyo ooo ikaingia things got sereous, after 16 days he was no more!

One man downone man down..... I repeat one man down..... !!!!!

New boss could not suspect anything since tukio limechezwa kwake na anapaamini 100% so he trusted doctors reports kumbe something big was on the way!!

Kwenye target board one mtoa kibri kwa our new CEO has gone! few to come!! These guys bana walikua sereous na jambo lao

New boss kwakuwa aliyemtoka ni mentour wake, na alisha kuwa CEO wa kampuni kama yeye, so alitaka mazishi makubwa, mazuri na ya heshima kumuenzi boss wake wazamani! So he called the his planner, kumbuka planner ndio deep informal!

After the successfullnes of the first mission now comes the second mission!!

Ukiskia kuuna ndege wawili au zaidi kwa jiwe moja ndio hii sasa!

Deep infomal akachora ramani zoote za remained target watako fika mazishini nyumbani kwa the late CEO. Ramani ikatua kwa the KING MAKER, vijana waka kaaa na kusuka the whole plan!

Targets kweli wakaenda ispokuwa mmoja tu. kilicho wakuta huko hao wengine no one noticed, baada ya kurudi, mmoja baada ya mwingine nikurudisha jezi kwa kipa

Now the new boss felt something un usual was goin on!! But it was tooooooooooo late!

Kashtuka he is alone, Unamjua aliye baki?

Nakuja.....

Something fishy.....was goin on,.....

kwa miaka kadhaaa the CEO alikuwa na team yake ndogo iliyokuwa ikimpromote kila kona ya kampuni. Hii timu ilipewa mamlaka makubwa sana japokuwa wengi ndani ya timu hii hawakuwa wafanyakazi wa kampuni!

Mmoja wa viongozi wa timu hii ndio alipiga simu wakati flani kumnotfy the CEO kuwa the old CEO wants him out of the office! Huyu Alikuwa loyal sana, sanaaaaaa!!

Alimpenda sana new CEO, aliaminiwa pia! Yeye ndie mratibu wa external life ya CEO. kazi yake kuu ni kumsema mazuri tu na kumpamba the CEO!

Alikuwa na vifursa fursa vya kupiga nakujipatia good life behind the scene in the name of CEO

So alikuwa wakwanza kutaka meeting na the CEO wadiscuss why their closest people are dying! Alikuwa na taarifa ficho aliyotaka personaly aito yeye!

Katika kuucheza mchezo kisasa the old CEO na team yake walitengeza mazingira yakama kumframe the deep informal. Why?! Sabbu they want confussion!! Ili the las task inayofuata isiwe ngumu saaaaana!!

Kwenye ujasusi unaetoa taarifa nawewe unatolewa taarifa! So these guy knew how to play the game!! They want confussion, misstrust kwenye team ya big boss!! They wanted him to intrapersonal conflict!.....

Walitaka pate woga!!!!

Chukuliwa kijana mmoja, well trained akamwita huyu kiongozi wa team B ya existing CEO akapewa info, kumhusu deep informal na vijana wengine walioaminiwa na CEO na kumgusia uhusiano wake na the old CEO akajifanya anampa kama speculations hivi yaani kama ana blow up the cover ya deep informal na vijana wengine pale in the head office!!

Tupicha picha twa mchongo na audio za vijana wakiwa kwenye convos wakimdis CEO (sio deep informal Lakini)

The boy (naushamba bila tafakuru) aka bite the poison with a rush akakimbia kutafuta a way ataonana na the big boss! Kumbe anatengeneza a very nice trap

So the CEO agreed to the meeting! Kijana akaenda pale, akampenyeza

taarifa, "boss your house is not safe, we need to clean this house! Kuna watu wako hapa ni loyal kwa the old CEO, unahitaji mapumziko toka hapa nenda nyumbani pumzika kwanza tu check who is who!" Akasema anataarifa kumhusu mtu wake wakaribu kuwa ni loyal kwa adui yake!

The CEO hofu ikamwingia, akashtuka sana na akakubali, akaamua kutoka kwenye nyumba ya kampuni akaenda kwake nje kidogo ya mji! Akiwa kule akampa assignment kijana wake yule ahakikishe kabla ajarudi town awe amethibitisha hilo

Alimpa mamlaka yakuunda team kwa kutumia all security agency zilizo ndani ya kampuni kufanya kila linalowezezana! Aliwataka watrace everything! Wajue what is goin on!! Aliomba mpaka external companies ziiingie kumsaidia kujua what was goin on!!

So the boss took a flight chap kwa haraka mpaka kwake, wakati anaondoka the old CEO got the news akatoa notification haraka kwa vijana wake huyu asirudi!!

The boss wakati anaondoka akasema majukumu yote ya ofisi yataendela akiwa huko huko kwake, but akakata ties na deep informal! The boss akawa hajui amuamini nani au amuache nani!! He was confused and alone

Sasaaaa, mr old CEO kanyanyua simu kwenda moja of companies mshindani wa his old company!! Siunajua ma CEO huwa wanawatu wao kwenye kampuni shindani!??

Wakmset mtu wao aombe kuonana na huyu CEO, kama vile wanataka kufanya joint share kukuza biashara kupu guza ushindani usio nafaida!! All resorces zikatumika in within 48 hrs bana

mwenyekiti wa kampuni husika alitamani sana one day awe powerfull like huyu CEO aliyeko madarakani kwenye hii kampuni ya mshindani wake!! Wakati huo huo huyu CEO hakupenda kupingwa wala ushindani kutoka kwa other companies, nayeye aliitaka hii kampuni ya huyu mwenyekiti ife iwe yake

So kupokea wito wa mwenyekiti kuomba kuja nyumbani kwake kuzungumza how wanaweza shirikiana in business matters it was an advantage katika kuimeza kampuni hii shindani iliyokuwa inakuwa kwa kasi na kuua competition ya kibiashara

Without hesitation he agreed on the meeting!! Kumbé he agreed on his death.....So he arranged the date of the meeting bila deep informal kujua! So for the first time the deep informal was out of the scene

What happened to the deep informal.....

So tarehe ikapangwa, mwenyekiti akapewa feed back, preparation zikaanza kufanyika kuelekea kwenye meeting husika!! This is huge!!

The old CEO was very happy kusia habari hii njema! Since he planned all this all the way along!! akawaachia kazi vijana wake wamalize mchezo!

Unamkumbuka kijana aliyepewa kazi yakumfanya mwenyekiti wa kampuni pinzani aombe meeting na the targeted CEO

Huyu ni assistant wa mwenyekiti, lakini kimuundo nikama anaushawishi mkubwa sana ndani ya kampuni husika!! In spite of him kuwa assistant anaambition ya kuwa owner pia wa kampuni hii!!

So he wanted to play the game well ili at the end of the day achukue uskani!! Huyu aliwahi kuwa kwenye kampuni flani ambayo ni very big company mshindani mkuu zaid wa existing company ya the targeted big boss CEO! Alifukuzwa Kwenye kampuni hiyo kwa kusnich taarifa za kampuni husika akiwa na lengo hilo hilo ambalo analitaka sasa! Kupindua uongozi

So the old CEO used him that time, na he was using him in the moment!!

Baada ya kutoa taarifa kwa the old CEO alipokea notification haraka kutoka kwa vijana wa the old CEO afike moja ya hotel kubwa ufukweni mwa bahari kwa maelekezo zaid!

One thing the old CEO was good at , ni kuplay the game all along without

being noticed!! You know why and how!! He is a well trained spy and a mafia kitambo sanaaaaaaaa!! And he has connections

So kwa kijana mtumiwa the Funny thing is, alijua yeye anashiriki kama mtoa taarifa kumbe jamani! He was the one setting the trap without knowing!!

Kijana akaenda kwenye meeting kama notification alivyomwelekeza! he met one of the guys from the other team, akamwambia kwenye hiyo meeting kuna hiz documents mpatie mwenyekiti wako hizo ndio akazipresent kwa the CEO!

Akaambiwa if these docent will be well received, na biashara kufanyika, we apromiising you a best possition in the company!!

Kijana aka smile akazipokea documents zile with exitemt. Ali dream of his position since at the moment ni mtu tu mwenye ushawishi in the company but hana maslahi ya kueleweka

Document zilikuwa zinaonyesha mapendekezo ya how wanaweza fanya joint hizo za kibiashara, kulikuwa na document za aina mbili, one ni bundle of summary ya the whole joint venture, na bundle la pili zilikuwa ni well detailed expalanations on how these two companies may unite and work together and have huge profit in the future!!

So kijana akapewa a little bit presentation ya kilichomo mule ili nayeye akatoe presentation kwa mwenyekiti, ingawa pia mwenyekiti alikuwa na prepared issues zake za kumwambia CEO

So he took the documents in bags, nakala mbili, one for them na nyingine ni refernece kwa CEO zikiwa seald!

Kijana aliondoka and He went and present the whole issue kwa mwenyekit! Ile presentation ilimgusa sana mwenyekiti nakumsifia sanaaaa kijana kwa good preparation and presentation!!

Funny thing hakujua muandaaji wa documents zile sio huyo kijana

Tarehe ikafika mwenyekiti na team yake waka chukua flight mpaka

nyumbani kwa the boss! Wakapitia protocol zoote na wakawa verified kuonana na the CEO maana ulinzi ulikuwa mkali balaaa!!

So ikafika chance these two wakakutana!! Wakaongea for almost four hours, mwenyekiti akamkabidhi nakala ya documents CEO zille seald akamsihi azisome!! Kama kuna sehemu hakuelewa kupitia document zile kuna a very good detailed expalnation ataelewa!!

The meeting was very succesfull!! Kila upande ulitoka na statement ya furaha!! The future was bright kumbe the future was dark!!

So mwenyekiti alibaki na nakala zake and CEO alibaki pia na nakala zake!! Wakati mwenyekiti anarudi, akaamua apitie document zile hasa zile zenye detailed explanation!! Boss akawa anajisomea taratibu.

kafika town vizuri tu!! Ila within two weeks!! Hali ikabadilika! He was Rushed to the hospital but in few days majonziiiiiii!

The news came back to the CEO, he was shoked mbaya sana!! Aksed him self how?? Mbona hii kama ile ya wanzo?? he felt vita imemfuata kwake!! Aliandaa statement ya kuguswa na ondoko la mwenyekiti but deep down akaona huu sasa ujinga huu!! He decided kutoka kwake na kurudi town ili aanzishe mashabulizi mwenyewe sasa

So akawasha gari zake from his home to town, njiani anajiandaa kwenda akapata wazo la kuchukua zile documents alizopewa na mwenyekiti azipitie ili akifika town kwa kujali uhusiano mwema awaite representatives wa kampuni hiyo awape pole na wafikie terms

He oppened the documents na kuzipitia pitia mdogo mdogo! But also decided to call kijana wake ampe updates on what is goin on!! Kijana akamsihi boss usije kwanza mambo sio mambo!!

Boss akasema nooo!! Am coming!! I will run the whole opration myself kama umeshindwa!!

Kafika mjini salama!! chakwanza akamuita deep informal!! Akamtuma

amuite the old CEO wazungumze!!

Baadae Akamwita kijana wake, akamwambia a trace the phone calls za huyu (deep informal) kwakuwa amempa maelekezo amuite old CEO akitaka amtume akamwakilishe kwenye summit flani ya all companies nje ya nchi!!

Alitaka kujua wataongea nini kwenye simu hizo!! So wakaprepere vijana kufanya ya fuatayo

Mosi :- kutrace movements za informal

Pili :- kurecord all convos!!

Kumbe time was not on their side!! These people were very smart and carefully!! waliweza kujua plan za team B mapema na kuchukua tahadhari!!

Two days zikakata without hard evidence, the old CEO akachenga kuwa anashida ya kifamilia but atafika soon!! One week ikawa imekata harakati zikiendelea,

Sasa bwana CEO chest pain zikaanza na ganzi flani hivi zisizo eleweka through his body especially upande wakushoto!! Akalalamika lalamika kwa mwandani wake wakashauriana!!

Akamuita daktari wake, (yule daktari aliye shughulika na kipenzi chake three months ago) The doctor after receiving a call from the CEO!! he knew picha limeanza!! So he notified the old CEO. The old CEO called his team!! And said "the first symptoms have begun, stage three should be initiated"

Bwana bwanaaaa!! Mpango wa smooth transfer of power ukaanza!! Since they all know what they have done so far and what is about to go down.....Deep Informal akapigiwa simu! "You need to get out of the company from today, find any activity ukafanye out of the company hakikisha haupo hapo kwenye kampuni kwa siku kadhaa until we tell you so!

The CEO is now sick!!

The deep informal is told to stay out!...

Kwanini??, Docta naye je

Best and sad part.....

Ugonjwa wa CEO ukaanza kuwa sereous, maumivu makali sana upande wa kushoto, kwenye kifua mbavu pamoja na ganzi mwilini!

Doctor akasuggest baadhi ya vipimo kwa CEO japokuwa muda mwingi alikuwa akimwambia huu ni uchovu tu, hali itakaa sawa na akawa anampa dawa za michongo!!

Kumbuka this man was higly trusted by the CEO, hakufikiria wala kuwaza kwamba he can betray him!!

CEO akaendelea kutumia dawa hizo za mchongo, ambazo in one way or another zilikuwa zikimpa outside physisical finess ila ndani ya mwili kuna lot of slow death activities zinaendelea

Wakati haya yanaendelea the old CEO alitumia muda huo kuwa na kikao na afisa usalma mkuu wa kampuni, mwanasheria mkuu wa kampuni na baadhi ya important board members kujua namna kampuni inapaswa kuendelea!!

The sick CEO baada ya kupata taarifa hiyo, alichukia sana, yuko kitandani he isnt okey then anaskia kuna meetings zinaendela kuhusu hatma yake!!

Akakumbuka since amerudi hakuwa na secretary!! Anaamua kumteua secretary mpya kuonyesha kuwa yeye bado ni CEO na ana run the company!!

The old CEO wakati huo akiwa na team yake wao walishaanza kueneza speculation kuwa the CEO is sick na hajiwezi!! Wali wa involve a lot of people na media kuneza habari hiyo!!

hii nayo ili msukuma the new CEO kutaka kuonekana public akifanya kazi!
So aliona akionekana akiwa na secretary ataweza kuwaprove watu wrong!!
Na ni mda sasa haonekani public

doctor new the secret!! CEO alifosi kutoka medical room baada ya kumaliza
drip yake ya tatu na akaja direct kwenye press kavalia suti yake akijitahidi
kujionesha mkakamavu!!kumbe Hakuwa sawa!! He was forcing aonekane
sawa!!

Kwenye press alisalimia tu then akampa nafasi secretary azungumze
baada ya hapo it was the last day for the man to be seen in public

After the press nikama tatizo lilizidi, alizungumza zungumza pale na some
company staff then he was rushed to the medical room, after one hour
akawa kama amepoteza fahamu! And was taken to a hospital

What happened??

Iko hivi.... One day baada ya kukubali kukutana na the late mwenyekiti, a
sereous meeting ilikuwa ikindelea in one of the base ya the old CEO!

Decitions were to be made on how the CEO will be terminated! And what
will happen after his termination!!

Hili suala lilikuwa zito sana! stage hii sasa iligusa a group of whom call
themselves "deep company obsevers" hawa ni ex - leaders of the company!
Their chair man ndio the old CEO

Ni group la watu ambao wanamaslahi makubwa sana kwenye kampuni!
Miradi mingi sana ya kampuni tenders ni zao!! Hakuna tender au uwekezaji
ndani ya kampuni ambao behind the scene wao hawahusiki!!

These people includes native and non none native! Some living in the
country and other outside the country!!

Alipojichanganya our new CEO ni kutaka kuvunja hii kitu na kutaka kurenw kila kitu alichokikuta!!

Muda mwingi Alicheza na public zaid ili apate sympath!! but kwa hawa elites mgogoro ulizidi kukua!! Na ulikuwa kutokana na tabia za CEO dhidi yao!! Ali block their opperations, take their money by force and threat them!! Aliwafanya atakavyo!! Baadhi walianza kumuogopa!

Hivyo after the meeting maamuzi yalifanywa kutumia powder inaitwa NSP, hii ni modified polonium 210! Hii inauwezo wa kucheza na mtu kwa more than 80 to 90 days since awe contacted with!!

Hii inamuondoa mtu taaaratibu!! Na ni very thin to be seen with naked eyes!! Ina sifa ya kushambulia moyo, mapafu na ubongo very slowly dependimg na health status ya mhusika until total death!!

Hii ndio iliwekwa kwenye zile seald documents, documents alizozisoma mwenyekiti akiwa wa kwanza akitoka kwa CEO na pia DOCUMENTS alizokuja kuzisoma our CEO Kama nakala kutoka kwa mwenyekiti

Taraatibu powder hii ilikuwa ikiwatafuna daily bila kufahamu!! Dalili zilijionyesha mapema hata kwa CEO but hakuchukulia serous sana

hali ya CEO ilibadilika sanaaaa baada ya press, hakuwa anajitambua! his condition was getting worse!!

Doctor akapenyeza info kwa the OLD CEO, kuwa huyu safari ndio imewadia, team ya old CEO ikapenyeza taarifa hiyo kwa mmoja wa viongozi wa kampuni nyingine shindani, kiongozi huyo akaenda kwenye social medias akapost tangazo la pole kufuatia kifo cha the new CEO. He did that for popurality na uhasama dhidi yake na the dying CEO

Booom!! Habari ikatua kwa jamii na wafanyakazi,

Watu wakataka msemaji wa kampuni atoe ufafanuzi! Athibitishe taarifa ile!!

Jamaa akatoka akasema the guy is fine and well!!! Na yuko ofisini anaendelea na kazi! Na akasikia akisema msipende kusikiliza speculations

After 15 hours of suffering, pain na near death experience, majira ya saa tisa za usiku, the CEO woke up!! Ilikuwa ghafla!! The doctor was called immedietly, then a litle check up on him was done, kisha his wife, son and doughter were also called to see their farher!!

He oppened his eyes, he looked tired, He tried to waved his left hand, it was kama anataka kusema nao neno but alikuwa hawezi!! His wife came close and hold his left hand, his son and doughter also came and stood behind their mother! They both in tears, watching their very sick father! then slowly He closed his eyes!

A moment of silence

the machine stoped bping!! Daktari na manesi haraka wakaingia, wakawatoa nje mama na watoto, walijaribu kufanya evrything they can but the CEO WAS NO MORE the suffering came to an end!

The doctor pronounced him dead!!

TARGET DOWN! I REPEAT TARGET DOWN..... our CEO is DEAD!!

Kume kucha kume kucha

Team yake na CEO were in shork! Hawakuamini! They decided to play dirty baada ya kusikia their CEO is dead! Team ikamuweka chini ya ulinzi dactari! Ika mwambia hakuna kutoa taarifa hiyo popote na kwa yeyote kwa sababu za kiusalama!!

Kiongozi wa team akawasiliana na new secretary, akamtaarifu, they need money!! And they need it very fast! Akamwambia sababu kwanza aliye kuteua is no longer alive! Pili una mda mchache sana toka upewe huo usecreatary guarantee ya kubaki kwenye hiyo pision ni verry low!!

Akamwambia; assistant wa CEO kiutaratibu ndio anapaswa kuwa CEO but hafit in that position, we need money to sedduce all seccurity aggences ndani ya kampuni kumkataa huyu assistant!!

ishu hii itakwenda kwa board members!! So we need kujipanga with good balance we can select our own CEO distribute some cash and we have people kule kwenye board, then our own guy atakuwa selected and wewe unaremain in your position as secretary!!

Secretary akawasiliana chap kwa haraka na mhasibu mkuu wa kampuni! Akamdirect kutoa kiasi cha pesa kutoka accout kuu na kiwekwe kwenye account ya mmoja wa team ya the dead CEO haraka iwezekanavyo!!

Sasa kumbuka daktari alikuwa na mawasiliano mazuri tu na ya siri na the old CEO, akafanikisha kumpenyezea taarifa ameshikiliwa na team ya CEO na CEO tayari is no more!! Na huku mazito yanaendelea!!

Team hii ikiongozana na yule bwana mdogo ilikiwa inajua Assistant wa CEO sasa ndio anakuja kuwa kuwa the CEO, it was a nightmare to them! Hawakutaka kusikia maana wanataarifa kuwa yule ni mtu ni wa the old CEO maslahi yao yanakwenda kufutika!

Mchakato ukaendela kwa wao kuzuia tangazo la kifo na wakaanza harakati za kuhakikisha anawekwa mtu wao!! siku tatu zinakatika toka CEO awe dead!! purukushani zinandelea!! Raia wanahoji where is the CEO??

Mzee wa connection Tayari alikuwa keshajipanga!

Alijua haya yatatokea na alishaandaaa plan nzima!! Wakawasiliana na afisa usalama wa kampuni kudeploy stage four ya mission nzima kwanza nikucleanup the mess!

Wakamkamata kwanza dogo kiongozi wa timu ya the ded CEO na members wengine woote wakawatia kizuizini!!

Secretary akafuatwa, chap kidogo akawekwa chini ya uangalizi, maajabu aliyemfuata na kumkamata ni kijana wahapo hapo company house na ana mjua kila siku, na nimiongoni mwa walio pata fungu

You remeber our deep informal?? akapigiwa simu! Akaambiwa anahitajika haraka sana DSM arudi!

"Uko wapi? Niko,! Haya hapo hapo ulipo leo usiku kuna watu wanakuja na kuna waandishi wa habari watakuwa na hao vijana! The CEO is gone wewe ndio unachukua jukumu! So kuna kijana ana speech soma kama ilivyo!! asubuhi itakubidi ufike DSM haraka sana toa ushirikiano wako "

Simu hiyo ilipigwa saaa tisa za mchana!! Akiwa na walinzi wake, nusu saa tu baada ya mazungumzo hayo kundi lingine la walinzi linaongezeka pale ndani!! lina kuja na full convoy with protection

wanashuka vijana na wanaongea na walinzi wa mhusika then wanaingia kumuona mhusika!!

wanambrief sasa sereously on the death of the CEO then wanaandaa press na wanamuistruct kuwa taarifa hii ina bidi isomwe saa usiku, why sababu za kiusalama! Huyu ni CEO, anawafuasi anything can happen nibora press iwe usiku kuliko jioni hii!!

So mhusika anakubari anasubiri usiku mnene, woga ni mwingi! The so called a plan now imekuwa reality !! Anapaswa sasa ku anouce the death of the CEO and become the CEO

waandishi wao, nao walikuwa wako prepared!

Time came!! then anaappear on the screen!!

Breaking news.....

"Nasikitika kutangaza kifo cha CEO kilicho tokea leo(realy leo????) , CEO wetu alikuwa anasumbuliwa na maradhi ya"

The old CEO alikuwa kaketi na small group of his elites usiku ule! They were watching the news!! Popping champagne! Baada ya matangazo kuisha One of his guys stood up and said it loudly we did it!! Its all done guys

Then he switched off the television! Ukimya flani hivi ukawa kama umepita kila mtu akiwa haamini the mission was completed!!

The old CEO Akanyanyua simu then akampigia simu msaidizi wa the late CEO, sorry for your loss!! Jikaze you have the throne now!! Make us proud!! Upande wa pili kwa hofu ukajibu hasante sana CEO! and then the call ended!

The assistant A.K.A deep informal was still in a shork! never thought this would come to reality!! kwakuwa alikuwa anapewa maelekezo aliyafuata kama alivyopewa!

Kama ilvyokuwa imepangwa, Early in the morning alifuatwa ili kuwa lifted to headquators Ready to be sworn in as the new CEO!! Wakati wanatoka, a tall guy came with a black brifcase na sealed evelope!

Sorry boss! You have to take this with you!! The instructions are in the envelope!

Assistants wake wakaipokea ile briefcase na envelope on her behalf, then wakaondoka! Wakiwa ndani ya private jet, aliamua kuifungua ile bahasha kujua kilicho kuwa kimeandikwa, kulikuwa na maelekezo mafupi sana "oppen the brifcase after you have been sworn in" the combinations are!

So hakupaswa kuifungua ile breafcase until awe officially announced as CEO! Wakati huo timu ile nyingine bado haiamini! wakaitisha a small meeting and had a very deep discussion! they wanted to know what happend to their leader!!

But the king maker, mr born town mwenyewe, knew all about their meetings and he was able to mantain them secretly

Akiwa njiani, akaanza kutafakari what was happening! Woga ulikuwa mwingi sana, sababu kwanza anakwenda kuwa CEO ghafla sana! Lakini anajua what was goin on! Yaani ana behind the scenes!! There were Some speculation about her being involved in the death of the CEO!

Akaanza kutafakari how powerfull the old CEO is!! How ameweza kuorganise the whole mission without being noticed! Akatafakari his connections from inside and outside the campany!!

Akatafakari how the old CEO alikuwa analindwa, ulinzi ulikuwa mkali sana lakini leo he is no longer! Jibu la haraka likawa the old CEO is untachable at the moment na kuwa if aki mess up kama the late CEO, na yeye atakwenda ku end up like the dead CEO!

Sababu she is smart, The only way she can survive is to play allong With the old CEO

Walipofika down town, Direct walielekea to the headquarters, mwanasheria mkuu chap chap akafika then she was sworn in as the new CEO! Baada ya pale aliagiza ile breafcase iletwe then akachukua zile kombination na kuziingiza!

The brifcase oppened up! She found a document inside! The document was having list of names to be apponted in different positions in the company and when they should be appointed!! Yaani kuna majina ya uteuzi na muda maalumu wa lini yanapaswa kuwa appointed! Na katika position zipi!

So akaisoma ile list kwa umakini and came to a discover that all the people from that list were the ones whom were fired by the late CEO so it seems wanapaswa kurudishwa tena kwenye nafasi zao

Na kila jina limepewa position na timeline litateuliwa lini!!

She red the document and understood the assignmet! She followed the instructions very carefully under the supervision of security agencies in the

company!! Hakutaka trouble na the old CEO muda mfupi vile!!

Dogo aliyekuwa kizuizini na team yake wakawa released ili kupunguza tention, lakini with caution they are being watched! So they should stay away from the company matters!! But they should be there until the CEO funeral has taken place!

Our new CEO ensured the late CEO last reception inafanyika vizuri sana kama alivyoelekezwa!

Wakati shughuli hizo za mazishi zikiendelea she decided to be smart!! She knew that, ule ndio wakati sahihi wa ku build her defence secretly without being noticed! so she wanted a small group of people whom are loyal to her to help her surviving the old CEO!

Wakati yupo headqutors na the late CEO kulikuwa na kijana mwaminifu sana kwake, huyu alikuwa under his office, he was loyal! Alimsaidia pia baadhi ya info wakati akiriport kwa the old CEO. secretly alimuita na kuzugumza naye!

Alimpa maelekezo ya kuunda team ya watu wasio pungua watano! Waaminifu! Kazi yao ni kucollect all the datta zinamuhusu KING MAKER, connection zake zoote, group member wake wote, their economy status, where they live, their investments in the company na kujua what are their plan on her!

Kuhusu funds she prommised kijana kuwa asiwe na hofu!!atakuwa funded without hessitation!!

Wakati kijana atakuwa anafanya yake yeye atakuwa anaendela kufuata maelekezo kama kawaida!! She wanted this boy afanye kazi offshore! Unnoticed!

Baada ya kuset agenda hiyo, direct she went back to her office!! alipokea

two notifications ya kwanza ni kujeruhi popularity ya mtu muhimu sana wa the old CEO yaani kumchunguza kuhusu zile fedha zilizotolewa bank kipindi the late CEO tayari amekata mto kwa order ya new secretary!!

si unamkubuka yule bwana aliyetangaza kuwa the CEO is fine and well, kumbe fedha ziliwekwa kwenye account yake bwana!! The old CEO gang walitaka list yao wote waliopaswa kupewa mgao ili kumselect the CEO mwingine tofauti na huyu kinyume na muongozo

Notifcation ya pili sasa

Coming soon.....

Je team B ya the last CEO what will be their last card??.....

Wamekata tamaaa?? Noooo

Huyu CEO Naye kimya kimya kaanza kuminvestigate the old CEO je is the old CEO un aware?

Let me introduce to you our new CEO, huyu ni moja wa watu waliohudumu in the company kwa muda mrefu sana!! Aliyemleta kwenye kampuni hii ni mr born town mwenyewe!! Huyu alimtoa pasipo "julikana" na kumuweka kwenye ramani!

Alimtumia kwenye vitengo tofauti tofauti ndani ya kampuni kwa kipindi chake chote cha uongozi!!

Kitu pekee wengi hawakujua, nikuwa huyu CEO under the wing of the old CEO ametumika sana kama agent na informal kwenye zile department zote alizokuwa kapangiwa!!

Alikuwa sent kwenye maeneo hayo simply kuobserve changamoto zilizopo na kusuggest njia za kusolve changamoto zile! So ni mwanafunzi na mhitimu smart aliye aminika sana na the old CEO!

Network yote aliyoiijenga mr old CEO huko nyuma ndani ya kampuni, huyu CEO wa sasa anaijua vizuri since yeye mwenyewe alishiriki katika kuijenga!!

She knew the strenght and wekness of the old CEO and she respected how smart he is! Hata yeye kuwa assistant wa the late CEO haikuwa bahati mbaya! The old CEO, alicheza karatazake very smart in a way the late CEO alijikuta anamteua kuwa kama assistant wake!

So anamjua na kumuheshimu sana mr mind on how smart he is! Aliyaelewa VIZURI sana majukumu yake yote toka mwanzo alipoteuliwa kuwa assistant CEO! Alijua kuifanya kazi kama assistant! She never outshine the master! She was a good informer!

Akiwa pale mezani anasoma zile notification, kumbe kuna some members kwenye lile group la "deep company observers" wamechoka na uongozi wa the old CEO!

Why wamechoka? Simply Becouse the old CEO nikama anawatumia tu. investment nyingi ni mali ya familia yaani watoto wake na mkewe !! Wao wanakuwa kama nembo tu! So they want freedom, they want also to be recognised nakupewa heshima kama ambavyo watoto wake wanakuwa recognized na kupewa heshima!!

One of the notification ilitoka kwa mmoja wa hao members!

Just imagin...., haya yote yanaendelea the late CEO hajazikwa! The notification ilikuwa ni kum allet new CEO kuwa one of the members wants to meet her! Na briefly ilieleza areson why! He provided his secret Phone number when she is ready she can call that number!

New CEO Saw that as an opportunity to what she was thinking! So mazishi yakafanyika, the late CEO kazikwa baada ya almost three weeks since he

died!

The old team of the late CEO wallikuwa na hasira kali sana moyoni wengi walihisi kilicho kuwa kimetokea lakini walikuwa hawana proof! So they were in hunt for the truth secretly!! And their target is Mr Born town!!

Its like baada ya mazishi na the new CEO kutake position as a CEO the old CEO was much concetrated with securing his projects That were taken by the late CEO

The new CEO Akaanza kufanya mabadiliko in the company according to the old CEO proposal, hii ilimfanya mr born town kuwa happy tena but very carefull! Tenguzi na teuzi zikaanza kuonekana,

wale wa kuu wa idara icons waliosifika sana wakati wa the late CEO wakapigwa chini, meetings na taarifa zikawa zinapokelewa! Under the monitoring of the old CEO!

After two monthes since in power, the new CEO Alianza safari za outside the country in the name of "rebranding the company name" and "calling out for investors"!

This was one of the smartest idea she came with! Why sababu hapa nchini conection za bwana mkubwa zilikuwa hazikwepeki!

Anawatu wake kila kona! Huwezi fanya kitu asijue he is well organized in information collection!!

Lakini kwa nje ya nchi hakuwa na nguvu na connections kubwa kama nyumbani! So the new CEO saw that opportunity, yaani Kulikuwa na kauhuru flani hivi akiwa nje kuliko anapokuwa ndani ya nchi!! So alianza kuplan outside trips ili aweze kupata oportunity ya kujiorganise well for what is comming!

Wafanyakazi wa ndani ya kampuni walipinga sna safari hiz nakuona hazina manufaa, nakuona zitaipolekea kampuni kupata hasara!! kumbe deep down

they didnt know what was goin on!!

So trip yake ya pili ya nje ya nchi, alimnotfy kijana wake wakutane huko nje apate updates za kile alichio mwambia afanye!!

kabla ya kuondoka alipokea maelekezo kuhusu branch manager mmoja wakampuni aliyeaminiwa sana na the old CEO kuwa aliwa harass sana investors wa the old CEO kwenye Company branch! Members wanataka hawa held responsible for what he has done!

So maelekezo nikuwa anapaswa kutenguliwa haraka as a branch manager, na kampuni imshtaki kwa matumizi mabaya ya madaraka! Kwa kuisababishia kampuni hasara ya bilions of money! She called the head security and told him to deal with the matter!!

Baada ya maelekezo hayo CEO kachukua flight up to DUBAI, kijana alishatangulia kuhakikisha their meeting is safe and succesfull

Huku nyumbani mr old CEO hakuwa na time ya kufollow up trips za new CEO aliamua kujikita zaid kurudisha investment zake, nakushughulikia all the people who did him dirty during the late CEO!

At the same time the late CEO gang wakiwa na huzuni, hasira na chuki walikula kiapo iwe jua iwe mvua one day watalipiza kisasi, na kwakuwa washamju wanaye pambana naye ni the god father himself mr old CEO waliitaji kuwa smart and carefully!

Haya haya new CEO target wake amekuwa the old CEO, mtu ambae amemfanya awe hapo alipo, mipango inafanyikia nje ya nchi atamuweza?....

Kundi la the late CEO nawao hawako nyuma, target wao ni the old CEO mipango inasukiwa ndani ya nchi watamuweza????

Je MR OLD CEO Atahimili mishale toka nje na dani ya nchi inayokuja???

Je hilo kundi la wafanya biashara linalo lalamika ni akina nanani??

Wanasema umoja ni nguvu utengano ni dhaifu!!

Moja ya vitu vya ajabu na famous sana kufanywa na the late CEO ni attempt assasnation ya moja ya wapingaji wake wakuu!! Kulikuwa na jamaa mmoja mtata sana! Huyu jamaa alikuwa one of the best katika harakati zake zakupinga mambo ya the late CEO!!

Alijua kumzungumzia mtu kwa evidence, facts na sometimes alimtaja kabisa muhusika aliyekuwa kwenye mgogoro naye tena hadharani bila woga wala kupepesa macho!!

Haikuwa bure!! He had back up!! Hizo facts, evidence hazikujitokeza tuuu! Alipewa na alipewa na watu ndani ya kampuni under the director of MR Born town!!!

Iko hivi, the late CEO alipoingia madarakani alikuwa na hasira na udhalilishaji aliofanyiwa during the process of his selection to be the CEO, kuna kundi liliopasuka kutoka kwa MR born town likipinga maamuzi yake! lilitoka wazi wazi kumpinga na kumkataaa huyu the late CEO! Waliandaa mpaka press yaaani!

Na hili kundi ndio hilo today bado hariliziki na maamuzi ya Mr born town na harakati zao bado zinaendelea

So mr born town alifight mpaka jamaa akawa the CEO, alijua hiyo ni tiket ya yeye kulindwa na bwana mdogo! Jamaa alipokabidhiwa tu rungu alianza kudeal nalile kundi liliomkataa hadharani during the process ya kumteua CEO na alishughulikanalo kweli kweli,

Sasa kuwashughulikia huko kukapitiliza mpaka kwa Mr born town! Katika kumpunguza makali mr born town alimtumia kijana huyu anayejulikana kwa misimamo kuibua hoja mbalimbali na kali dhidi ya the dead CEO

Kijana alikuwa hana break alimtibu na kumchanganya kweli kweli the late CEO kulikuwa na ishuhuri ya kampuni kuwekeza kwenye madini, late CEO aliuona mkataba baina ya kampuni yake na kampuni nyeza mkataba huo wa madini haukuwa sawa!! Na deep down alijua kuwa mr born town ana

percentage zake pale kila mwezi kutokana na mkataba

Aliamua kuufumua mkataba na kutaka terms mpya!! Alifanikiwa kuwatight hawa jamaa kiubabe sana. Kwa kuwa hakufuata utaratibu, kwenye kuuvunja mkataba, kijana akawasiliana na hawa kampuni ya pembeni akawaambia huyu amevunja mkataba, mnaweza mpeleka mahakamani na mkapata fidia!!

Na akiwalipa fidia maanayake amefanya maamuzi ya hovy akiwa ofisini hivyo kitendo cha kuwalipa nyie fidia ni kuipa kampuni hasara! so hafai kuendelea kuwa CEO

Saa Sio kwamba wao hao jamaa walikuwa hawajui kuwa jamaa kavunja mkataba kimakosa ila kwakuwa wao niwageni na niwawekezaji walijua kabisa kwamba bwana mkubwa kavunja mkataba ila kwakuwa alishika mpini hawakuwa na namna!

Jamaa aliwahakikishia ushindi, maana behind the scene the big done mwenyewe ashapanga connection zake!!

Jamaa msema sanaa akatoka akaanza kueneza habari hiyo kwa wafanyakazi na public! So waliokuwa na investments zao wakapatwa na mashaka sana. Ikabidi the late CEO aitishe press akiwa na team yake kuelezea upande wake!! And he was good!

Aliweza kuwaaaminisha watu kuwa kijana msema sana was wrong and he was right! Na akaapa kuwashughulia wasaliti wooote ndani na nje ya kampuni hasa wanao kwamisha jitihada zake!

Hiz taarifa zilimuudhi sana late CEO, aliwaita vijana wake waanze kumtrace huyu jamaa!! Moja ya vijana aliotaka wawe included ili awe anampata updates daily ni huyu branch manger wa makao makuu alipokuwa anaishi yeye the late CEO!!

Mr late CEO alimwamini sana huyu dogo, dogo alijikuta tu ni branch manager ila hana uzoefu wala exposure ya kutosha kwenye nafasi hiyo!! Alionekana mjanja kwa washamba dogo alikuwa msumbufu sana kwa wafanyakazi wenzake!!

So alipopewa kazi ya kusimamia task hii kama kawaida yake alimess up!, mr born town akacheza kama pele, maana taarifa alikuwa nayo!! So alipenyeza watu wake in that task force!!

waliandaa mission, but this time late CEO alicheza kama pele pia! Walioandaliwa kwenye kikosi kazi sio waliokwenda kuifanya kazi!! Alifanya hivyo ili kum blind mr BORN TOWN !

Yaani few days befor the mission alichukua vijana wengine kabisa tofauti na mr born town alivyo jua

kikosi kazi kikatumiwa kutoka town mpaka eneo kijana msemu sana alikuwa anaishi kwa muda! Lakini before kwenda tayari walikuwa wameshaanza kurekodi mazungumzo yake yote! Walikuwa wakimtrace kwa kutumia simu kujua movement zake zoote!!

Mr born town kupitia plantend agents wake wale wa kwanza ndani ya kikosi kazi cha kwannza aliwahi kumnotfy kijana kuwa he is on target awe mwangalifu!

Kijana akaenda pulic akatangaza kuwa the late CEO anamtishia maisha akafumuka mbaya mbele za watu!! Baada ya pale the CEO said enough is enough!!

so jamaa alikuwa anatoka zake kwenye meeting nyuma kulikuwa na gari moja white saloon, ndani kulikuwa na watu wili, dereva na kijana mmoja msaidizi wa branch manager makao makuu!

Gari ilikuwa ikiifuata nyuma gari aliyokuwemo kijana msemu sana so dereva wakijana through side mirrors, aliinotice ile gari!

Akaka kwanza kimya kuthibitisha kwanza kama kweli ile gari inawafuata!

Akaanza kukata kona zisizo na tija, ile gari ikaendelea tu kuwa nyuma yao! kijana msemu sana ikabidi aulize huku tunakwenda wapi, dereva akamtonya kijana, kuna gari iyohapo nyuma inatufuata mda mrefu sana!

Kijana msemu sana akashtuka akaangalia kwenye side mirror ya upande wake akiona ile gari!

Kijana akamwambia hemu twende nyumbani pale kuna ulinzi na security camera, lakini pia ni rahisi kupata msaada sababu nimakazi ya watu potential! Ulinzi ni masaa 24!

So Wakaanza kufata uelekeo wa nyumbani kwake, ile gari iliwafuata kama 10 minutes hivi then ikawa imepotea

Kumbe dereva na yule kijana ndani waliamua kuwaacha sabu washasoma uelekeo gari inako kwenda! walitoa taarifa kwa kikosi kazi kilichokuwa karibu na makazi ya kijana, kuwa kijana anaelekea upande wao so waendele!

Haraka sana vijana wakikosi kazi Walitoka pale ndani na gari mbili aina ya land cruiser nyeusi, wakatega eneo kuisubiri gari ya kijana karibu na makazi yake,

ile nyingine iliingia ndani ya makazi moja kwa moja ikawashusha vijana wawili nakuondoka! Hawa wawili walifika mapema kabla ya kijana msemu sana kufika! Kazi yao ilikuwa ku clear the environment! Walichofanya ni kuwaondoa wale askari pale getini! Baada ya boss wawale walinzi kuwa oder wafuate maelekezo ya hao watu wa wili baada ya kuwapigia simu! Oia kutemper na CCTV cameras

Kijana akiwa na dereva wake walipofika tu karibu na nyumba, ile gari nyingine ikaunga kwa nyuma! Dereva aliinotice ile gari kwa haraka akamshtua kijana! kilichowashtua ni gari iko tinted full kioo cha mbele na

waliipita ikiwa imepaki ghafla ilionekana iko nyuma yao!

Walienda mpaka getini, kwa kawaida walinzi wa getini hutoka kuuliza utambulisho na kumfungulia geti mgeni, but haikuwa hivyo palikuwa kimya na hakukuwa na mtu ispokuwa wale vijana wawili waliokuwa ndani ya makazi! mmoja akatoka akawa amesimama anaitazama ile gari ya kijana, geti bado halijafunguliwa gari iko silencer!

Ghafla mlio wa Break kali nyuma ya gari ulisikika, derva chap akamwambia kijana ustoke kwenye gari, aka lock mlango yote ya gari kwandani! Mmoja wa vijana akashuka toka gari ya nyuma haraka sana! Akawahi mlango wa upande alio kaa kijana akauvuta ukagoma akarudi hatua nne nyuma, vijana wengine wawili wakashuka chap sanaaaa wakawa wanakoki silaa zao! Yule wakwanza akapiga risasi moja kwenye kioo cha bwana kijana!! wale vijana waliokuwa mbele nao wakazunguka wakaja wakajiunga na hawa watatu

Shuhuli ikaanza aisee

Zikaanza kurushwa risasi hovy kuelekea kwenye gari ! Upande wakijana

Wakati huo kwenye hiyo gari ya hawa vijana branch manager, kijana wa CEO alikuwa akitazama showw showw!!!

Wakati kijana msema sana na yeye alisha laza kiti kichwa kipo siti ya nyuma kiwiliwil ndio kipo saana kwa mbele!! So hakuwa boya! Wapigaji walijua jamaa bado ka kaaa! So walizitandika nyingi sana eneo hilo, derva alisha shuka akawa kajikinga upande wa mlango wa nyuma ambao risasi hazipigwi sana!!

Baada ya dakika kama tatu hiv jamaa wakatulia kimya wakaskilizia kama kuna movement zozote hawakuona ispokuwa damu(very local) ikichuruzika upande wa mlango wa target!! Badala ya kuhakikisha kama kijana msema sana ameficha moto branch manager mule ndani akawaambia waondoke haraka!!

vijana wote waliingia ndani ya gari haraka sana kisha gari ilianza kutokomea kama haina akili!! taarifa za tukio hilo zikaanza kusaambaa kwa

kasi ya ajabu kwamba msema sana kapigwa risasi! Juhudi kadha wa kadha zikafanyika kwa uangalifu sana kunusuru maisha yake!!

Taarifa ikamfikia late CEO kuwa kijana bado yuko hai! Kapelekwa local hospital!! Akachefukwa sanaaaa akatoa order kijana aletwe mjini atamtibia mwenyewe chini ya uangaluzi wake wakati huo akawa amemnotify daktari wake kuwa ajiandae kumfanyia kazi maalum! Daktari akawa ameelewa anachokitaka CEO na huyu ndio yule daktari mtoa dawa za michongo CEO alipoanza kuumwa

Daktari akampa tarifa mr born town kuwa huyo kijana akiletwa huku haponi! Mr born town akawanotify team ya kijana msema sana kuwa fanyeni mnavyoweza pelekeni huyo mtu nje ya nchi mkimpeleka town kwa bwana yule hapa haponi!!

Chap kwa haraka team ikajiorganise wakamtransfer jamaa kwenda nje!! The late CEO alikasirika sana hakujua hafanye nini but ilikulinda heshma yake akaenda mtandaoni akatoa pole kwa kijana

Akachukua phone akamtwangia brach manager! Akamuuliza uko wapi? Kijana akasema hapa tunakaribia town boss!! CEO akakata simu, akatafakari akampigia mwenyekiti wa board ya kampuni!! Akamwambia zuia kibali cha huyo kijana kutoka nje!!

Mwenyekiti wabodi kwakuwa ni mtiifu na ni timu CEO kweli kweli akgoma kutoa kibali! Sasa hapo ndio utaijua nguvu ya the born town! The guy alichukua phone akampigia mfanya biashara mmoja mkubwa ambae pia nimemba wake kwenye tim yake lakini pia ni board member akamwambia akikisha unasupport kijana aende nje, maana huyu ni karata yetu ya baadae!!

The business man kafuata maelekezo and kijana was lifted outside the country!! Akiwa huko the todays CEO ambaye alikuwa assistant wa the late CEO alikuwa akimjulia hali mara moja moja!! Hii ilijenga bond pia kati ya the today CEO na kijana msema sana!

Sasa baada yakufika dubai, CEO anatengenezewa time table ya namna atakavyo kutana na wageni mbali mbali! Kitu walifanya bana,kwenye time table anaonekana CEO Atakutana na investors from doha!

So alichukuliwa mwarabu mmoja akaambiwa weee ndio utakuwa investor, then akawa na securty wake! Lengo nikuwa mwarabu akifika pale kuonana na CEO akiwa na securty wake binafsi miongoni mwao atakuwepo kijana wa CEO yaani kajipandikiza! Yote hii ni kumkwepa mr born town na connection zake!

Je nini kilizungumzwa??

Time came, new CEO akapokea ugeni wake kutoka DOHA, ndani ya ile presidetial suite kuna room nyingine ndogo, so kijana na CEO wakapata time ya kupeana updates!

Kijana alitumia miezi zaid ya mitatu kuandaa taarifa yake!! So akaanza kumbrief CEO akamwambia huyu mtu ni god father wa kampuni! Na hayuko peke yake!! external companies zote zilizo invest kwenye kampuni yetu niether ni za kwake au zinazomwamini sana mr born town!

kuanzia kwenye kampuni zetu zote ndogo ndogo zinazohusika na utalii, umeme, mafuta na ujenzi hawa watu ni share olders! Hakuna sehemu hawapo!! Branches manager wetu wote uliowarudisha kazini asilimia 70 ni watu wake!! Hivyo tumezingirwa na watchdogs wa mr born town hakuna kitu utafanya au kutena bila yeye au group lake lisijue!

Huyu mtu nguvu kubwa anaipata kwa investors wetu wa nje!! ni anaaminika sana!! Project yetu ya kampuni kuhusu ile bandari iliyokuwa crashed na the late CEO ambayo tunairudhisha ukweli nikwamba owners wa hiyo project ni most powerfull people in this world, na kuna mazingira ya mr born town kuwa among wanufaika

Akamwambia kuna mambo wanayoyafanya sasa hivi kurudisha gharama na hasara waliyopata kutokana na uongozi wa the late CEO!! unaona

kampuni yetu ya umeme, sasa hivi tunauza sana jenerta badala ya solar sytems!! lakini pia kule kwenye vitalu vya uwindaji yule investor aliyetimuliwa na the late CEO, branch manager amesha ridhia arudi na awekeze! So juhudi za kuweka mazingira ya uwekezaji zinaendelea

Kijana akasisitiza hakuna mahala utagusa he is not there!! All Head of our security ni too loyal kwake, ispokuwa mmoja tu! Huyu analysis inaonyesha bado anamkubali sana late CEO!

Kampuni pinzani zoote unazoziona hapa nchini their Chairmans are his people! huyu tuliyekuwa na kesi naye juzi! Ambaye externa investors wametishia kustop investemnts kwenye kampuni yetu kama kampuni haita drop kesi, analysisi bado inafanyika kujiridhisha kama ni mtu wake au lah!!

Lengo la the late CEO kumshughulikia huyu mr new culture lilikuwa ni kuivunja kabisa kampuni yake baada ya kugundua kuwa ni hawa hawa investors wanaomsponser huyu mr born town ndio wanaomsponsa na yeye! Sasa why wanawasponser two people with different idiologis hapo ndio task force imejikita na soon tutapata majibu

Huyu mtu mr born town wealth yake ni more than 100 years! Most of his dirty money are kept in malaysia! so kupambana naye inabidi kuwa makini na smart sana!!

Akasema kuna kundi ambalo halimtaki tena mr born town kuwa kama kiongozi wao, wanataka changes na kinachoononekana hawa watu wamejipanga sana! Wako kwenye harakati za kumuweka mtu wao!! shida hili kundi ni la watu wa ndani tu sio wa nje! Nje bado anasupport kubwa sana!!

CEO alikuwa makini sana akimsikiliza kijana wake!! Hakushtuka sana sababu baadhi ya vitu anavijua semu hakuvijua indetail kama ambavyo kijana amemfafanulia!!

So CEO baada ya briefing ile akamwambia kijana kuwa her chances are very low to survive this guy!! Kulingana na alivyo jisimika! So options zake niziipi??

Kijana baada yakuulizwa hivyo akasema option zipo but ni very risk!! We have planned a mission, but what we have to do nikuwatembelea hawa external investors unnoticed, if they are getting a proffit of 20% in their investment in our company sisi tu waongezee up to 60% or more with a condition that mmoja mmoja wasaide wewe uwe chairman mpya!! Kwamba we need to atract them to be in our side!!

Lakini pia kuwahakikishia hakuna kuvunja au kukataa mradi wao wowote!! We offer them good interest they give us power!! Maana wako after money and not some one! Istoshe wewe ndio CEO sasa hivi!

Pili kwakuwa kila dipartment ina branch manager ambao ni too loyal kwa mr born town, hao hakuna kuwagusa all we need to do nikuwaacha tu, let them be free as long as we know them! hawa watu wananjaa sana, tuwaache Wale kwa urefu wa kamba zao na wakati huo moja baada ya mwingine tuwa convert secretly wawe upande wetu, wabishi tuta apply other ways

And this is why na introduce kwako hii kitu inaitwa " checks and balances mission"

kijana akachukua red printed document akampatia akamwambia hii ina kila kitu! Take this with you! Read it carefull then TUPE GO ahead kila kitu kitakuwa Sawa!!

Baada ya ile meeting CEO alichukua ile document na kuitunza mwenyewe! Kisha wakaagana, akatoka kwenye kile chumba wakapiga picha na yule mwarabu from doha ionekane yeye ndie alikuwa anazungumza nae na sio yule kijana then CEO akaendelea na ratiba zake!!

Sasa what is "cheks and balance mission" hii ni mission planned na kijana

wa the new CEO akiwa na wenzake watano!! Project hii ilikuwa na level tatu!
Target wa mission ni mr born town! Lengo ni awe terminated airther
friendly or hard way!!

Project hii imekuwa categorised kwa level tatu!

Level one ni Kuua makundi yote na kuorganise kundi moja kubwa lenye
nguvu nyuma ya new CEO. Ili ikamilike Level hii iliwekwa katika stage tatu!

Moja ni kuwashusha temper na hasira team late CEO, wanashushwaje
temper na hasira??? nikuhakikisha miradi yote ya the late CEO ndani ya
kampuni ina kuwa implemented kama ilivyoanzishwa na the late CEO, hii
itasaidia kuwarudisha kundini wawe na the new CEO karibu!

Lakini pia ni kuwaidentify wale wabishi wenye misimamo sanaaaaa
kuwashughulikia nicely na sio in a harsh way, ila ikibid harsh way itumike!

Pili, miradi hiyo yote ya the late CEO waitwe wale outsider investors ambao
ndio humpa kiburi mr born town waje wawe involved especially kwenye
kuiendesha hiyo miradi itakapo kamilika With a very good interest kwao!

Ilengo na wao wawe karib na huyu the new CEO

tatu,kuhakikisha wale resistant yaani lile kundi lisilo mkubali mr born town
lipewe freedom na ulaji wa hali ya juu kwa kuinvesting in the company!!

Second level!

Hii ina stage mbili tu, Stage one is to ensure good publicity kwa new CEO,
apendwe sana, yaani saaana! kwa kuhakikisha customers wa kampuni
wanamkubali sana CEO!

Stage ya pili itawahusu all security agencies,hapa kijana aliwaza kutindua

wote wenye mrengo hasi na CEO unnoticed

Level ya tatu

Hii ndio yenyewe! Kama level one, two na three zikifanikiwa mr born town hana chake iwe nje na ndani so ni kumgoa kucha tu!

Wakati haya yakiendelea, mr born town homa ya jiji, nayeye alikuwa na yakwake kichwani!

Moja ya vitu alivyoviamini kutokana na uzoefu wake kwenye game ni kuwa ukiona mtu anafuata sana kila unalomwelekezatena bila kukosea ujue kunajambo analifanya na anajaribu kukuficha

Baada ya tafakuri kwa kina Alichokifanya ni akampigia simu kijana wake mmoja, akamwambia huyu CEO nahisi kunakitu behind the scene kinaendelea! She is too good, yaani kila nnalotaka anafanya nothing is wrong! This isnt right!!

I have something in my mind nafikiri nikifanya itanipa jibu!! Nafkiri sasa Tutamuhitaji zadi mwenyekiti wa bodi!! Huyu ndio atakuwa karata yetu kujua what is goin on! Lakini pia akawaalet vijana wake pale makao makuu, kwamba heads up!! Wafuatilie whats goin he need updates!!

Kijana akamtafuta mwenyekiti wa bodi! Ikumbukwe mwenyekiti wa bodi alikuwa team late CEO, yeye ndio alimnyima kibali cha kutoka nje kijana msema sana baada ya kudugwa mirisasi, lakini pia, hata fidia yake alimnyima kabisaaa. kijana alipata majeraha kazini alistahili kulipwa!!

Kijana akaworganise timu yake wakamfuata Mwenyekiti wa bodi privetly, direct wakamwabia anachopaswa kufanya unless otherwise something worse would happen to him!

Chearman wa bodi kulingana na alivyotikiswa na wale vijana he had no

choice but to implement the plan!! Akaanza kumpinga live CEO hadharani! one day akiwa kaalikwa kuwahutubia vinana wajasiliamali katika aliyo yaongea akatamka wazi kkuwa CEO anaendesha kampuni yao kwa sasa anaiendesha kwa kuchukua loans sana! Akasema kampuni yao itaweza kufilisika soon kama hatua zisipochukua haraka! Ikiwezekana atolewe!!

Hiyo kauli ya atolewe ndio ilimtoa CEO Mafichoni tena kwa hasira juu!! Hisia zilimwendesha badala ya critical analysis ya kujiuliza kwanini huyu mtu ametamka haya sasa, na si hulo nyuma? Hiz guts na confidence za kusema haya amezitoa wapi?? badala yake CEO Alimnaga live chearman wa bodi na kudecler live kuwa yeye bado yupo yupo sana kwenye position hiyo!! Na akamtaka yeye mwenyekiti ndio atoke kwenye position hiyo!! Kimwonekano wake alimaanisha alichokuwa nakisema. Kumbe bwana, our CEO felt in Mr born town trap! A Very Big mistake

Unaruhusuje hisia kwenye jambo sereous hivi.....

mr born town baada ya hiyo reaction ya CEO akawa amejithibitishia kuwa CEO wa sasa atakuwa na kitu behind the scene anakifanya ili aweze kubaki madarakani!! Na hicho kitu kama hajashilikishwa so she is betraying him!!! Mr born town was very maaaaaaaad askwambie mtu!!! Very Maaaad!!

Je kete za mr born town zitaanzia wapi ili kuila kingi kwenye draft?.....

Is the CEO able to bring late CEO team under her wing??

Mambo ni mengi muda ni mchache!!!

Mr born town was too mad becouse CEO wasasa ni kijana aliyemlea na kumkaribisha kwenye ulingo wa madaraka, aliumia sio kwasababu amegundua anamgeuka, nooo ameumia kwa sababu amefeli kuficha alichokipanga kukifanya dhidi yake!

Yaani nikama anajilaumu after nguvu kubwa in training her, still she has failed to be smart as he thought she should be!! So mr born town akaamua kufanya assesemnt kwanza kujua ukubwa wa tatizo alilonalo! Yaani who and who have turn they back on him! And who and who are still with him!

Pili since this man ni master mind, anao ule msembo wake kuwa hana adui wa kudumu as long as ana protect his own intersets. So aliamua kuwavuta baadhi ya adui zake wawe karibu yake nakatika kufanya hilo ni kudeal na key figures wa waliokuwa wanampinga!!

Mr born town picked up his phone and called his team to call our new CEO assistant wakampa kazi moja! Kazi yenyewe ni kuterace au kuidentfy who is advicing our new CEO

Iko hivi, new CEO asstant, huyu alikuwa mtunza fedha wa mr late CEO, alinisurika kumtangulia the late CEO si kwa bahati mbaya bali alibakizwa for future use!!

Mr born town alimview mhasibu huyu kama a plot changer!! So aliwaambia vijana wake " we need this guy" plan ikawekwa, kijana mmoja alitumwa kumfanyia analysis!! So kwakuwa alikuwa na personal security, mr born town aliwasiliana na head of security na kumtaka amreplace mmoja wa guards wa mhasibu huyu!! Na akampa hint ni nani anafaa kwa nafasi hiyo!

So wakati evryone arround the late CEO is being termineted huyu alipaswa kuwa survival! kijana akachukuliwa na akawa planted kwenye ofisi ya mhasibu mkuu as one of the securty details! Kijana was there to observe every thing done by mhasibu na kuripoti moja kwa moja kwa mr born town na team yake

So baada kumobserve vya kutosha they come up with a nice way to deal with him! Ilifika siku mhasibu huyu alikuwa kwenye meeting board na mr late CEO, baada ya mazungumzo ya mda marefu na majadiliano, alitoka kuelekea ofisini kabla ya kuelekea nyumbani! Why sababu kunamaelekezo alipewa na late CEO Wakiwa kwenye meeting!

Alipofika ofsini alikaa nakuendela na shughuli zake kama kawaida!! Baada ya saa kama moja akiwa ofisini, he felt kama hewa inakata na kifua kama kina bana kwa kasi!! Akajaribu kuomba msaaada!! Yule kijana akaingia and

fast enogh ambulance ilifika! Wakambeba akiwa na oxygen support mpaka hospitali!!

Nini kilitokea...

Kijana alipewa maelekezo ya kuchunguza ofisi ya mhasibu!! Ofisi za mhasibu mkuu wa kampuni ni jengo moja refu la ghorofa tano lenye wings mbili, yakushoto na kulia! Limekaaaa kama erufi "v". Jengo hili lilipambwa kwa vioo kuanzia first floor na kwa mbali vioo hivyo ni kama vina rangi ya kijani.

Jengo lina security camera from the intrence mpka ndani. Na getini pale kuna walinzi ambao kazi yao ni kuoppen gates for visitors na kuwasainsha kwenye kitabu na hata kufanya inspection kwa wageni

Kijana aliyekuwa plantend kwa muhasibu majukumu yake mengine akiwa pale ilikuwa ni kuobserve every angle ya jengo lile na kuidentfy securty weekness! Na kujua all securty detals za jengo husika. Kampuni ya Securty ya jengo lile nikampuni maarufu ya ulinzi ambayo ilianzishwa na mr born town mwenyewe enzi za u CEO wake!

Bada ya kukamilisha kukusanya data za jengo na mhusika, alizifikisha data hizo mezani kwa mr born town na timu yake kisha kurudi nakuendelea kubaki kama one of the securty guards wa mhasibu.

Ilikuwa siku ya jumanne asubuhi, vijana watatu na mzee wa makamo mmoja walikuwa na task yakufanya baada ya kupewa training ya task hiyo makao makuu ya nchi two days before!

Team ya watu hawa walifika jengo la uhasibu kwa muda tofauti!! Vijana wa wili wa kwanza walifika asubuhi mapema, mmoja akiwa kavalia black kaundasuit na laptop bag yake kama mtumishi na Kijana mwingine alifika na gari ya securty kama security guard!

Huyu wa securty alifika asubuhi ya mapema zaidi aki act kama nachukua lindo kutoka kwa wenzake!! Walishushwa jumla ya vijana wanne wa securty akiwemo na yeye ambaye alikuwa planted kwenye kundi hilo

Baada ya wao kuingia pale kijana alikwenda kusimamia position yake aliyotakiwa kusimamia! Ambayo ilikuwa ina deal na Inspection to Visitors, na kuwasainisha hao visitors kwenye visitors book!!

Kijana mwenye kaunda suit na laptop bag yake, yeye alifika muda sawa na watumishi wengine! alifika kwenye geti jeupe nakupita bila wasiwasi akiwa na kitambulisho chake kikimuonesha kama mtumishi ndani ya ofisi ile!

Maelekezo yake ni kwenda chumba cha security ambacho kimeinclude CCTV, masuala ya internet pamoja na connection ya simu za ndani, ndani ya jengo hilo la kampuni! Alipewa key card na password yakufungua mlango wa chumba hicho bila shida na the head security of the company!!

Baada ya masaa mawili kijana mmoja na mzee wa mkamo walifika getini wakidai wanashida na mhasibu mkuu nakudai kuwa anaappointment nao!! Kijana wa security upande wa visitors aliwaidentfy na haraka aliwapa kitabu cha kusemua na kuwafanyia inspection ya mchongo then kuwaruhusu bila kikwazo chochote!

Walipita mpaka reception ya jengo zima, yaani maulizo wakaomba kuelekezwa ofisi za mhasibu mkuu, wakupewa maelekezo wakatoka wakaorder lift kuelekea juu wing ya kushoto zilipo ofisi za mhasibu mkuu wa kampuni!

Baada ya kupanda mpaka ghorofa ya tano, moja kwa moja yule mzee wa makamo alikwenda kwa secretary wa mhasibu mkuu na kumwonesha kuwa yuko pale kuonana na mwanasheria wa mhasibu mkuu wa kampuni!!

Wakati huo yule kijana aliyekuwa nae, yeye alipita moja kwa moja nakwenda kukaa kwa upande wa nyuma ambapo ni visitors lounge and act as if hamjui yule mzee!!

Secretary akamwelekeza kuwa yupo in a wrong wing, anatakiwa ashuke second floor right wing ndiko ofisi za wanasheria zilipo!! Mzee acted like haelewi. Akastate hata kufika hapo ni kwa msaada wa kijana mmoja

aliyepandanaye kwenye lift!

So secretary decided to help him! Alipiga simu reception aitwe mtu wakuja kumchukua yule mzee ampeleke sehemu sahihi, simu zikawa haziendi!! Piga more than five times ile land line ikawa haifanyi kazi! So Akamchukua yule mzee ampeleke mwenyewe, wakati huo kule security room jamaa anaobserve every movement na ku act accordingly! Secretary akalock ofisi yake kwa dor key yake kisha akamchukua mzee na kuelekea nae kwenye lift!

Wakaita lift then wakaingia, as wanaingia tu na lift inafunga, yule kijana mwingine kwa haraka sana akanyanyuka pale alipokuwa amekaa, akatoka akaelekea kwenye ofisi ya mhasibu mkuu akiwa anaelelekezwa kupitia earpiece na kijana aliyekuwa securty room akiobserve evrything through cctv cameras!

Alipofika kwenye mlango wa office akatoa smart card yake, akapitisha kwenye mlango nakuweka password, mlango ukafunguka chap akavaa canister gas mask kutoka kwenye back pack yake! Then alitoa chupa ndogo iliyokuwa na VX cream akavaa gloves na kuanza kuipaka kwa umakini sana kwenye drow handle ya meza ya mhasibu mkuu na kidogo kwenye mikono ya kiti cha mhasibu!!

After two minutes shuhuli ikawa ishakwisha, akatoka ofisini mule na mask yake chap akaivua akaweka kwenye bag pamoja na zile gloves then akarudi visitors londge akatulia kama vile sio yeye.

kule securty room kazi ikaendelea, nayo ni kudailete all moving pictures zinazowaonesha kijana na mzee toka wanaingia na wakiwa kwenye harakati zao!!

Baada ya dakika kama 10 secretary alirudi, yule kijana akapewa tena notification na mtu wa kule securty kuwa secretary amerudi! kijana akanyanyuka akamfuata secretary akamwambia nashida na mhasibu mkuu, secretary akamuuliza una appointment naye? Kijana akasema yes alinambia nifike hapa saa nne asubuhi!! Secretary akamtaka ataje jina lake

kucheki hiyo appointment! akakuta jina lipo kwenye system kama kijana alivyosema! kumbe mzee wa security room kule anaendelea kufanya yake kucheza na system za jengo Zima ikiwa ni pamoja na kuingiza taarifa za kijana huyu kam guest wa mhasibu mkuu!!

Secretary akamwambia nikweli naona una appointment naye lakini leo hayupo, amepata kikao cha ghafla so inabidi tu tupange upya hii appointment then tutakutaarifu! Kijana akasema sawa then akatoka na backpack yake akashuka chini akatokomea zake!!

Yule mzee yeye alipofikishwa kwa mwanasheria mkuu wa mhasibu mkuu akampa barua inayoonyesha anamadai yake na kampuni yanayopaswa kulipwa, mwanasheria akamwambia aiache hiyo barua ataishughulikia. Mzee Naye akatoka akatokomea zake!!

Wale wawili yule aliye act as a security guard na huyu aliyeko security room, wao Walibaki nakuendelea na shughuli zao kama kawaida as if nothing was going on mpaka walipo kabidhi majukumu kwa wengine bila kushtukiwa kisha kuondoka zao

Report ikamfikia mr born town kuwa the mission was done undetected! Mr born town akamnotify kijana wake kuwa ampe taarifa incase anything happen to mhasibu!!

So baada ya kikao na late CEO mhasibu mkuu alitoka mpaka ofisini kwake Kutimiza maelekezo ya the late CEO. bila kujua akakaa Kwenye kile kiti cha hatari, ina one way or another alishika mikono ya kiti iliyopakwa VX cream, lakini pia either ali open pia draw kutoa au kuweka document zake so akawa ameishika ile handle ya draw na akawa exposed na VX cream!!

Ile kitu Ilianza kumgonga taaratibu untill akakolapse na kuwaishwa hospitali akiwa ajitambui!!

Mr born town alicheza kama pele kwa kuhakikisha mhasibu arudishi jezi kwa kipa!! Ndani ya siku kumi na nne mhasibu alikuwa anapitishwa kwenye

kikaango cha umauti na uhai na akasalimika.

Na aliyefanikisha kupona kwake ni doctor yule yule mzee wa dawa za michongo kwa late CEO. Hii ili bidi huyu apone ili ile trust ya late CEO kwa doctor iwe kubwa asiweze kushtukia kitu chochote kile!

Bwana muhasibu alipozinduka alikuta maneno yashasambaa that he was dead ilipofika siku ya kumi na sita tangu kulazwa mhasibu mkuu aliamua kutoa press na kutangaza he was fine na anamshukuru mungu kwa kila jambo!!

Akawashukuru madactari na late CEO kwa juhudi za kumuokoa from death experience! Baada ya pale alibaki anajiuliza whats goin on?? How did this happen? Hakupata majinu

Afrer the death of the late CEO mr born town alihakikisha mhasibu mkuu sasa anakuwa assistant wa new CEO! iliwashangaza wengi, how come anakuwa assistant lakini thats how the master mind himself played the game na aliona kuwa ni wakati wake wa kumtumia!!

Baada ya kutangzwa rasmi kuwa sasa yeye ni assistance CEO, alijichanganya kidogo na kujisahau kuwa yeye ni assitant na sio CEO

Kuna kipindi alitoa speech as if yeye ndio CEO jambo lililomfanya mr born town kumwambia new CEO kuwa anapaswa wa mtrain assistance wake ajue kuwa yeye sio CEO so a act kama assistant CEO.

Team iliandaliwa ya kumpitisha assistant CEO kujua na kuyaelewa majukumu yake!! Wakati anafanyiwa trainig hiyo, ndipo alipata nafasi yakupata majibu ya maswali yake mengi!! Aliutumia muda huo pia kuanzisha secret investigation on what was goin on!!

Alipo dig deep he came to discover that mr born town ndie aneye fanya decition zoote ndani ya kampuni maana hata suggestion zake anazotoa kwa new CEO nikama hazifanyiwikazi mpaka zipite kwa born town

mwenyewe!!

So aliposikia anatafutwa na mr born town he was exited kujua anamtaftia nini!!

Ulipangwa muda asistant akakutana na team ya mr born town badala ya born town mwenyewe!! They told him like wao ndio walimsaidia kupona kwamba Alipaswa kuwa dead! They created some stories kumuonesha born town nikama mkobozi wa kampuni!! Ile presentation ilimuingia nakujikuta ni follower wa mr new born town!

So alipopewa kazi ya kumsnitch CEO aliifanya kwa mapenzi makubwa!! So secretly akaunda team ya kumidentfy advicer wa new CEO,

Wakati huo New CEO alifanikiwa kumtoa mwenyekiti wa board na kuset agenda ya kumuweka mwingine!! Cha ajabu alijifanya kumuuliza kwanza mr born town nani anasifa za kuwa mwenye kiti wa bodi, mr born town kwakuwa alishajua nia ya new CEO akamuacha huru kwamba atachagua mwenyewe unayemfaaa!!

So assistant wa mwenyekiti wa bodi aliyejiuzuru akapewa uenyekiti!

Wakati huo Stage one ya check and balance mission ilikuwa ishakuwa initiated! New CEO akawekeza nguvu nyingi kukutana na wale external investors kuwaweka karibu yake

Akakubali miradi ya late CEO iendeleo kama ilivyo kuwa imepangwa but this time akaja na style mpya kuwa ile miradi ni mikubwa sana, haiwezi endeshwa na internal funds! So akaaza kukopa ili kufund miradi hiyo! Kumbe Mikopo hiyo anakopa kwa wale investors ili kuwatengenezea faida ya haraka ili kupata trust yao!

Pia Akaruhusu wale business partner wa mr born town waliokuwa against naye kujipangia bei ya bidha zao wao wenyewe bila kumjali final costumer!! Lengo nawao ni wapate faida lakini pia apate trust yao!

Akaenda mbali akampa uhuru mr new culture! Mtu ambaye alikuwa na kesi iliyotikisa nchi kwa kushtakiwa kuhujumu umoja wa makampuni ya bishara!! Alimtoa ili kujenga imani kwa investors wake wa nje kuwa hana ubaya na mr new culture

So any ways kabla hatujaenda mbali who is mr new culture???

"Mr new culture" Ukiskia mshindani mkuu wa kampuni ni huyu mr new culture! Toka enzi za the late CEO mr new culture hakuwai kuwa in good terms with the late CEO!

the reasons behind was, Investors wa kampuni ya mr new culture, ndio investors wa kampuni ya late CEO under the umbrella of mr Born town! So as long as he didnt like mr born town he also didnt like about mr "new culture"

Why was he called the name mr "new culture?" Ok!We all know that culture means total ways of life of a given people in a given enviroment and given time!! (Acording to kitini cha civics form four)

This guy bwana wantend a new culture from the old one!! Why! Only becouse the old culture was in favour of the late CEO company and their groups! The ways of conducting business kwenye soko la biashara was not fair to them!! Yeye na kampuni yake walitaka new ways of life!!

Akiwa kama owner, mr new culture na kijana wake msema sana walikuwa wanaaminika sana kwa wateja wao!! Kampuni ya mr new culture Nikama apple company, yaaani inaspecific wateja ambao huwaambii kitu juu ya CEO wao!!

Iko hivi mr new culture, amechangamka kidogo! Tuseme nayeye ni born town anayechipukia kwenye upande wa kampuni yake!! Ame kuwa CEO Kwa miaka kadha wa kadha! Kuna kipindi alipaswa kuachia ngazi kwa mujibu wa utaratibu wa kampuni yao but haikuwa ivyo. Aliweza kufanya umafia wake na kubaki as CEO ndani ya kampuni yake!

Wapo vijana walimchallenge mr new culture as a CEO at the end of the Day they ended up dead or fired from the company!! Kuna kijana wake mmoja alie mtrain vya kutosha na kujizolea umaarufu wa kutosha! Kijana alitamani awe CEO amtoe mr new culture, nia yake ilishia kwenye grave yard!

Katika maelezo yake alidai kuwa bila yeye company inakufa so he needs to be there! Kwa muda mrefu mr new culture alikuwa anataka free and fair grounds when it comes to business!! Wakati mr born town og ni CEO, aliwahi kukutana na mr new culture, na wakakubali kukubaliana kutokukubaliana

Kwenye hiyo meeting the existing CEO kwa jina lingine CEO wa sasa alikuwepo, na alishiriki kwa asilimia 10000 kufanya mazungumzo yale yafanikiwe! What people didnt know ni kuwa two CEO sponsored by the same investors were in a meeting to set the rules that will govern them in protecting their same investors interests!

Alipoingia the late CEO baada ya kudiscover the secret behind aliamua kuwashughulikia wote ili abaki peke yake! Katika kumshughulikia mr new culture alimvurugia biashara zake na kuwatumia vijana wake kumfilisi ili apige goti auze hisa za kampuni yake

"Mwamba" akatia msimamo akasimamia anachokiamini akagoma kuuuza hisa za kampuni yake!! Hii iliumumiza sana late CEO ni mtu aliyekuwa hapendi kabisa kubishiwa au kukataliwa anachokitaka!

Mr new culture akiwa representative wa wale investors ambao pia wameinvest na mr born town, alipitishwa kwenye moto mkali yeye na kampuni yake hadi kujikuta gerehani mara kadhaaa nakutoka!!

Kwakuwa kulikuwa na baraza la biashara la pamoja, late CEO alihakikisha mr new culture haingii tena kwenye baraza lile la biashara, na hapati uwakilishi wowote!! Hii kitu ilikuwa organised by branch manager wa makao makuu, kijana aliyeaminiwa na kupendwa sana na the late CEO!

Huyu branch manager alitoa maelekezo kwa branch managers woote wa

kampuni kuhakikisha kuwa kampuni ya mr new culture haipati nafasi ya kufanya biashara kwa namna yoyote ile! Nandicho walifanya kuhakikisha hapati uwakilishi wowote!!

Baada ya kumpigia simu mara kadhaa na kumshawishi ajoin the other side na mr new culture kugoma, Then the late CEO akaorder head securty wahakikishe huyu mr new culture anakwenda gerezani, lengo ni kusend the message to mr born town that he should be carefully! so they framed the guy but waited kama atasurrender or not kulingana na vitisho walivyompa!

Wakti new CEO anaingia one of the head securty aliamua kuendelea na plan hiyo, na akamshawishi CEO wamshtaki jamaa na wakamshtaki, jamaa akakaa gerezani kusubiri hukumu Baada ya kujua kuwa investors anaowataka wampe support kwenye kum win mr born town nao wana msuport mr new culture ikabidi amwachie.

Alipotoka tu New CEO akaomba meeting na mr new culture haraka sana!! Akamgusia juu ya anayotaka ayafanye, kwamba anaomba support yake yaliyopita si ndwele wagagne ya jayo na ikiwezekana amsemee vizuri kwa investors wake!!

Mr new culture alipotoka akamcall born town! Akamnotfy nini new CEO anataka, mr born town akacheka tu akamwambia dont worry she is my problem i will handle it!!

New CEO akatafakari kwakina how assistant wake aliweza kusurvive ile attack! Lakini akaconnect dot kuwa alipendekezwa na mr born town kuwa assistant wake

Akajua huyu ni mtu wa mr born town! Akampangia majukumu ya kufanya nje na mazi gira ya ofisi kuu!! Akataka kumfanya assistant asiye na impact kwake, yaani iwe ngumu ku collect data na kumpelekea mr born! It was too late! Assistant alisha timiza homework yake zamaaaaani!!

Sasa Mr born town baaday yakupokea taarifa kutoka kwa assistant CEO

kumhusu kijana ambaye ndiye anam advice new CEO na team yake what they did nikuwaretain!!

kupitia vijana wake watiifu baada ya kumbana kijana na team yake wailipata taarifa zoote za new CEO na what they have done so far!!

Without hasistating mr born town mwenyewe akampigia simu yeye mwenyewe new CEO, akamwambia we have to meet!! Sauti yake siku hiyo haikuwa ya kawaida kama sikuzote! So CEO alikuwa kwenye ziara flani hivi ilibidi aikatishe na kurudi haraka makao makuu!!

mr born town alifika headquators mapema sana, na moja kwa moja walipokelewa then walipewa private room na new CEO ilikufanya mazungumzo yao! mr born town akaingia mlendani hakutaka hata salam akfungua bag yake akamwaga kila kitu on the table! Kisha aka kaa kwenye kiti akatia nne yake vizuri sana And then akauliza a very simple question!

Are you in war with me ??

wakati anauliza swali hilo pembeni kijana mshauri mkuu wa new CEO alikuwa ameshakaaa, he looked very tired!! And confused!

New CEO kwa taswira aliyoina pale!! Akajiongeza and say no boss!! Not at all!! It was

STOP....., Mr born town akasimama akamwambia!! You have two choices, me or the other one!! I think you have gathered a lot of information to know what the other one means!!

Akasimama akanyanyuka akawa kama anatoka vile then akasita akasimama akamgeukia tena new CEO akamwambia, "and i can see unadetermination za 2025, it will not be a problem to us, as we are continuing to watch how you will behave!! Then Akatoka, yule kijana naye akanyanyuka akafuata nyuma!! CEO akabaki ameduwaa maana it was a very short meeting aisee!! Akaachiwa zile documents na flash zenye lot of

issues ndani pale mezani!!

New CEO baada ya kuzipitia zile lefted documents mezani! hakuamini alichokiona! Aliamua kuachana na kila kitu and decided to obey mr new born town!! Sababu from what she saw nikwamba mr born town ndani ya ile kampuni ni kama ALFA AND OMEGA

The dark days ... Mr new born town is here to stay!!

The lost pages in the Late CEO diary

Page 3 : ABDUCTIONS.....

Late CEO was dealing with all the people whom were critising him!! watu aliowashughulikia ni wengi sana, including kijana msema sana, assistant wa mr new culture and some news reporters whom were reporting negative issues about him! Some were found dead and some came back alive!

Sadly aliyekuwa akiaminiwa na kutumiwa kusimamamia mission za kudeal na watu hawa ni kijana wa the late CEO, branch manager wa makao makuu!

Huyu bogus alikuwa anapendwa sana na late CEO, sanaaaaa!! but ni mmoja ya wa watu wapuuzi kuwahi kuaminiwa na The late CEO, kwani mission zake zoote alizopewa kuzisimamia zilikuwa failed na ziliishia

kumchafua late CEO na kuwapa credit na holes mr born town kuplay dirty trick against late CEO

Iko hivi, baada ya branch manager wa makao makuu kuichafua taswira ya the late CEO kwa kuimplent failed missions za hovy hovy kwa baadhi ya critics wa the Late CEO, mr born town Aliamua kutumia loop hiyo hiyo kuendelea kuichafua taswira ya the late CEO na uongozi wake kwa kuplan issues na kuzi implent kwa kutumia inner cycle yake kwenye kampuni!

The master mind was like "huyu mtu anawapoteza watu wadogo wadogo sana wanao mkosoa na kujitengenezea taswira mbovu mwenyewe bila big headlines so why tusimsaidie kupata hizo headlines kwa kuact like tunataka kuwapoteza watu wakubwa while we are not"

So alitaka abductions ya famous people na Kulikuwa na top popular business figure ambaye ni kijana tu alikuwa ana own some small companies kwenye kampuni! alikuwa anajulikana na nikipenzi cha watu yote sababu ni mtu wa michezo sanaa! So alimatch the profile mr born town wanted!! Then kulikuwa na artist mmoja hv mzee wa mistari na vina huyu alijipatia umaarufu kwa critics songs zake dhidi ya late CEO

They decided kuanza na artist then akaja tajiri kijana! Kuhusu artist itakuwa ni page no 2 next narration

Ilikuwa hiv! Mr born town gave the task to his team! Both Inside the company and outside the company kum abduct kijana tajiri and create a huge dirty scandle!

After critical analysis, ili plan hii iwe succefful vizuri ikawa ni lazima kutumia trained outsiders Ku implement the mission!!

why outsiders!! Becouse it was easy to manipulate the story in the media especially when outsiders are involved!!

So what they did was hiring six men from BOTSWANA, simu ilipigwa south africa kwa mmoja wa good friends wa mr born town ambaye aliwakonect na hawa watswana!! hawa watu walikuja kama toorist na aliye wapokea is

one of the gentlemen from the born town team!

Walipelekwa kwenye one of the expensive hotel katikati ya mji then wakakutana na mwenyejiwao ambaye aliwaambia who was their target!! Bila kusahu kuwapitisha on how watamabduct target husika!!

They were very very surprised to learn that wanapaswa kumchukua target na kukaa nae kwa siku kadhaa then wamuachie tu!! They had never had such a mission!! But As long as it had good money for them they accepted the mission!! This people were retired military officers from BOTSWANA

iliandaliwa nyumba maalum kwa ajili ya ku mkeep target, na ilisisitizwa that Target asiguswe wala kufanywa chochote, ila purukushani za hapa napale anatakiwa azipate then he will be released!

Baada ya kulearn more about their target, na kuwa provided with lot of information on the target! This watu bana waliomba na wao kupewa siku kadhaa za kufanya maandalizi,

japokuwa walishapewa kila kitu kuhusu target wao they wanted to verify everything wao wenyewe, ili kama kuna errors kwenye taarifa na plan waliyo pewa wajue wanafanyaje kwa ufasaha!!

So walipewa two drivers, well trained ones, kutoka kwenye system kabisa ili kuwadiirect mazingira, njia mitaa and etc according to the plan!! So the first day wakiwa na toyota Alphard zao mbili nyeusi, these guys walianza kazi yao, na moja kwa moja ilikua ni kufuatilia daily routine ya their target.

Walijidivide in to two groups! One group ilikwenda karibu na makazi ya target, lengo ni kujua target anaamka saa ngapi na huwa ana toka saa ngapi na akitoka anaelekea wapi!! So Some photo of kijana tajiri were taken huku wa kirecord every activities they saw taking place at kijana tajirs' home!!

Group ya pili ilikwenda kutega karibu na ofisi ya kijana tajiri! Lengo ni kujua huwa anafika saa ngapi, nani anampokea, security patterns zake zikoje, anapaki wapi, anatoka saangapi and ETC!

Ufuatiliaji huu ulifanyika kwa siku kadhaa non stop And they were able to gether a lot of info in a very short time! After that wakaanza kukompare info zao na info za team ya mr late CEO ambazo tayari zilikwisha kukusanywa!!

Waliidentfy errors, strength and weekness of the whole Plan! Then wakaja na a very simple plan iliyokuwa well culculated na ikabarikiwa kuwa implemented

So wakajigroup tena in two groups, yaani two men wata kwenda kustay kwenye ile nyumba waliyopewa kumhifadhi target and four men with one local driver watapswa kum ubduct the target!!

Head securty wa main branch akapewa notification kutoka team ya mr born town kuwa vijana wake wakae mbali kwenye eneo la tukio if they were to be need watapewa taarifa wafike

They decided to ubduct tajiri kijana at his gym! Why!! sababu kwanza kwa mujibu wa surveillance yao siku chaguliwa ya tukio, tajiri kijana huwa anakuwa hana securty, hupenda kuwa alone!! Pili eneo analo paki gari yake nikaribu na mlango wa gym na kuna umbali kidogo kutoka huo mlango na walipo securty guards!!

Istoshe Kwakuwa walisha clean the roads, yaani maelekezo yako on air kwa askari wa kampuni kupitia team born town kuwa wanapaswa kuwa mbali na eneo la tukio maana watakuwa na shughuli yao maeneo hayo, it means they were assured freedom to do anything without hurting the target and interfearence yoyote ile

So early in the morning siku husika, tajiri kijana aliamka nowing nothing!! chap kidogo akenda kusali swala ya asubuhi then akjiandaaa kwenda gym!! Akatoka kwake akiwa alone anadrive range rover yake black metalic!

Kama mwendo wa dakika 6 au saba toka atoke kwake toyota alphard nyeusi iliunga tela nyuma yake just like a normal car on a normal drive!

tajiri kijana akiwa hajui lolote akadrive mpaka hotelini kwake kwenye anakofanyia mazoezi. So as ana park gari yake kwenye sport aliyotengewa na wenye hotel alinotice ile alphard nayo ikiingia ndani!!hakutilia maanani as he thought labda kuna aother gym mates wanashuka pia kwaajili ya matizi

As he was taking his gym gear na hata hajafunga na ku lock gari yake aingie ndani, ghafla walishuka watu wanne, wakiwa wepiga white mask with guns!! mmoja akawa anamfata kijana tajiri mwingine kakaaa karibu na mlango wa gari aka shoot risasi mbili hewani!! mwingine pia anaelekea kwa kijana tajiri akiwa ka mpoint na gun akiwa ana shout kwanguvu! "face on the ground i will shoot you, i say face on the ground"

Mwingine akaenda upande wa nyuma wa gari na short gun yake akiwa anaimarisha ulinzi wa tukio So kijana tajiri ikabidi chap kwa haraka alale chini! Jamaa akamwambia tena "hands behind your back and dont say shit i will shoot you"

kijana akabidi awe mpole akafata maelekezo vizuri kabisa, chap kwa haraka yule mmoja akabend, goti kwenye paja za kijana tajiri ambaye wakati huo amelala kifudi fudi mikono ipo kwa nyuma, akamshika mikono yote miwili iliyo nyuma kisha akampiga pingu chap then aka add na kamba kwa haraka sana!! Akatoa sign kwa mwenzie kuwa tayari kesha mtight bwana mdogo!! Then akafungwa kitambaa kizito hivi kwenye macho!

wakamnyanyua kijana chap chap, kokota mpaka kwenye gari kisha kumrusha ndani ya gari! nawao wakajump in chap sanaa!!

Ile Gari ilikuwa na uwazi pale kati kwani baadhi ya viti vilikuwa vimeng'olewa ili kupata nafasi ya kumuweka vizuri. ilipigwa kona moja hatari sana ya gari kugeuza walikotoka na kupitia geti hilo hilo waliloingilia na sio kule walikokuwa wanapaswa kutoka

safari ya speed kali ikaanza haraka kuelekea kwenye nyumba iliyoandaliwa

kwa ajili ya kumtunza target!! Humo ndani zilikuwa nikelel za kutosha!
Kijana tajiri ni anawekewa guns on his head, vitisho makofi kidogo kila
akijaribu kuongea nao anaskia "shut up"

Wakati huo huo as gari ina move, kazi ya kuchana chana nguo zote za
kijana tajiri alizokuwa amevaa kwa kutumia kisu aina ya CIVIVI cognet
button lock flipper pocket knife, 14c28N blade G10 handle ilikuwa
inafanyika na kuzirusha nje !!

Kijana Akabaki mtupu, yaani kama alivyojaliwa kisha bug scanner
ikapitishwa kuangalia kam ana trucker ya aina yoyote ile mwilini mwake,
wakakuta na kujiridhisha zaidi ya five times kuwa hana! So safari ndio ikaaa
rasmi kuelekea kwenye mjengo!!

Baada ya kufika chap wale wawili waliobaki walipewa notfcation kwamba
jamaa wako getini, walishuka kuwafungulia wenzao, walimshusha kijana
tajiri haraka sana then akapelekwa kwa room mmoja ya juu!! Akaongezewa
kamba miguuni ambayo ikawakonekta na mikono Akawa ameachwa pale
room still blinded!!

Mudawote alipo kuwa akijiribu kuwaomba wamuachie alikuwa akitishwa
nakula vitako vya bunduki kadha wakadha na kuambiwa akae kimya!!
Lugha iliyokuwa inatumika ni english mixer kitswana!! Japo Some knew
broken swahili

Notfcation ikatumwa kwa team born tow kuwa the target yuko tayari
kwenye himayayao!! Team born town haraka sana ikaanza rasmi stage two
ya lengo zima la tukio hilo ambalo ni kuendeleza sifa ya late CEO na kijana
wake ya ku abduct watu but this time kumbe sio wao

So team kupitia watu wao wa mtando waka notify public kuwa kijana tajiri
na maarufu ndani ya kampuni naye amekuwa abudcted!!

Notification hizo zilienda na speculations kabisa kuwa suspect wa ilo tukio
ni branch manager wa makao makuu chini ya mwavuli wa the late CEO na

kwakuwa branch manager ashajulikana kwa matukio yake ya hovy hovy kama hayo, public haikusita kuziamni speculation hizo!!

Key figures kwenye mitandao wakupewa info, hash tags zikaanza kutembea!! #bringbackkijanatajiri bila wao kujua wanacheza ngoma ya ngomani ya mr born town and his subordinate, lengo ni kuendela kuput na kupush agenda ya bad image kwa late CEO iliyoa zishwa na kijana wake yeye mwenyewe kwa kuendesha mission za hovy hovy zilio fail na kumchafua late CEO!

Baadhi ya media pia, deep owned by mr born tow nayo zikawa subjected to promote tukio zima

Head securty aliyejua mchongo mzima baada ya kijithibisha tukio lishakamilika akafika hotelini pale na baadhi ya securty guards wake kwa mbwembwe sana, tayari target kesh disapear!! Zikapigwa tapes pale zile za njano za crime scene kulizunguka gari la tajiri kijana!!

Wakaweka labels kwenye ushahidi wao wa mchongo maaa kuna vitu vya kijana tajiri viliachwa kwenye gari including simu yake! wakati huo kijana mmoja alikwenda kwenye hotel securty room akijidai anataka memory cards za cctv camera as evidence, akapatiwa kumbe anakwenda kutemper nazo!!

kulikuwa na local securty team iliyopewa jukumu la kuwa kama back up na walinzi wa aeneo alilofichwa kijana tajiri until lengo litakapo kamilika! Hii team iliifanya kazi hiyo kwa umakini mkubwa sana!!

Kijana tajiri alipofikishwa kule ndani alikaa kwa zaid ya siku kama nne!! Katika siku hizo Huku nje agenda kuu ni the late CEO amteka kijana tajiri, na aliye kuwa ana pionier agenda hiyo ni team mr born town wenyewe!!

Kijana akawa anawaomba kama wanaitaji pesa awape wamuachie maana fedha hilo sio tatizo sana kwake!!

Jamaa hawakuwa wanamjibu, wao walikuwa zao kimya tu!! Maana maelekezo ni kumretain tu then ku mrelease!! Wakawa wanampa chakula

kijana tajiri ikafika mhala akasusa! akawa hataki, yeye ni kulia tu na kuomba aachiwe!

Sasa late CEO baada ya hii taarifa kuzagaa, na kuwa kubwa ilimkera sana!! Maana sio yeye aliyeagiza hii kitu na hajui chochote akawaita head security wake wote ofisini, akawahoji whats goin on? Wakadai wapo kwenye investigation kuna tips wanazo wanazifuatilia!

akawaambia huyu ni public figure, nawapa masaa 24 either apatikanae au mnieleze yuko wapi!! Na nini kinaendelea!! Mzee Akamwita na kijana wake akumuuliza kama anahusika, kijana akasema haja husika!! Nawala hakuna mtu kwenye task force yake aliyo iunda amefanya ilo tukio, Kijana akasema nayeye anazama ndichi kutafuta taarifaaa

Sasa kumbe aliowaita pale yaan hao head security baadhi yao waliokuwa wanajua the whole scenerial! waliandaa dramma za hapa na pale kupass time kutimiza lengo lao ambalo ni kuendela kuchafua image ya late CEO!!

Hizi drama zikawa zinaendelea tu! late CEO zikawa hazimwingiii akilini!! Akaandaa timu behind the scene ya kuchunguza the whole situation!

Wakati utafiti wake unaendelea mr bortn town na team mtandao, lengo lao lilikuwa limesha kamilika kwa kiasi kikubwa kwani joto la kumdai kijana tajiri lilikuwa at very high centigrade,. Kila mtu kila kona akawa anamtaja kijana tajiri na kumlaani branch manager na late CEO kama wahusika!

So Kwakuwa lengo limetimia wakaamua kijana tajiri awe released chap!! Ikizingatiwa na afya yake kule ndani inazorota baada ya kugoma kula!!

wale jamaa wapakewa taarifa kuwa time ya kumreleas kijana imefika, so wakaambiwa na wao wapark their bags tayari kuelekea nchi jirani kwa ajili ya flight yao kwenda south africa then botswana!!

wakamchukua kijana tajiri tia kwenye gari chap chap!! mida kama ya saa tisa za usiku wakatoka naye as wana toka cleaning team nayo ikawa inaigia kwenye ile ile house na kazi yao ikawa ni kuhakikisha hakuna ushahidi utakao wa identify wale outsiders.

Wale jamaa wakaenda wakamdrop kijana tajiri kwenye viwanja maarufu tu town pale then safari yao kupitia kilimanjaro as toorist kurudi kwao ikawa imeanza rasmi

baada ya kumdrop pale taarifa chap ikatumwa kwa team mtandao kuwa kijana tajiri tushamuachia kazi kwenu!!

Team mtandao ikaenda mtandaoni wakatoa taarifa kuwa kijana amepatikana!! Chap habari zika anza kuspread kwa kasi ya six G maana team mtandao iko vizuri sana kwenye kazi yao!! Speculation pia zikawa released za kutosha!!

Picha kadha wa kadha zikanza kuwa relased zikimwonesha kijana tajiri yuko kwake salama wa salmin na head securty wa makao makuu ambaye 100% alihusika na mchezo mzima wakinywa chai!

Late CEO ikawa haimuingii, yaani huyu katekwa na kaachiwa bila kutoa chochote how?? Alipotaka updates, Securty wake wa mchongo wakampa taarifa kuwa kuna kikundi cha watu did this trick ili kumchafua yeye na uongozi wake!!

Aliyempa hiyo taarifa ni head securty ambaye deep pia ni tawi la born town!! Na akasema wanawaidentfy moja baada ya mwingine ili kuwa shughulikia woote waliofanya hii kitu!!

Late CEO hakuamini kirahisi, after deep collection of info kupitia team yake alijua tukio hilo lilisukwa na one of his people

katika moja ya hotuba zake kwenye kampuni akiadress mambo mbalimbali ya kiutendaji, aliwanyooshea kidole moja kwa moja head securty wake na kuwaambia live kuwa hawa watu wa hii kampuni sio wajinga wanajua wanayo yafanya na kama hawatasema live basi moyoni watasema tu!!

Haiwezekani mumkamate dereva, muijue nyumba aliyotunzwa kijana wetu tajiri alafu mshindwe kuwatumia hao watu mliowakamata kujua who was

behind the whole situation!!

He was very maaaaaad!! And deep investigation under his order was established!!

But lengo la born town lilikuwa limetimia!

Dad, i think we need to take this boy sereous! He is talking about your education, convinsing people that you dnt have experience and bad enough he is saying that your reserach is a fraud dad! Just let me do something!

Ok! Yes nimemsikia, i dnt think it will be right for you to be envolved in this matter, there are people dealing with him!

That was like mara ya nne mr branch manger was calling his (dad) late CEO demanding go ahead to discipline this boy anaye onekana kama ana mhumiliate baba ake!!

The lost pages in the late CEO diary

Page 2 (part one)

Dad, i think we need to take this boy sereous! He is talking about your education, convinsing people that you dnt have experience and bad enough he is saying that your reserach is a fraud dad! Just let me do something!

Ok! Yes nimemsikia, i dnt think it will be right for you to be envolved in this matter, there are people dealing with him!

That was like mara ya nne mr branch manger was calling his (dad) late CEO

demanding a go ahead to discipline this boy anaye onekana kama ana mhumiliate baba ake!!

Branch manager, the loved step son by late CEO mwanzoni kabisa was just a normal guy!! He was unpopular with nothing! coming from a very poor family!!

Katika kujitafuta na kutafuta maisha yake he saw an opportunity ndani ya kampuni! But he didnt know anyone to hold his hand ili aifikie lengo lake!! Na lengo lake nikuwa kiongozi mkumbwa ndani ya kampuni!!

Mr born town alikuwa na vijana wake aliowapenda sana!! Mmoja aliwish aje awe CEO na alikuwa akimtrain nakumpitisha kila hatua muhimu ili awe CEO baadae!! Branch manager saw this, na akafanya kila jitihada za kujiatachi kwa kijana wa born town!! Maana aliiona future yake kupitia kijana wa mr born town

kwa kiasi kikubwa alifanikwia sana kujiatach kwa kijana wa born town and letter on kwa familia nzima ya born town!! Akapewa nafasi ya udesk officer ndani ya kampuni!! Aliifanyia kazi hiyo ipasavyo!!

Katika kipindi chote hicho branch manager a.k a desk manager alijitahid sana kuingia kwenye cycle ya born town! Hii ilimfanya kupata access ya details za how mr born town was running the show!

Alipata bahati yakuwa recruited katika mission ya kumtermiante mr bright

Who is mr bright!!

Flash back

One year before election ya late CEO, mr born town alikuwa kwenye wakati mgumu sana!!

Why???

Yeye ndio alikuwa CEO na katika kuwa CEO alikuwa na marafiki zake wawili wakaribu sana!! Hawa ametoka nao mbali sana kwenye ups and down wako wote pamoja!! hao ni mr bright na mwingine ni mr diplomatic!

Mr bright was everything!! Yeye ndie aliyemtafutia investors and connections na ndiye aliyekuwa adviser mkuu wa born town!! Yaani leo mr born town asinge uonja u CEO kama sio jitihada za mr bright!!

Mr bright was very loyal to born town, he did everything to ensure kwamba born town anakuwa born town kweli and the plan was kuwa after born town kustaafu u CEO bas yeye ndio alipaswa kuwa CEO! So he sucified a lot for mr born town!

Sadly He didnt know how born town was, behind the scene!! This guy vision was biger than what mr bright thought!!

Baada ya born town kuwa konected na investors wa nje na kupata all konection nyingine zote za muhimu through mr bright, he did him dirty to ensure his empire through his vision!

Iko hivi; mr born town assistant wake mkuu enzi ya u CEO wake alikua ni mr bright!! This man alifanya kazi kweli kweli! Mpka kuanza kuwa maarufu kuliko born town!! And alifanya vile kujisafishia njia kwakuwa he knew kwamba after born town kustaafu u CEO basi it was yeye awe CEO

Hii haikuwa nzuri kwa born town and his vision to become a god father of the company! Secretly without knowing, born town formed a group behind the scene!! And this group head wake alikuwa ni mr diplomatic! This group their main agenda was to block mr brights ambitions to become a CEO of the company!

Why??

Mr born town felt that if mr bright becomes the CEO with all his connections, experience and exposure he will become a true godfather of the company and yeye will be out of the map! He saw mr bright as a threat and not as a close friend!!

So he decided to find one close family member who is very loyal to him and he is in the company to help him dealing with mr bright!

He came up with mr diplomatic! A family member and another true friend!! Walifanya mazungumzo marefu kidogo na wakakubaliana kuform a task ku deal na mr bright! na wakakubaliana wa deal naye outside and inside the company! akapewa kazi ya kuzisuka vizuri outside connections ili zimsahau mr bright! Yaani wa disconnect mr bright na outside investors!!

The guy did an excellent job!! aliweza kuturn the table kuwafanya investors wamkubali zaidi mr born town na sio mr bright tena!! investors walipewa mikataba minono minono ndani ya kampuni, kuanzia kwenye kampuni tanzu za gas, minerals, and etc na kuwa tengenezea mazingira ya kupata a very big profit!!

Kukubalika huku kulimfanya mmoja wa president wa kampuni kubwa sana duniani kuja mwenyewe kucheki uwekezaji wao kwenye kampuni hii, jambo ambalo sio la kawaida kwa mtu huyo kutembelea kampuni ndogo ndogo kama za mr born town!!

Mtu huyu ni very important na duniani kote wanajua hilo! Jamaa likuja na

lot of connections ambazo only mr born town alipata access ya kuwanazo under the director mr diplomatic

baada ya kufanikisha kwa kiasi kikubwa kuwavuta all outside investors wa nje kuwa under born town, ikabaki ndani ya kampuni!!

Hapo ndipo branch manager anaingia!! kupitia mr diplomatic walileta kampuni ya mchongo ikuje iinvest kwenye kampuni then mr bright akapewa jukumu la kuhandle the whole process za hao investors kwa baraka za mr born town mwenyewe!!

Kwakuwa mr bright alimwamini sana born town na akijua ni his best friend for life alisimamia mchongo mzima akijua ni mchongo wa muhimu kumbe alikuwa anachoresywa!!

Iko hivi mr diplomatic and born town waliunda kampuni hewa nakisha kumvisha ownership mr bright!! Then mr bright alitwa na born town since ni close friend na wanaaminiana 100% akajifanya kama anampa mchongo kuwa kuna kampuni anaianzisha na lengo kuu nikukusanya fund kwaa jili ya coming CEO election! Akamwomba yeye yaani mr bright awe msimamizi wake!!

Akapewa all details na akapewa freedom ya yeye kufanya kila decision without concern ya mr born town!! Since jamaa wametoka mbali na wanaaminiana, mr bright akaona haina shida mzigo ataupiga na kwakuwa fund hiyo ikiwa collected itakuja kutumika pia kuongeza nguvu ili yeye awe CEO!

So akaipokea ile kampuni na kwa order yake kama mtendaji mkuu pale kwenye kampuni akaorder ipewe tenda ya kusambaza maji kama kwa wateja maana kulikuwa na shortage of water! Kampuninilileta pump za mafuta za kusukuma maji ilikuondokana na uhaba wa maji!!

Sasa kila siku kampuni ilipaswa kulipwa zaidi ya milioni 100 kwa kusambaza maji lakini pia kampuni ilipaswa kulipwa kwa kutumia mitambo yake kusambaza maji!! Shida kampuni haikuwai kuomba tender haikuwai kushindanishwa na kampuni yoyote, bali ilipewa tu tenda ya kufanya kazi na aliye sema ipewe tenda ni mr bright chini ya maelelekezo ya mr born town his close friend!!

Baada ya kumchoresha hivyo, mr born town na mr diplomatic wakamtumia kijana wao branch manager kuvujisha documents zooote za investment ile ya mchongo kwa mr new culture na team yake na document zote zikionyesha mfanya maamuzi yooooote kwa kampuni ile ya mchongo ni ni mr bright yaani hakuna mahala CEO mr born town ameonekana akifanya maamuzi!! Lakini pia document zikawa zinaonyesha mmiliki pia wa kampuni hiyo ni mr bright kwani ana hisa zake kwenye kampuni la mchongo

Team ya mr new culture wakaenda kwenye kikao cha board na document zao walizo vujishiwa na mr branch manger wakamwaga ugali na mboga, kampuni ikatikisika, kila mtu akawa anashangaa how mr bright ameweza kufanya haya yote bila mr born town kujua!!

Branch manager ankawa anazunguka kila mahala ana elezea namna mr

bright alivyo tafuna fedha na kampuni la mchongo, mr new culture na tema yake wakaandaa na list ya wanao kulahela za kampuni wakamjumuisha na mr bright, ingawa walimtaja mr born town ila mr bright ndio alitawala midomoni mwao!!

Mwenyekiti wa board akaagiza tume iundwe kumchunguza mr bright, mwenyekiti huyo wa board akapewa maelekezo, tume wakapewa documents kama zilivyo, wakafanya uchunguzi bila kumpa nafasi mr bright kujielezea wakalipuka nazo na tuhuma nyingine kadha wa kadha

Mambo yakawa mambo kila kona akawa anaimbwa mr bright kuwa yeye ndio mlapesa mkuu wa kampuni ilipofika wakati wakujielezea mr bright kwa ufupi sana alijielezea na aka jiuzuru nafasi yake kwenye kampuni kama mtendaji mkuu na kusema amesikitishwa na kilicho tokea!!

Wakati akijiuzuru hakuficha, aliusoma mchezo na akasema wazi kuwa kuna watu wamemuundia zengwe la kumchafua na tatizo sio yeye tatizo ninafasi aliyonayo ndani ya kampuni na kwakuwa wameamaua hivyo acha awaachie nafasi yao!

Team ya born town haikuishia hapo iliingia mtaani nakuendelea kumchafuar bright, lengo nikuhakikisha anakosa kabisa sifa ya kuja kuwa CEO, na waliotumika kufanya hivyo branch manager na mr new culture and his team!!

Baada ya kumchafua mr bright, jamaa ambaye alikuwa anaushawishi ndani ya kampuni tena mkubwa sana tu, kundi kubwa sana lilianza kuhoji kuhusu the whole scandle!! Hii ilipelekea mr bright nayeye kushtuka na kuanzisha

investigation yake mwenyewe, akagundua the whole thing was plotted by born town na shida ni u CEO!

Na tayari jamaa kesha mzunguka huko nje kwa investors kesha mchafua kwani na baadhi ya investors hawapokei simu zake!!

Mr bright akajiapiza kwa hili alilofanyiwa na mtu ambaye amejitoa kwake kwa hali na mali, iwe anataka au hataki, iwe mvua iwe jua yeye anakwenda kuwa CEO!!

kwanza uchumi wa kufanya hivyo anao, na still anakundi la wafuasi wakutosha ndani ya kampuni ambao wameshagundua lengo la mr born town!!

So mr bright formed a team, hii timu ilikuwa na nguvu asikwambie mtu! Team ilipewa pesa kila panapo skika mr bright anachafuliwa wao walikuwa wanasafisha, makala zikaandikwa mdogo mdogo za kumsifia mr bright kutokana na uamuzi wake wa kujiuzulu mwenyewe!!

Wafuasi wakaongezeka na kuongezeka!!red light ikaanza kuwaka kwa mr born town!

Wakati huo mr born town alikuwa ameweka mihadi na mr diplomatic kutokana na kazi kubwa aliyoifanya ya kumuondoa mr bright kwenye ramani na kumchafua vile basi yeye ndio ataukwaa u CEO, maana kwanza

ni family member lakini pia he was also tooo loyal to him hivyo ile vision ya born town ya kuwa the true godfather itaendelea kuexist

So Mr diplomatc akaanzisha team yake na yeye ya kupambana na mr bright!! mr born town alikuwa akimsuport mr diplomatic behind the scene!! Kutokana na uzoefu na ushawishi mr bright alianza kuelekea kumwin diplomatic na mr born time!! Jamaa alijipanga haswa kumfurusha born town na kama angeupata u CEO born town angekuwa born bush!

Mr born town alitikiswa haswaaaa, yaani nusu ya kampuni was in favor of mr bright, nusu nyingine iliyobaki robo ilikuwa kwake na robo kwa wengineo!! Alijikuta jamaa amesha washawishi boards of directors karibia wote na wako upande wa mr bright!

So siku ilifika ya kufanya uamuzi nani akapambane kuwa CEO, mr bright tayari anasupport ya 70% ya board members!

kati ya siku ngumu kwa born town ilikuwa ni hiyo! Kwanza alikuwa anawaza atakachofanywa na mr bright akifikilia jamaa alivyokuwa loyal kwake alafu nayeye alichofanyia aliona mambo yanaenda kuwa magumu sanaaa!!

Walipoingia ndani ya meeting ukumbi ulilipuka unamtaka mr bright!! Watu wanaimba tu, wanamtaka mr bright! Kundi lingine nalo linaimba lina mtaka diplomatic ! Wakati huo, branch manager alikuwa ni moja ya vijana wako team born town na wanamkandya kweli kweli mr bright kila sehemu wanamchafua!!

The power full CEO kabla ya born town kwa ukali ikabidi asimame na kuzuia kilichokuwa kinaendela mbele yake!! Wakaitana chemba viongozi wakuu wote, Wakati huo mr born town hataki kabisa kuskia habari za mr bright anakuwa CEO! robo tatu ndani ya kampuni haimtaki mr diplomatic awe CEO, wnamtaka mr bright!!

so mr power full CEO akaomba list ya wote walio omba u CEO, kwa ubabe akawachambua mmoja baada ya mwingine then akawambia mr born town, pamoja na viongozi wengine wa muhimu wa kampuni "wewe si ndio CEO, hapa tunaangalia maslai ya kampuni na sio ya upuuzi wenu! sasa nasema hivi, kata jina la mr bright, kata jina la mr diplomatic weka hawa ambao hawana uteam wala wafuasi msitake kuichezea hii kampuni mtatuleta shida"

Alipomaliza kuongea vile akatoka nje, viongozi wengine nao wakamfuata nyuma! mr born town akaangalia akasema hii iko sawa akaona ushauri ule atatibu mpasuko uliojitokeza kwamba pande zote pinzani zitaonekana zimeshimdwa! Ila kwakuwa yeye kesho build connection, vision yale iko pale pale atajua namna atakavyo deal na CEO mpya!! so akaenda nje akwakatangaza mamuzi hayo ambayo yalileta sintofahamu kubwa sana!!

Chap akili ikamzunguka, akaona ampe support late CEO, support ikakubalika late CEO akapewa u CEO, then late CEO akaomba ushauri kwa born town nani awe run up wake!! Born town akapiga katika utosi akamshauri amchukue deep informal bila critical analysis late CEO akajikuta amejaa kwente trap ya born town Baada ya kumkubali deep informal

So Mr bright kwakuwa nia ya kumuondoa born town alikuwa serias na plan A isha feli akataka kwenda na pln B, nayo ilikuwa ni kuvujisha mambo mazito mazito yote yanayo mhusu born town kipindi choten alichomfahamu lengo ni wachafuane tu!!

wakati yuko kwenye kutaka kuimplement the whole plan, mr born ntown alishapata taarifa what was coming!! akawa kampandia hewani mr new culture! akamwambia nataka niwape milage ya kijikampuni chenu kama mko tayari, mr new culture akauliza kivipi?

akamwambia "nyie hamtaka mje muongoze hii kampuni mr bright ana konections na anawafuasi kwanini msimchukue awe representative wenu!! Mtapata pata hata board members then mnaongeza posho huko na kujulikana julikana!!

Mr new culture baada ya kupokea ushauri ule akachekei akaona nikweli kuwa kuna ka advatage kama wakimtumia mr bright! So akamuuliza mr born town wanafanyaje kumpata mr bright kwani tayari hawako in good terms na yeye! Born town akawaambia watulie atawarudia!

Born town picked up his phone akampigia mr bright! Mr bright hakutaka kabisa kupokea sim ya born town he was very mad!! baada ya watu wakaribu sana kumfuata na kumshauri sanaaa then akaamua aipokee simu ya mr born town

Mr born town akajishusha kama vile sio yeye yaani! Akasema bwana najua nimekukosea sana but sie ni binadamu tusameheane! Mr bright akawa mkali kidogo akasema ushanichafua sana tunasamehana aje!

Born town akajishusha akamwambia what if walio kuchafua watakusafisha, he played like sio yeye aliyekuwa anamchafua and then aka mhakikishia utulivu, good investment plus huge profit from the company!!

Mr bright wantend to know atasafishwaje! Lakini pia urafiki wake na born town ukawa umerudi ila kwamashaka!

Jamaa akamwambia akina mr new culture wako tayari wewe uwe their representative kwenye kinyaganyiro cha kumpata CEO, wamekuwa wakiwapigia simu watu wangu wakiomba namna ya kuwakutansha, kwakuwa wao ndio walikuwa majukwaani wakikuchafua , watatumia majukwaa hayo hayo kukusafisha wape nafasi wakusafishe Na still ushinde au usishinde naahidi kuto kuku weka kando kwenye investments za kampuni stil wewe na mimi tutabaki kuwa the god fathers of this company!!

Mr bright alimsikiliza, baada ya mazungumzo ya muda mrefu na mr bonrn town na watu wake he accepeted the deal! Kwanza aliona anakwenda kusafishika lakini kutokana na afya yake aliona isiwe tabu acha astopishe mashambulizi yake a play along while anajimobilize!! Lakini hata ofa aliyo pewa ilikuwa nono if he accepted the deal

So Mr born town called again mr new culture na kumtonya kuwa wao waende tu wakamuombe mr bright msamah then atawakubalia tu, akadai kwa sasa hana option ya kuwakatalia na anautaka u CEO!

new culture akamjibu pale pale najua UCE hamtupi ila Board members tutapata? Born town said yes!! so mr newn culture akaitisha kikao cha ndani kwenye team yake, akawaambia kuhusu mpango mzima! Wapo waliompinga na wengi wakamkubalia maana wanamjua jamaa! So akaenda wakamuomba, mr bright akakubali mtanange ukaanza!!..

Baada ya kampeni za aina yake, mr bright alishinda uchaguzi ule! But kama kawaida born town na mr bright played their game, and late CEO was announced as a winner while mr bright akisafishwa na wale wale waliomchafua as it was planned!! Ishu ikabaki ku deal na late CEO as new CEO!

Sasa Baada ya late CEO kuchukua u CEO kutoka kwa born town branch manager, alianza kuhamishia majeshi yake kwa late CEO kwa umakini mkubwa but Miezi sita ya mwanzo kijana played as the middle man! Taking info in both sides!! Akiangalia nani ananguvu in decition making concerning with company matters

Baada ya kumstudy late CEO na kuona kuwa ana plan za kuwa imortal CEO wa kampuni, yaaani hana mpango wa kuondoka madarakani kijana akamgeuka born town chap na kuanza kufeed some info to late CEO, kuna baadhi ya detals za investments za born town and his family ndani ya kampuni alizozipata , akawa amemmwagia zote late CEO!

Pia info za watu in the company ambao branch manger before alikuwa akikutana nao kwa mr born town wakipeleka taarifa au wakishauriana kuhusu mambo kadha wa kadha kuhusu biashara au investment ndani ya

kampuni,

kijana aliwaa identify wote na alimpa hizo names late CEO, na yeye alifanya a very critical analysis and investigation on each name na ku prove kuwa kijana wake alikuwa hatoi amaboko bali alikuwa anampa true info!!

Mfano kuna mkuu wa taasisi ya kampuni iliyokuwa inashughulika na ujenzi wa nyumba za wafanyakazi na kampuni, huyu alikuwa mtu wa born town sanaa, na alikuwa anakutana sana na born town mara kwa mara na branch manager amemshuhudia mara kadhaa, late CEO baada ya kupewa hint na branch manager alimchunguza na kuprove kuwa jamaa ni loyal sana kwa born town na ujenzi wa nyumba nyingi za kampuni Uliokuwa unaendelea ulikuwa wagharama kubwa ambayo ghara hizo kumbe zilikuwa zajuu ili zipatikane pesa ambazo zilikuwa zinaingia kwenye accounts za born town outside the company !! So late CEO akamla kichwa na kupiga marufuku ujenzi waina toyote bila idhini yake!

Hii ilimpaisha sana kijana nakupendwa sana na late CEO maana taarifa zake zilikuwa genewine, Ali msnich vizuri sana born town kwa late CEO. Ikafika mahala umwabii kitu late CEO dhidi ya huyu kijana msema kweli kwake na aliyemsaidia sanaa kuwaidentfy wa hujumu wake ndani ya kampuni!!

Ilifika mahali mpaka board of directors wanamwogopa branch manager!! Na yeye alideclear live kuwa he is more important than all board of directors!! And kama wanabisha wajaribu waone!!

Sasa mmoja wa assistant wa mr new culture ali rise a very hot topic in social media discussing the late CEO level of education!! Aliamini kuwa elimu aliyonayo late CEO ilikuwa ya mchongo!! Haikufuata taratibu kufikia level hiyo ya education

Alileta lot of facts with evidence to prove his ideas and to some extent he was saying the truth! And why was he saying the truth, because all the fact he delivered were true facts as they were gathered behind the scene from born town team ikiwa katika jitihada za kumdirty late CEO!!

hili halikuibuka tu, it was all planned by mr new culture himself Katika kutafuta njia ya kuzidi kuwa popular kwa customers wa kampuni nkujiiondoa kwenye kashfa ya kumsafisha mr bright!!so walianza kum attack late CEO in differet ways na hiyo ilikuwa moja wapo!!

Walianza wao kama wao then they were supplied with evidence from mr born town team! Remember this two are rrivals,(new culture and born tow) but they get funds and suport from the same investors!! So when their investors interests are in jeopardy lazima wa team up behind the scene to make the company greait again !!

So after assistant wa mr new culture ku spit too much facts, enough was enough the decition was made to deal with him and all the magazine and medias whom were publishing his stories!!

so the phone rang!! Branch manager picked it up"take care of this boy make sure he learns his lesson sawa!! !" Yes dad he will!

Branch manager akawa kapewa go ahead na late CEO akasimamie shughuli nzima ya kudeal na kijana!! He was very happy. He decided to call his task force yake ya watu 14, among them, two guys were ITs toka head security agency ya kampuni!! Others were just officers from the late CEO security agency!!

I have plan for 2025!

But first we need our returns!! We have lost a lot of money because of late CEO!

Sawa mzee basi tutaonana!.....

New CEO received a note! There is this mzee (minister) in the next wing wants to see you before group general meetings! He says its urgent!

New CEO baada ya kuona jina la mzee, she said okay prepare the meeting i need to hear what he has to say!

So mzee was told, new CEO has agreed to meet him At company general meetings and he was told when and how he will meet the CEO. Alisisitiziwa tu ahakikishe anakuwepo kwenye hiyo meeting!!

Mzee said okay and waited for that day! So the day came new CEO traveled to new company head quaters for the general meeting! After breakfast Mzee was told to come and meet new CEO it was a very secret meeting! Unnoticed one!

The meeting was done in a very secret place untrecable!

Karibu mzee! Naona umenitafuta sana!

Yes mwanangu nimekutatfuta, and without kupoteza muda Kuna mambo very sensitive nahitaji tuyazungumze! Na hayo nayazungumza kama mimi sio cheo ulichonipa!

Okey! Nambie!

First you should know i know everything that happend last year! I know everything since i am among those who coordinated the plan!

Your in that position today becouse of us!

New CEO akabaki kama anashangaaa! mzee hakuwa na kona kona he was straight foward and very sereous!!

Now nimekuja hapa becouse kuna vitu haviko sawa in this company And ni muda sasa i and others, we want viwe sawa sawa! And it is you whom will make them sawa!!

New CEO akauliza vitugani and HOW?

Listen, tunajua ulitaka kumtoa out of the system mr born town! But this man is smart na anawatu every coner! Including me and others! You cant just get him out of the system with the same people in the system whom adore him and they under his payrole!

Na tunajua nikweli unataka kuendela kuwa CEO of this company until 2030! Tunajua sababu mimi na wenzangu ndio tumekuinvestigate wewe since the first day unakalia icho kiti,

Hata kijana uliyekuwa unamtumia mwanzoni kuimplent plan yako aliyemkamata na kumhoji na kukusanya all info ni mimi even before born town hajaja hapa kwako kuku tisha! Sisi tunajua kiwa Your suporse to be in power up to 2025!! And still that is a plan hakuna kilicho badilika

I know mr born town alikuja hapa akakupa every thing ulifanyia behind the scene! Najua alikutisha sana, And promissed you that kama utafollow his leads you will be in power till 2030, he was lying! I am the one who collected every info in your office!

Hata mazungumzo mliyo yafanya that day mie ninayo yote!! Kila unachokifanya hapa au mjini mimi ninacho! Na lazima born town akipate anakipata kile ambacho mimi nimekisikiliza kwanza kisha na mpatia!!

Unawasaidiz wako wawili hapa acha huyo anaekaa nyuma yako huyo ana note kila unachofanya nakutoa report kwa kijana wangu then inakwenda kwa born town! Tunajua unakula nini kila siku, tunajua unaongea nani kila siku! Hata hii meeting nimeischedule mwenyewe vijana wanaagaika kujua unaongea nani humu ndani saiz waandae report iende kwa mr born town!!

Hapa ninapo zungumza nina acces ya what will happen to you in 2024 sito kuambia leo ! But you have to listen! I am here to help you takedown mr

born town!

CEO akawa kama anatetemeka hivi baada ya maelezo hayo mazito toka kwa mzee!

Sawa mzee umekuwa open sana! Kwanza nikushukuru kwakweli, sikuwahi fikiria how powerful you are and sikuwahi kujua how deep your envolved in this company!

ila sasa i have made my decition, i will be the CEO of this company under mr bornntown's leadership! i dont want to mess with that guy any more! If he doesnt want me to be in power as CEO i will step down!! Thats all! Staki ugomvi na huyu mtu!

Okey! Nimekuelewa! Ila unahitaji kulitafakari jibu lako tena, let me ask you!! What if the plan is worse than to take you down from being the CEO? wewe si umefanya kazi na born town? Ujui kuwa huwa kinyongo chake hakiishi? He can smile at you but once you did him dirty he will twice dirty you?

Wewe ulienda msiliba kwa outside investors, and some wamepull out their investment from him! Wako dilemma waitng for your next move! Do you know how much amepata loss? Dou you know how much he hates you for that?

Wewe umeappoint baadhi ya watu kwenye office nyeti whom he didnt tell

you to do! Unajua ninamna gani amegadhabika??

Trust me! Kuendelea kumsikiliza na kufikiri kuwa mko sawa na ameshakusamehe ni ujinga uliokithiri!! wake up! Your in his trap! Am here niko kwenye cycle yake! I know what he wants from you, when and how!

Na leo hii atakupa jina la mzee tembo Kuwa assistant wako upande wa board! Anataka a close eye on you! Jina utaletewa muda sio mrefu! After this meeting! Kama tutamuacha atambe hivi its wrong. You have the power to do something why unaogopa?? Once and for all let us remember you for taking him down and make the company free!

Sawa mzee nimeelewa but let me ask you this question! Unataka kunisaidia kwenye hili but what will you get in return?

mzee aka mtazama CEO kama sekunde kama 10 hiv kisha akafunguka! I dont want money or anything! I have been in this position since 19s, What i want, is him to rest in hell but i want also you to promise me that after you in 2030, not his son or mr february will be given even a spotlight to become CEO, i want them to never become leaders of this company! Am saying this since this is a war! I will make you the winner but i might not survive this! Am old enough to leave a legacy that will benefit our next generation and not some group of bandits

New CEO akauliza tena, How am i going to do that, when you have said kuwa they are every were! And most of my servant are in his payroll! How

mzee? And why will you not survive, if you cant survive how will i survive !

Listen!! I have been in this system for a long time! I, my self also made him who he is today, i know him! Me and my team can coordinate this war very smart! We have a plan, a smart one! We can take him down under a condition of me not surviving the war! Just say your ready and we will initiate it!

Okey!! Mzee naomba unipate muda nitafakari! Then nitakujulisha na asante kwa ushirikiano wako! Mzee akanyanyuka akatoka zake chap and went off his house!!

New CEO akawa kabaki kwanza pale ndani kama haamini alichokisikia!! Msaidizi wake mmoja akaingia na bahasha akamwambia, boss kuna bahasha yako hapa! New CEO akafungua kuisoma akakutana na jina la mzee tembo, kama alivyo kuwa keshapewa hint!! She smiled!!

Mzee alifika kwake then akaenda moja kwamoja kwa ofice yake yaani Home office! akafungua droo ndogo ya meza ya mkono wake wa kushoto! Akatoa simu ndogo aina ya nokia ya batan! Akaifungua nyuma akatoa betri kisha akachukua line kwenye moja ya droo nyingine akaiweka kwenye simu na kuiwasha simu! Akaandika namba flan hivi kisha akapiga! Simu ikwa inaita

Unknown: Hellow!

Tanzanite: Tanzanite speaking!

Unknown:Yes tanzanite!

Tanzanite: The facillitator has all the info now, waiting for activation!

Unknown: Good!! Very good!! Did she understand you?

Tanzanite: Yes! She did!

Unknown: Good! Thanks for an update, still am in hospital

Tanzanite: Thanks na ugua pole!!

Mzee akakata simu! It wasa avery short call!

then akaizima simu kisha akachomoa ile line na akatoka mpaka nje
ambako kulikuwa na public toilets!! Katupa zile line nasimu then akaflash!
Akatoka zake nje!!

New CEO alirudi kwenye general meeting nikama kukamilisha tu maelekezo
but she was not there! She was thinking of what mzee told her! She was
worried that labda mzee katumwa na mr born town kuja kumchunguza tena,
she didnt know what to do at that point. Haswa akikumbuka maneno na
sura ya born town "are you in war with me"

Baada ya meeting, taarifa zilianza kuvuja kuwa mr born town is running the show, new CEO hana analofanya bila kumhusisha born town! some company members wengi wao hawakupenda but they were worried about ugali wao na sio maslahi ya kampuni!

So kundi hilo likaitisha kikao behind the scene kujadili kwanza why new CEO anataka awepo mpaka 2030! Kundi hilo halitaki kabisa kusikia hiyo habari, Lakini pia kampuni nikama haileweki! Imekopa sana hela kutanua uwekezaji lakini uwekezaji ni hewa, bidhaa za kampuni haziuziki, nighali kwa customer na hakuna a well planned recover mode kufanya kampuni iwe strong!!

Maisha ya watumishi na wana wa kampuni yanazidi kuwa magumu, they cant afford three meals per day! Na CEO wala hana time na izo ish, she is buzy rebranding company name bila kuzingatia hali halisi ya kampuni!!

Lakini pia walijadilli why born town a retired CEO analazimisha kuendelea kuwa kwenye system!! Who is he!! Kwanini ataki kustaafu kama wengine??

Kundi hili likakutana na kundi la team late CEO, shida ikawa wanaagenda moja, lakini wanatofautiana nani awe CEO, agenda yao ni kumg'oa born town na new CEO in 2025, sasa linapokuja suala nani awe CEO mwaka huo shida ndio inakuwa kubwa, kila kundi lina mtu wake!!

So wakakubaliana kuwa suala la who is goin to be CEO waliache kwanza, ila kumtoa new CEO 2025 na born town ndio iwe kipaombe!

They came with a plan! Moja nikuunda a new group under the name of late CEO, hii group ipambane kuchukua u CEO wakampuni in 2025 na group hii itapambana na na mr new culture group na hii group ya new CEO mr born town group ambayo ndio alikuwa late CEO

Group hii itatembelea properganda za late CEO, Maana alifanikiwa kuwakamata customers kibao kwa properganda zake haswa wale aliotokanao ukanda mmoja!

Upande mwingine wa muungano wao wabaki ndani ya born town group nakuanzisha kampeni ya kuonyesha uovu wa group kwenye kuiendesha kampuni! Baadhi ya members wakachaguliwa kuwa front liners! Kazi yao ni kufanya profile damage ya company leaders ambao wako infavour of mr born town na sio maslahi ya kampuni!

Hawa walijiapisha hata kama wasipopewa urepresentative tena 2025 kupitia group hiyo ya born town haina shida ila kufikia huo mwaka, jambo lao lazima liwe limekamili! Na wakinyimwa watakwenda kwenye group walio anzisha tayari three years before 2025 CEO elections!!

Born town alipata taarifa hiz, his enemy walikuwa wanaongezeka kila siku! Badala ya kupungua!! So alikua na mambo mawili moja ni ku msimamia new CEO atimize mambo yake and at the same time alipaswa a deal na hili group!!

So Sababu ya connection na resorces alizonazo it was not that difficult for

him to control both groups but what he didnt know...

mzee, a close frind to him!! A person whom made him who he is to day!! A person amemsaidia kwenye kumuondoa late CEO, aperson who is running the show behind the scene had a plan for him!!

And the plan is to ensure he is gone gone! Yaani gone kabisaaaa!

So who is mzee and Why mzee is mad at born town?? Who is unknown?? Why is mzee reporting to unknown????

From dark days..... And now Road to 2025

Uko wapi?

Niko maeneo ya nyumbani!

Habari ya jioni?

Salama kabisa! Ujambo.....

Aisee sijambo, sema kuna mda niliambiwa upo ukumbini ila ukawa umepotea!.....

Yes! Nilitoka nilipata dharula binafsi kidogo!

Sawa basi leo tuna meeting jioni baada ya kukamilisha hili la mzee tembo

kuwa assistant chair man wa group! I think tutafanyia kwangu! ...

Sawa ntajitahid kuwahi!....

Mzee alikata simu kisha kurudi nyumbani kwake haraka kwenye makazi ya viongozi wa kampuni!

Yeye nikiongozi wa kampuni special task! Ni mzee mzoefu alianza kazi kama branch manager miaka kadhaa iliyo pitia na amehudumu na ma CEO watatu na huyu sasa wanne !!

Ni mzee msiri sana! Na amekuwa akifanya kazi kama mtu wa security muda mrefu akijificha kwenye post mbalimbali, ni mzee ambaye anaijua kampuni in and out! Maana amekuwa karibu na ma CEO wote watatu kwa ukaribu sana!!

Amekuwa mshauri wao na alimpenda sana mr born town na alimsaidia kwenye mambo mengi sana! Waliaminiana sana!! Kabla yakuja kujua intention yake kwenye kampuni ni ipi! Ukimtoa head security wa kampuni huyu ni head security behind the scene! Popote penye shida huwa wakwanza kuing'amua na kutafuta suluisho!!

So chap kwa haraka akarudi nyumbani kujiandaaa kwa ajili ya meeting ya jioni! It was all gang members meeting. Sms ikaingia kwenye smart phone yake!! Chake your emails!

Haraka akachukua tablet yake akaingia kwenye inbox upande wa email!!
Akaifungua kusoma akakuta ni email from new CEO forwarded by kijana wake na ilikuwa ni email amabayo tayari alikuwa ameaccept kusaidiwa kumtembeza born town!

Wakati alipomaliza kuongea na CEO alimpa card iliyokuwa na adress ambayo kama atakuwa ameridhia basi atume ujumbe kupitia adress hiyo!!
So alipotuma ilikwenda kwa kija wa mzee then baada ya kuifanyia michakato kadhaa ndio inakuwa forwarded kwa mzee

So we are gethered here to discuss the future of our group and this company! Tumetoka mbali sana mpaka kufikia hapa!! Leo tunakutana sababu We have a very big problem!!

The plan was In 2025 , mr february alitakiwa awe our new CEO, but secretly our new CEO wanted to remain inpower till 2030 and she was tryng to fight us behind our backs akijitengenezea njia until mzee here discover her plans and gave me the report and i dicede to face her my self!

Baada ya kum face She promised me that she wont do it again, but the damage from her plan is still on! Few of our favorite investors from USA have pull their investment! They were very important alies!! We have lost them, and loosing investors means decrease in our income!!

We all know that every month tunapokea a huge interest from contracts we signed on behalf of this company!!

So I have instructed her since she made chaos in our investment she need to go out and bring back our investors! And I promissed her if she will undo what amefanya i guarenteed her to be the CEO until 2030!

Sasa That decition nimesikia imeleta kelele miongoni mwetu!! Some of you,

mnacomplain sana behind the scene, kwakuwa tupo wote leo hapa, naona niwatu wawili tu hawapo, any one who is against that decition is free to talk am listening!!

Yes!!

I think its your decition and not our decition or our plan!! Our plan was my son was to become the CEO in 2025 and then your son follows in 2035 But what i can see ni umeamua tu kuvuruga utaratibu thats not fair!! Tuna kurespect as our chair man but sometimes when we plan things you dont have the mandete to replan them!

Tumekuwa tukifollow all your plans bila kukukatalia but in this big no! Biiiiiig no! I want my son to be the CEO! THATS ALL!!!

Other member walikuwa kimya, wakisikiliza kilichokuwa kinaendelea! Born town akiwa amekaa kwenye moja ya coach miguu ikiwa imekunja nne alikuwa akiendelea kumsikiliza mr februarys father!

Okey!! Mzee do you have any thing to say!!? Born town alimkaribisha mzee!

Yes i have!! Kwanza we need to know team late Ceo they are also coming after us! They know what we have done but they dont have proof!! Thats first,

second is..... its sad kama tunaanza kukatika sisi wenyewe kwa wenyewe huku ndani, while our enemies are outside waiting for us that is weekness!

We need to resolve that!

I think hoja hapa isiwe 2025 hoja iwe 2030 nani awe CEO if it is mr february or mr born tow son! Or mr born town son can be the CEO and mr february can be the PM or any other way arround!! We have a war coming , a strong one we need to stay focus as long as the CEO is with us now lets worry

about what late CEO team is cooking and not fight against our self!

And for your information the loved branch manager by the late CEO is also cooking something in our group! i dnt know what he is cooking but soon ntakuwa na taarifa zote na nta waupdate!!

february's father alikuwa kama haelewi hivi!

Guys mnajua mimi nimewavumilia sana! Mr zizia mmemrudishia branches zake zote za masuala ya comunication! wenzangu karibiawote wamepata waliyo yataka why me? Why me?? I have been loyal to this group why aren't you loyal to me?

Born town akasimama huku akiwa ana smile akamsogela mzee,

listen umemskia mzee hapo we have a very huge enemies coming after us!hatuitaji kugombana tuungane kwanza kumpoteza adui aliye mbele yetu! I promise you before 2025 you will get what you need!! Sawa mzee!! Sawaaaaa??!!

Okey!!

So that is done!! So mzee nafikiri you need to alert your team we need info on late CEO team and branch manager in one week! Also tuna changamoto mtaani raia wanalalamika sana kuwa maisha yamewakmata, our new CEO nikama anapata ugumu flani hivi!! The image of our group nikama inachafuka chafuka sana! Do We need to do something?

Mr zizia unalolote la kusema?

Yes! I think we dont have to do anything! We have lost a lot! Let them be bwana! These high prices watazizoea tu! After all They cant do any thing! Niwazuri sana kweye kuongea, tena sanaaaa but we all know they wont do anything Na kwakuwa wanaongea sana kwenye social media, and i own those networks we will increase bundle prices kuwapunguza online!

Ikifika 2024 kama kawaida tutalegeza prices za bidhaa zetu they will forget and life will go on!!we need to generate more money as fast as we can in these two years or we will suffer alot!!

Sorry mr chairman, naomba nimkatishe kidogo, ni Sawa nimeelewa sana alichokisema mr zizia but kuna haja yakutafuta jambo la kumuweka good image new CEO!! Unless other ways hili group la late CEO litapata umaarufu mkubwa sana na tutapata changamoto sana!!

Mr born tow akamjibu Kuhusu ilo group, tunaimplants tayari!! Soon tutapata taarifa wht are their next move! Lakini wote tunajua kazi ya spining na kucritisize ni ya mr new culture! Sasa toka mr new culture atoke cell nikam amebadilika sana!!

Nikama ataki kabisa assocoation with us I think nayeye awe under survialence nikama kuna jambo kubwa anaplan kulifanya 2025

mzee yeye alikuwa pale aki note evrything na kuchangia na kuplan as if hana jambo lake behind the scene yeye na CEO. Bada ya ile meeting mzee alitoka nakurudi nyumbani alipofika alielekea ofisini kwake tena! alichukua simu yake na kumpigia moja ya vijana wake!!

We need to meet! Kuna mgahawa uko karibu na my office, saa nne asubui uwe pale! Kijana akasema cool i will be there! Why saane, sababu population ndani ya mgahawa ule ilikuwa sio kubwa sana mida hiyo! Baada ya hapo akachukua onother nokia phone mpya akatia line then akaandika zile zile number

Unknown: Hellow!

Tanzanite: yes tanzanite speaking

Unknown: yes tanzanite tell me

Tanzanite: the facilitator is in!! Mission activated

Ukonwn: are you sure?

Tanzanite : yes i am!

Unknown: good!! It was nice to know you my friend, may god protect you and bless you, whatever happen just know we will be remebered!

Tanzanite: thanks comrade! It was also nice to work with you! Till next time in this world or after!

Unknown: salute! And good night my friend!

Simu ilikatwa mzee alikuwa kama anatemeka hivi, akiwa pale kwenye kiti! kwa mujibu wa plan yao that was their last day to communicate!

Na Walifanya hivyo ili mbeleni wasije kujeopardise the whole mission! Mr Unknown ndio financer wa the whole mission! Hakutaka mudawake wote aliutumia kuplay dead kuset the whole mission, almost 5 years anaset the whole plan na kumkonvice mzee kujoin team yake kumuodaa born town mission iharibike na lengo halijatimia

Lakini Waliagana moja kwa moja sababu mmoja ni mgonjwa na mwingine ni mzima but the way wamesetup their mission nilazima huyu mzima alambe mchanga and it doesnt matter wawe hai au wamekufa the plan will exist na target lazima ang'oke!!

So mzee aliinama pale kwa muda akitafakari what was about to happen, alijipa moyo that he got nothing to loose since age imekwenda, familia iko well of! Na aliona that mission is the only way itamfanya apumzike kwa amani kwani alishiriki kutenda dhambi yaani kuunda kitu ambacho kinawaumiza watu kwa maslai yake binafsi!! Aliona hii mission kwake nikama redemption!! Ikikamilka itamfanya kuwa huru!

New CEO woke up to find a hint on her table kuwa investors waliokuwa wanalitaka lile eneo la utalii la kampuni kwajili ya kujega hotels wapo sereous

pesa yake yaani mgao wake washaweka kwenye one of her new account in malaysia! What she need nikuhakikisha the so called wavamizi wote wa eneo husika wanaondolewa!

So she called her assistant na kumorder akalifanyie hilo kazi na branch manager wa eneo husika alisimamie kwa umakini! Kitendo hicho cha kuwaondoa wazawa wa eneo hilo kili zaa mjadala mkubwa na mkali sana on social media!

Scandle iliKuwa ni CEO ameuza eneo la kampuni, na kuna uwekezaji mkubwa unakuja kufanyika!! Hivyo waliopewa kuishi pale watoke!

mr born town kama kawaida akaja na plan ya ku spin the whole scandle, maaana kama investment ile ita feli, trust dhid yakenkwa investors wake inazidi kuporomoka!

akampigia kijana wake assistant wa new CEO akamwambia akawambie akina new CEO na team yake kuwa yule mtu aliye kuja kutoka europe kuja kumsaidia kuibrand upya company name upande wa utalii ambae alimtembeza maeno yote ya utalii ya kampuni amesha kamilisha kazi yake!!

New CEO inabidi aende europe kutangaza picha hizo media zote zinapaswa kupromote hiyo safari na si vingenvyo hiyo itasaidia kufunika scandle iliyokuwa inatrend ya kuwaondoa wale jamaa wanao ishi kwenye eneo la kampuni

New CEO akapokea maelekezo kama kawaida, but before safari alitaka kukutana na mzee kujua what is the plan!!

Mzee aliamka asubui pata maji, kisha akaelekea ofisini!! Then akafanya majukumu yake kama kawaida, ilipofika saa nne alitoka taratibu kuelekea kwenye mgahawa aliokuwa ame panga kukutana na kijana wake!

Mzee aliingia pale chap aka kaaa kwenye kiti! Mfumo wa mgahawa ule viti vyake wanakaa watu wanne yaani wawili kulia wawili kushoto wakiwa wamegeukiana yaani wanatazamana na meza ipo kati kati! Mzee alipofika alienda kukaa akitazama alipo toka! Nyuma yake alikuwa kijana aliyepanga kukutana naye!!

Mzee akaagiiza juicy ya parachichi with no sugar! Baada ya kama dakika tatu za kufanya scanning eneo zima mzee aliegemea kwenye kiti kisha akamsemesha kijana! I will leave this envelope here on my seat inside there is a flash driver na list of all targets in the system!

Remember No one is to survive!!

mzee akasimama kuelekea counter kupay his bill! wakati huo kijana very fast akanyanyuka nakuchukua ile bahasha then akatoka nje na kuondoka zake!!

Mzee akiwa bado pale simu ikaita, kucheki ni new CEO was calling!!

good night!

FLASH BACK!

Mimi mzee ananiamini!! ananipenda na ananisikiliza.....

Mimi naongea na mzee moja kwa moja!!

Na nina kuhakikishia mzee anataka kampuni yetu isipate usumbufu kutoka kwa hawa wajinga wajinga,

Nimesha mwambia mr new culture achague moja this year ni either aje tukae mezani awe na sie au tumfute kwenye ramani!!

Na na kuambia ntamfuta nakwambia!! Subiri ouone.....

Huyo alikuwa ni mini - branch manager, kijana mtiifu kwa late CEO, kijana tishio na kipenzi wa late CEO. Kijana aliyepata madaraka makubwa sana yaani kuwa mini-branch manager wa kampuni huko kaskazini from no where!!

Alipata wadhifa huo only becouse alikuwa anafanya yale late CEO alikuwa anayataka! Kijana alijipatia umaarufu kwa kuwa alikuwa clearly anawanyanyasa business partners wa kampuni under born town in the title kuwa wanaihumu kampuni!

Aliwanyanganya fedha na akipenda hata mabinti zao yote aliyafanya in the name of late CEO kwani jina la late CEO lilitisha kila kona ya kampuni

Kijana huyu aligelezea what branch manager makao makuu alikuwa anafanya! Walikuwa kama mapacha hivi mambo yao!! Walijiamini sana kwakuwa walikuwa wamefunikwa na koti la late CEO! mini branch manager Nayeye alikuwa na task force yake na kiji office maalum cha kushughulika na wale wote wako against na late CEO!

alianzisha kikundi chake ambacho kilikuwa kinapokea maelekezo kutoka kwa branch manager wa makao makuu yakiwa kama maelekezo kutoka kwa late CEO.

One thing late CEO alikuwa anafanya, as long as kuna branch manager yoyote au mini - branch manager yoyote yule anawachachafya team born town kwenye branch yake, kwake ilikuwa ni furaha, hakujali wala kutaka kusikia kingine, alitoa big up adharani kukubaliana na matendo hayo bila kujua wengine walikuwa sio team born town bali ni victims tu! Vita nivita ukiskia suporter wa adui wanalia kwako ndo furaha!

Huyu kijana alipenyezewa taarifa kuwa mr new culture na born town ni the same page behind the scene, Naukweli ni kwamba kwa muda huo haonwatu haziivi na late CEO! Alijua kuwa kama akifanikiwa kumdhhibiti vizuri mr new culture basi lazima awe promoted kuwa branch manager kamili!!

So aliazisha operation zake za kumshughulikia mr new culture, physically, economically, soccially and politically yote ni aaminiwe zaid na late CEO!

Na alimshugulikia kweli kweli jambo lilio mpa furaha sana late CEO!
alijiojoy sana kusikia mr new culture anatandikwa na kijana wake! Na
alifurahi zaid aliposikia kijana alikuwa akideal effectively na vijana wa mr
new culture!

Kijana na team yake walitumia orpotunity hiyo ya kupendwa na kuaminiwa
kufanya mambo mengine behind the scene ya ajabu sana ambayo
yalifumbiwa macho simply becouse alikuwa akimfurahisha tu late CEO!
Haya mambo yalikuja kumgusa directly born town!!

Iko hivi, kijana alikuwa anapenda sifa, nikawaida kwake kufika sehem ya
starehe kunywa, kula kisha asilipe! Na ukimsumbua sana anakutisha
kukuondoa duniani!

So one day akiwa na convoy yake aligusa pasipo gusika!! Na kuingia
directly kwenye targets za born town!! Ipo hvi

Kuna business partner wa born town likuwa anapiga sana deal za madini!
Bahati nzuri he was so smart cycle yake mtandao wake ulikuwa mzuri kiasi
cha system ya kampuni kutokumjua!!

So one day business partner wa bornntown alikuwa na mzigo wake na
ulipaswa kusafiri kutoka ukanda huo wa mini branch manager kuelekea nje
kabisa ya kampuni!! Kila kitu kilikuwa sawa ispokuwa kijana mmoja aliyejua
mchongo mzima kuamua tu kuuvujisha kwa sababu hakuwa treated sawa
na mtoto wa business partner!

Iko hivi, Kuna deal nyingi sana za madini ya kampuni kuskika yalikuwa ya kampuni lakini hayajawai kuwa registered kwenye ofisi za kampuni yakiuzwa nankampuni nyi gine! Nahata ya kiuzwa kampuni haipati profit yoyote!

Main dealer wa hiz issues ni business partner wa mr born town mr tembo!!

Huyu jamaa nje ya kudeal na ishu za tembo sana deal zake zingine ni hizo ishues za madini! Na ameset system ambayo ni ngumu sana kumconnect directly, yaani ni invisible!! Hata ishu za tembo kujulikana nikama ilitokea error ambayo iliondoka na watu kimya kimya!

Iko hivi every member of mr born town ana kitengo chake cha kucollect funds kwenye kampuni!! Na wametawanyika ipasavyo, hakuna mahala hutowakuta!!

Sasa huyu informer baada ya kuwa na mgogoro na mtoto wa business partner, aliamua kumwaga ugali na mboga kwa mini branch maneger kuwa kuna mtu anamzigo na unapaswa kusafiri kutoka nje yakampuni! Na estimetion za mzigo husika ni bilion kadhaa! Na as anareceive that leak mzigo uko njiani unaaza mwendo!!

Baada ya taarifa hii, mini branch manager nikama alipandwa na mzuka maana late CEO alushatoa maelekezo hakuna jiwe lolote kutokanje ya kampuni! Sasa kwa thamani ya jiwe hilo kama kweli akilidhibiti kwake nibonge la ujiko!

Basi bwana Kijana na team yake wakaamsha gari, ilikuwa saa 11 za jioni !

Kwa kuwa mtoa leak aliwapa ramani nzima kuwa wanatokea wapi, wanapitia wapi, so kijana akawahi kutega maeneo muhimu.

Kwakuwa washapata details za muhimu, ni gari gani, namba zipi and etc

Kijana aliigawa team yake mara tatu, moja ilirudi nyuma kabisa kuitafuta gari husika kule inako toka ili kuifuata kwa nyuma na nyingine ilikuwa inaisubiri round about ya barabara kuu ya kuingia mji mkuu kaskazini, na nyingine ikawa inatega njipanda ya kutoka mikoa ya kaskazini na hiyo ndio gari na yeye mini branch manager alikuwemo!!

Sasa Gari iliyokwenda kuifuatilia target car ilibahatika kuiidentfy ile gari so iligeuza chap ikatoa signal kuwa gari wameiona njiani! Na chap wakatoa taarifa kuwa wameiona gari na wako nyuma yake wanaifuatilia!!

Walikuja nayo hadi mji mkuu wa kaskazini kisha wakachukua barabara ingine wakawa ka wameiacha hivi, ile gari nyungine iliyokuwa ikisubiri mji mkuu kaskazini ikafuata maelekezo ya wapi wapite ili waipaye then wakaiona kisha wakapose kwa nyuma na wakaendelea kuifuatilia silently!!

Ndani ya target car kulikuwa na jamaa wa tatu! Kijana yaani mtoto wa pekeee wa business partner wa born town ambaye analink na mzee tembo, dereva mmoja na kijana mwingine ambaye yeye ni mlinzi binafsi wa kijana wa business partner!

Ndani ya gari walikuwa na fedha m20, na mzigo husika!! Toka mwanzo wa safari kijana mlinzi binafsi alikuwa makini sana! Alikuwa akifuatilia kila kinachoedelea pande zote za gari. Huyu kijana aliwahi kuwa mfanyakazi wa kampuni tena idara nyeti ya security na baadae akanyakuliwa na mzee tembo kisha kwenda kupelekewa kuhakikisha deal zake upande wa madini ya kampuni zinakwenda sawa! Yaani alikuwa ninmtu wakusimamia namna madini yote yanapopatikana yanatokaje!

So akiwa pale mbele walipishana na gari aina ya nissan patrol nyeupe, na wakati wanapishana alibahatika kumuona dereva wa gari na kumtambua kutokana na uzoefu wake! hakusema kitu alikaa kimya kwanza kufuatilia nini kitaendela

Baada ya dakika kama 15 hivi alipotazama kwenye side mirrors aliiona ile gari kwa nyuma yao! palikuea na gari ndogo aina ya toyota spaicio iliyokuwa inawafuta then nissan patrol wakiongozana kuelekea mjimkuu kaskazini!! Akaendelea kuifuatilia akitaka kuhakikisha kama itakuwa inawafuata au la!

Kupitia uzoefu wake bada ya dakika kama 10 hiv aligundua gari ile ilikuwa inawafuata, aka chukua simu yake chap chap, akatuma sms! Kwenda kwenye namba flani hivi! Akaandika "change of plans, meeting point , astra B4"

Meseji ikawa delivered upande wa pili, chap vijana wa wili wakiwa kwenye pick up, chafu chafu hivi imebeba nyasi nyiingi kama za malisho wakawasha gari yao wakaelekea "astra B4", mmoja alikuwa na begi la mgogongoni limechoka choka tu! Wakapaki upande wa pili wa bara bara wa gari kurudi kule wanakotoka hawa wanao kuja!

Walipoingia mji mkuu wa kaskazini ile nissan patrol ikapotea then within five minutes nyuma yao ikaingia gari aina ya V8 land cruiser, chap kijana aka tumia side mirror kusoma namba!

Akaingia kwenye mfumo wa kampuni kujua nani mmiliki wa ile namba, majibu yakaja ile number ni ya toyota porte!! Akajaribu tena kuitrce ikaja namba ile ni ya toyota porte! Akajaribu tena ikaleta toyota porte! Chap Kijana akajiongeza kuwa ile plate number sio ya gari ile, akajua hawa niwengine na wanaendelea kuwafuatilia!

Kijana akatuma sms kwenye namba ile tena! "Status", akajibiwa, "on meeting point" chap akageuka siti ya nyuma akamwambia kijana anayemlinda, " sikutaka kukuambia chochote but tuna fuatiliwa toka zamani sana, unaona hiyo gari inatufuata ilikuwepo nyingine naona yenyewe itakuwa imetangulia, chukua huo mzigo kwenye bag weka kwenye mfuko wandani wakoti hela ziache humo humo kwenye bag, there is a change of plan"

kijana akashtuka sana hofu ikamwingia akaambiwa atulie! Hakuna shida kila kitu kiko planned!

Kijana securty akamwambia dereva endesha gari kuelekea jengo la kampuni maarufu la umeme wa jua , Ilo jengo lipo barabarani kabisa kuelekea kutoka nje ya mji mkuu kaskazini karibu na mataa yakuongozea magari!

Akaambiwa akifika pale apaki kwenye parking then wao watashuka kisha watarudi na safari itaendelea! Dereva akatiimaelekezo, kulingana nahali ya hewa makoti makubwa kuvaliwa ukanda huo nikawaida tu, so walipofika pale kijana akaweka amesha vaa koti na ame uficha ule mzigo kwenye koti lake kubwa, hilo koti lime tuna tuna kiasi huwezia jua kama mtu ameweka kitu au hajaweka kitu!!

Wakashuka pale faster than wakaingia ndani ya jengonla kampuni ya umeme wa jua , njiani kijana akawa anamwelekeza kijana wa business partner kuwa aeleke mens toilet uoande wa kulia atamkuta mtu mle ndani! ampe huo mzigo!

moja kwa moja walipoingia ndani kijana akaelekea mens toilets, alipofika tu ndani alimkuta yule kijana mmoja kati ya wawili waliokuja na pick up anamsubiri kesho clear toilets ziko safe kwa ajiliyao!!

kijana wa business partner akatoa ule mzigo akampa yule mwingine! chap akauchukua na chap akautia kwenye begi mgongoni kisha akatoka nje yaani ilikuwa ni fasta sana na akatoka kama vile hamjui yule alioingia mule ndani! Wakati huo ile gari V8 ikawa ime paki mita chache kutoka kwenye lile jengo wakisubiri kuona nini kinaendela na taarifa wakawa washatoa kule njia panda!!

Wakaulizwa wameshuka na begi,wakasema no wameshuka watu wa wili na dereva bado yumo kwenye gari!! Pale pale Yule kijana aliyebaki kwenye pickup akapokea sms, " carry over" kijana akawasha gari akaondoka zake, kwa aliye kuwa nje alijua ni pickup tu ya nyasi ilikuwa imepaki na sasa inaondoka zake, yule kijana na mzigo akatokea mlango mwingine, akapita njia za uchochoroni wakakutana na ile pickup inamsubiri akaingia chap na safari ikaanza kwa kufuata plan nyingine kabisa!!

Kijana akatoka mens toilet akapita reception kumpitia yule mlinzi wake wakatoka wakaingia kwenye gari na safari ikaanza! Baada yadakika kama 6 hivi ile gari V8 ikaonekana nyuma yao! Kijana yule wa security akamwambia

yule kijana wa business partner hii gari umeikumbuka, kijana akatazama nyuma akaiona! Akamwambia yes nimeikumbuka!

Akamwambia mzigo ukosalama na utavushwa kwa plan nyingine, akamwambua alihisi watafuatiliwa toka wanaadaa safari kwani kuna mazungumzo aliyasikia kuna mtu anataka tushikishwa adabu!!

Kule njia panda wakawa wanasubiri kwa hamu!! Baada ya kusikia ile gari imeanza tena safari! Na Wakati huo huo ile gari yenye nyasi inazidi tokomea mbali zaidi!!

walipofika pale njia panda wakakutana gari mbili zinawasubiri na ile v8 nyuma yao zikawa tatu! Wakashushwa wote chini mpaka dereva! Kijana wa mini branch manager akaingia kwenye ile gari yenye mzigo na msafara ukaanza wa zaidi ya lisaa limoja kuelekea nyumba moja huko iliyoko migombani mafichoni!

Sasa ujinga wa mini branch manager tamaa ikawa imemuingia, yeye anawaza lile jiwe tu! Sio tena late CEO! Walipofika kwenye ile nyumba yule dereva na yule kijana wa securty wakiwa wamfungwa macho wakawekwa room nyingine na huyu mtoto pekee wa partner wa born town akawekwa chumba cha peke yake!!

Wakaipekua ile gari kwanza yoote na wakachukua lile begi wakakuta kuna 20 milioni tu ila jiwe halipo!

Kijana akabaa kweli kweli, akaenda kwenye room ya mtoto wa business partner, akamwambia anataka lile jiwe alokuwa anatorosha lasivyo shughuli inaishia pale!

Kijana baada ya kumtambua mini branch manger kwa uwoga ikabidi kusema ukweli kuwa nikweli jiwe walikuanalo ila walishalivusha wakiwa mji mkuu kaskazini na kwa muda mliotufikisha huku, litakuwa lisha fika mbali!

Baada ya kusikia hivyo mini branch manager akabaha akawa mkali akawa aamini! akawaita team yake kuwapa taarifa nawao wakabaha zaid!
Wakaanza kutembeza kipigo kizito!!

Accidentaly wakati kipigo kinaendelea na katika kutishina bastola kichwani, ghafla ikafayatuka kweli na ikawa risasi imempata mtoto wa business partner kichwani! Na pale pale dogo akaanguka akatapatapa kisha story yake ya maisha ikaishia pale!!

Baada ya ilo tukio wote wakawa wamechanganyikiwa, baada ya discussion fupi uamuzi ukafanyika kuwa wote inabidi washutiwe tu! Yaani dereva na yule security, Na ndicho kilifanyika!

Wiki moja baada ya kijana kupotea, business partner alijua kuwa kijana wake alikuwa ubducted na aliye mu abduct ni mini branch manager! Ila status ya alive or dead akawa haijui

Akamtaarifu mzee wa tembo, mzee wa tembo akamtaarifu born town!!
Resorces zukawa collected Wakaanza kutrace the whole issue!

wakaconfirm kuwa kijana alisha tembea mbele za haki, na aliye mtembeza ni mini branch manager na kundi lake!!gari ilitiwa moto na miili haijulikani iliwekwa wapi!!

Business partner hasira zilizaa akataka kufanya tukio mzee wa tembo na born town kwa kuwa they know what was about to happen walimtuliza na kumpromise a very huge revenge! na kwa namna ilivyo kuwa kwa wakati

huo hawakuwa na namna maana mini branch manager alikuwa under high protective enviroment ya late CEO,

Ulikuwa uwezi hata kumsogelea kirahisi! so baada ya late CEO kuficha moto kati ya watu waliumizwa ni minibranch manage, ni alilia live live yaani! na alilia sana! Why?? becouse alijua alichokifanya na sasa kinga yake haipo tena na alijua revenge is on the way!!

Vijana wangu waliwahi nambia he was free to land any time na convoy yake, he even provided security detals to your late CEO and you guys were watching him!..... I dont know what your late CEO was benefiting from that friendship mpaka kufanya hayo..... It was strange!.....

Outsider: how? I know you people, sawa you have succed to take him down, what about his friend, he planted people every were! and ther is an info that in few years to come even if he wont be arroud due to his sickness you guys will be under their company and i don't see your efforts to ensure it wont happen!

Insider: We know that and we are now ready for him!!

Outsider: okey , nakutakia jioni njema bana

Insider: asante sana boss na kwako pia

: Hey! I think we need to do something! Our goal is at risk we need to initiate plan B! This man must go!!

Yes boss!!

Call our people in that company, tell them its about time!! We need to know what is their plan!!

But boss!!we have some a leak, that, the current CEO had a plan to terminate the "man" but she failed since the man has managed to plant his people all over her office! The " man" he is currently has info about us, as He managed to take down Some of our people!

So he knows about us!??

Yes sir!!

How deep does he know!?

A lot sir!!.....

Why was i not be informed before??

We are sorry sir!!

Up to now, what measures have you taken?

Sir, first we have managed to secure our datta since the "man" used one of our people and hacked our system and managed to get list of names!!

What list??

Agents planted in their company!!

What????

Yes but we have informed them, and some of them are no longer alive! We have cleaned our house! Few of them have escaped! Except for the two whom he managed to abduct, according to the information we have they, are hidden somewhere in the company safe house!

In addition they only managed to obtain a list of few agents with their personal details and their mission! They were not able to allocate the strong files!!

What strong files??

Sir in the system we had files of our deep agents whom are head of department working in their company! These files are always updated every week! Our agents from the other side have access to these files as they are required to update us on what they have gathered every week, and then our staff in this side always go through the updates and then send back feed back to our agents

These files are very important in our long plan mission, their hackers couldn't find them as we were able to hide them deep in the system !!!

Okey!!! but how did this happen??

Sir! There is an info that, our neighbors are helping this "man", while we were busy na hiyo kampuni, it seems other neighbour companies were also busy with us!

That's nonsense! We have all their company under our wing, I know we can access all their info as their stupid intelligence systems are weak, mnaniambiaje wametudukua kirahisi hivyo!??

Sir!! These guys also walipewa msaada na the giant company in the world! Lengo lao nikama la kwetu tu! So what we have done first we were able to make our system strong again!! We have created a loop in our network to track all hackers hacking us! and if they fall in our trap our boys will be able

to kill all their system! And get their location!

But it seems these people are very smart!!

Okey! So what is the plan!!

There is a guy in the company, who has initiated the whole process of terminating the "man", the problem here, he is seeking help from our neighbours (our new enemy)

why cant we offer our help then?

Sir! We have men on the ground, we are trying first to contact the guy! We hope he will cooperate! Tumempata kijana wake mtiifu, ambaye ni trained kijana wetu! Ametuhakikishia kuwa he will talk to him!

Are you sure?

Yes Sir!

And what about the new enemy?

Sir!! First we have decided to go unnoticed as they did the same thing to us! As we speak right now we can access their communication especially their CEO communication!

But also, thanks to our boys here we are now in their system unnoticed, we collecting every info they have right now! It seems their system wasn't strong as we thought!

Good! What about the "man"???

Sir! We are monitoring him very closely!! Next week he will meet the current CEO of his company, their meeting is about oil! But we know also the current CEO secretly she is looking for help to terminate the guy! Our boys are on it sir!

Ok! Ila Kwa hiki kilicho tokea nawapa 48 hours i need more details, and from now on nitafuatilia hili kwa ukaribu sana!! Na ntaleta team hapa kuwafuatilia!!

Ok sir!!

You all know this "man" what he did to us 15 years ago! We were so close..... So close But he kicked us out and took all our money and killed our people!! I need you to be sereous about him and less about their company, agreed???

Yes sir!!

Mzee mwembaamba hivi mrefu na head of the most scared company in the region anatoka kwenye ofisi za intelligence company yake akiwa na ulinzi wake na kuingia kwenye gari aina ya range rover sport 2021

Akiwa kwenye gari anachukua simu yake na kuweka namba flan kisha anasubiri!!

That man your asking for help they are very good friends and they have invested together in one of the biggest company outside our rigion!! So he is not goint to help you but he will help him trap you guys and boooooom before even you know, you and your team will be gone!!

Unknown: we know what we are doing mr KP if we need your help we will contact you, ohh sorry the man incharge will contact you!!

KP: So there is a man incharge, tell him to find my people, i will send you the details of how we can help you guys! The man your tryng to take down is smart than you guys think!

Unknown: ok thanks for your concern! In case of anything we will contact

you!

Mr born town akiwa kwenye gari anaelekea ofisini kwake then a message
ina pop in kwenye smart phone yake!!

"Boss there is a Gps track device different from ours in track gari yako"

Huyo alikuwa kijana wake na born town akimtaarifu kutoka underground
officeza mr born town

"Nice, do as i told you!"

Mr born town ali reply!

Then he went to the phone book and call the current CEO!

hello!

Hellow boss! How are you!

Am fine, very fine am on my way to my office!

Sawa boss!! I got you!!

Ok thanks!!

Born town anakata simu kisha anarudi kwa kijana aliyemtumia sms!

Umefanya kama nlivyo kishauri???

Boss nimefanya but the system is jamed!!

Were you able to connect her phone??

Yes, now i am scanning every thing sir!!

Send all the info to me as soon as possible!!

Yes sir!!

***** Two days before***

If we want to take this man we need to be more smart, fast and underground ! You all know how strong he is! While tuna jiconect na strong alies wa nje, huku ndani we need to know every thing about him! Kila kitu tukijue sawa!

Yes sir!!

Sasa we need to track him! You guys need to go to his home town, collect every detail about him! Anakutana na nani, anaongea nini, anakwenda wapi na anafanya nini!

Sawa boss!!

And be quite!! Just be carefull, he has eyes every where!!

Vijana wa wili baada ya maelekezo hayo wanatoka ofisi za mzee zilizo makao makuu! Kulingana na unyeti wa shughuli husika, only two trained boys wanapewa jukumu gumu la ku collect data za born town

So vijana wanatoka wanaelekea moja kwa moja makao makuu ya ofisi zao ndogo na kwa kutumia gari aina ya toyota noa wanaianza safari kuelekea hometown kwa mr born town ku collect data!

"PK is in, he called me he wants to help us"

Mzee alipoipokea ile sms kutoka kwa unknown alishtuk kidogo! Haikuwa habari nzuri kwani tayari their mission is leaked, how did PK knew of what they have planed??

So Mzee chap akampigia sim curent CEO, madam we need to talk ASP!!!!

Then he was told to rush at the company hedqutors! And then the convo begun!!

Yes mzee whats up??

Madam i think we have a leak!!

How??

PK called one of my guys wants to join in our mission!

How did he know?

I think he has people in our system! Watching us!!

How!????

I dont know but i think during late CEO era this man was free to do anything in our company!! So trust me when i say he is watching us close!!

So we are f**ked

Nope! Its an opportunity first to know nani wanafanya kazi kwa niaba yake hapa, but at the same time if this man whants to help us itakuwa bado ana ndoto za kutake over our company so nafikiri lets bring him close while help us, we also learn how he oparates and at the end of the day we cut ties with him!!

Will it be that simple?? I dont think so!! That man is dangerous!! You can see how dangerous he is when you meet him!

Madam CEO, we know that!! This indicate he knows alot! We need to know how did he know!

Ok but i was thinking.....why dont i tell mr born town about this so he and him get personal!!

Madam..... I think thats is a good idea but! He will ask you how did you know! I think lets wait first na tuendeelee na plan hii!!

But be carefull mzee that man is I dont have the right words!! He is a monster!!

Okey!! We know that, Lakini pia late CEO team pia wamejoin!! Nimepokea ujumbe wao! They also want this man down!! Sikuwapa jibu la moja kwa moja, nawao wamekuja na plan yao!

What is their plan??

They want him dead before 2026 and its a good plan, their only mistake they are only dealing with the "man" and forgot he has prepared his sons to take over!! Amd we need all of them out of this company!!

So it is us, late ceo team and pk against one person!

So what happen between KP and born town??

*15 years ago

Kp, ni the CEO wa kampuni moja changa, ambayo alikuwa na ambition za kuifanya kampuni yake kuwa moja ya Makampuni makubwa barani africa!!
Kampuni yake ilipitia mitikisiko kadhaaa ya kiuchumi mpaka kufilisika kabisa. Ni yeye aliyempindua CEO aliyekuwepo kisha kuchukua uongozi na kuwa new CEO na kuleta mapinduzi makubwa sana kwenye kampuni yake akitumia dirty tricks!!

Iko hivi, KP in his dream, alihitaji siku moja his company kuwa one of the major company na kuziongoza kampuni zoote za ukanda wake kabla yakutawala africa nzima kibishara

Aliamini watu wa kampuni yake ni the best compare na watu wa kampuni zingine za barani africa, So through his people alikuwa akiwastudy washindani wake wote walio mzunguka kibiashara 24 hr!! Yote sababu kampuni yake haikuwa na resorces za kutosha kuwa big company as he wanted

Alianza kupandikiza watu wake kwenye kampuni hizo jirani, na kucollect taarifa zitakazo mfanya awe super company!! Kama alitokea mtu au watu waliokuwa wakienda kinyume na yeye ndani ya kampuni aliwaondoa kwenye mfumo kimya kimya hatakama walikuwa nje ya kampuni yake!!

Katika kutimiza lengo hilo, aliunda team za very trained youth and elders ambazo ziliingia nakuajiliwa kwenye kampuni shindani, including born town's company na kukolect data zote za muhimu!

Walifanya hivyo daily, weekly, monthly and yearly! Walijizolea taarifa nyingi unnoticed and sometimes noticed!! Na kuripoti back to their main company under KP leadership!! Sema Kampuni mbili zilimsubua sana!

Kampuni hizo ni Kampuni ya mr born town hapo ni before late CEO, na kampuni ya mr freedom!! These two companies also walijidhatiti kukolect info ndani ya kampuni ya KP na kumpa challenge mr KP kufikia lengo lake.

Mr Kp na team ya vijana wake baadhi walifanikiwa kuingia moja ya kampuni za jirani ambayo ina lot of products lakini haina strong CEO na kuivuruga kisha kukwapua products za kampuni hiyo na kuzibrand kwa jina la kampuni yake na kuziuza kisha kutengeneza faida kubwa sana

Faida hiyo iliifanya kampuni yake kupata mabadiliko ya kiuchumi kwa kasi na kutoka kuitwa kampuni masikini hadi kuanza kuwa kampuni tishio ukanda huo!!

Alipandikiza security team ambayo kazi yake ilikiwa nikuvuruga tu utaratibu wa kampuni husika na wakati huo huo nyuma ya pazia security team hiyo ilikuwa ikikwapua bidhaaa za kampuni husika na kuzisafirisha mpaka kwenye kampuni ya KP na kuziuza!

Jirani na kampuni ya KP kulikuwa na kampuni nyingine ya the oldest CEO in the region kwa jina la Mr nine!

Huyu baada ya kugundua ujanja wa KP katika kuboost uchumi wa kampuni yake naye alipandikiza watu wake kwenye the same company, kisha kuanza kukwapua products kuziuza na kujitegenezea faida!!

Hii ilileta mgongano wa maslai kati ya KP na Mr nine, kwani both walikuwa wanaexploit kampuni moja kufikia mahala mzozo mkubwa kuanza baina yao! Mzozo huo ulikuja kumalizwa kwa kugawana department za kampuni waliyokuwa wakijiibia products na kuwekeana boundaries za nani

atachukua wapi mpaka wapi na mwingine atachukua wapi mpaka wapi!

Pamoja na utajiri huo wakutosha aliokua akikwapua kutoka kampuni hiyo, Moja ya vitu vilikuwa havimpi usingizi mr KP ni kampuni ya born town! Aliitamani sana hii kampuni na kuitaka sana!!

Why? ...

Kwanza ni kwa sababu Kampuni ya born town ilijaaliwa kuwa na kila aina ya product inayo hitajika duniani kote!! Maana nikampuni yenye eneo la kutosha with lot of many beautiful and attractive products!!

Pili ni kampuni ambayo inafikika kirahisi kutoka pande zote duniani!! Hata mizigo ya kampuni yake lazima ipitie pale kisha ndio ipelekwe kwake!

Na Tatu! Kampuni ya born town kwenye biashara ya chakula hasa cha mifugo iko vizuri sana!!

Pk, alitaka kampuni hii, mali ya born town iwe under his comand! Na alianza harakati hizo muda kidogo kujenga msingi wa lengo lake!!

wakati born town ni CEO, tayari KP alisha pandikiza watu wake muhimu na kuanza kucollect data!!

Katika kukusanya data hizo aliacha footprints ambazo zilimshtua born town, wakati Mr born town akiwa anajenga empire yake ndani ya kampuni akishirikiana vizuri na mr Unknown, aligundua mchezo mchafu wa jirani yake mr KP na alianza kudeal nae kimya kimya!! He was smiling upfront but behind the scene alikua na operation kali ya kujua how deep mr KP is in his company!

ilimkera sana born town kujua KP ananguvu ndani ya his company!! maana Ilifika mahala KP was using born town's company shops to sell his products bila kulipa tax, sometimes hata malighafi ya makampuni ya KP yalikuwa yanapita free tu bila kuilipa kampuni ya born town And he did that using his people aliokuwa kawapandikiza in born town company!

Born town alimcheki KP kuhusu hilo suala, in a friendly way!! maana kuna

big investors wanashea pamoja So nikama hakutaka ahida naye! but KP akawa mkali na kutaka kuwa kama mbabe!

so born town akaona isiwe tabu nayeye akaanza kuzitumia info alizo collect za wahusika wote wa KP na kuanza kuwapoteza silently!! Kisha akaandaa intelligence unit in the company kwa msaada wa one of his huge investor kazi yao ikawa ni kumtrack KP and sometimes kulikisha info kuwa they know about him!

KP baada ya kugundua watu wake wanapotezwa kimya kimya and also born town ana team ya watu special kumtrack yeye alikasirika sana, Alianza kutunisha misuli but born town pia akamtunishia misuli!!

Nakatika kumprove KP kuwa is nothing to him! born town aliagiza security agency ya kampuni yake kwenda kuisaidia kampuni ile ya jirani ambayo ilikuwa na weak CEO ambayo ilikuwa inavurugwa na KP!

team hiyo Walifika wakaplant system ambazo zilimtikisa KP na jirani yake kwenye ukwapuaji wao wa bidhaa za ndani ya kampuni hiyo!

Mr KP hasira zilimjaa sana akatishia kutaka kutokufanya biashara na kampuni ya mr born town!! Akaamishia nguvu zote kwa mr freedom!! Mr born town akamkazia sana hali ilifika pabaya mpaka investors wakuu walipo wakalisha chini through phone conference and settle the feud!! Maana waliona kinachoenda kutokea ni kupoteza investment zao ndani ya hizo kampuni mbili

Still born town haikumzuia kama CEO kuendesha operation kwenye kampuni yake ya kutambua wafanyakazi mapandikizi wa KP. Waliokuwa wanafanya kazi kama wafanyakazi halali wa kampuni ilihali wanatokea kampuni ya KP, na aliwatimua wote waliokutwa sio halali na kuwarudisha kwa KP kwa maumivu makubwa sana!!

Kulikuwa na wafanyakazi wa KP waliokuwa wanatumia kampuni ya born town kupata chakula cha mifugo yao, mr born town aliwanyanganya mifugo

na kuwatimua kitu kilicho muuma sana KP

kama kawaida KP ni mtu wa kisasi, alishindwa kudeal na born town sio kwa bahati mbaya, nikama vile vile born town pia alivyoshindwa kudeal na KP, Each one of them alitaka mwezake awe kaburini, but ilishindikana sababu Wote walikuwa na huge suport kutoka kwa huge investors ambao walikuwa wanapata profit kupitia wao kuwa ma CEO!! Na hawakutaka any of them waingie ardhini as wanaplay important role kwenye kutoa maslai mazuri kwao

Sasa baada ya born town kustep down KP through vijana wake aligundua late CEO yuko against na Born town!! baada ya kuligundua hilo alichukua hiyo taarifa kama fursa ya kutaka kurudisha lengo lake la kuwa super company wa region Na kuwa guider wa late CEO!

Alichukua maamuzi ya kumpigia simu late CEO na kumtonya ishuru za born town na investors wake pia namna wanavyopiga hela ndani ya kampuni na kumsogezea some evidence!!

KP Alifanikiwa kujenga hoja zake na evidences ambazo some true and some not true lengo kumsogeza late CEO karibu yake!!

Late CEO baada ya kupewa video na audio convo za born town pamoja na picha (zingine fabricated) za born town akiwa na investors wake, na akaliganisha na aina ya mikataba aliyoikuta ofisini, aligadhabika sana!

So he thought KP was a good man and a good friend kwa kumsaidia kujua zaidi kuhusu born town namna anavyojimilikisha kampuni, na akaamua wawe marafiki!

That was hell of a mistake!! So mr born town baada ya kuona KP is more important than him, alijua he is targeted by KP and late CEO nikama njia tu! So aliamua kukaa kwenye safe mode!!

Born town aliwaalet vijana wake in the company, hawa walikuwa hawalali

everyday ni kutrack plan zote za late CEO na kujua KP anatafuta nini! Na yuko wapi! Walifanikiwa kuwa one step ahead

And he was good at it, while doing that born town played dead like he wasn't doing anything. Wakati nyuma ya pazia vijana wake walikuwa wakichacharika kwelikweli kumlinda yeye na familia yake kwa kukolea datta na kuzifanyia kazi before chochote hakijatokea!

Unaaambiwa kuna incident moja born town hatoisahau!

Ilikuwa hivi.....

Born town alipewa wito na late CEO wa kwenda kumwakilisha late CEO kwenye kusimikwa kwa CEO mpya wa kampuni jirani mr Gwaga!

Aliambiwa he will be there as acting CEO! na akapewa flight og yaani ile ndege og anayotembelea late CEO! Na ndani pale atakwenda na two other guys! Ambao ni Mr lagu na mr Eyo!

Aliyempa taarifa hiyo ni late CEO mwenyewe, alimpigia simu na kumuomba afanye hivyo!! Born town alikubali but as Soon as the call ended, vijana wake waliingia kazini ili kujua if it is a trap or not!!

Mr lagu yeye alikuwa assistant chair man of board of directors wa kampuni na Eyo alikuwa ni chairman wa group la wanoutaka u CEO including akina mr new culture!

Ishu ilisukwa kuwa mr born town piga uwa garagaza after his return he must be out!! So mr lagu ndie alipewa jukumu la kuhakikisha the whole mission inakuwa implemented na kufanikiwa

Huyu mr Eyo, he was there kama mzigo tu he knw nothing! Plan ilikuwa unique kidogo, one of the air host alipaswa kupewa kitu inaitwa thallium, iliyokuwa katika mfumo wa unga! Kama inavyojulikana thalium ni one of the deadliest poison ambayo ipo very slow pia!!

hii kitu, ina sifa ya kuumiza ini na moyo very slowly, na baadae hata nywele kunyonyoka kabisa! And when its too late kuwa discovered bas safari na njia!!

Sasa basi air host wetu kule ndani ambaye alikuwa pale under the guidance ya mr lagu alitakiwa amalize mchezo after receiving that package! The plan ilikuwa nikuhakikisha born town anakuwa contacted na thalium!

Sasa wakati mr born town alisha hakikishiwa safari ipo safe na hakuna shida yoyote, sms popped in kutoka kwa kijana wake!

"Sir! We are told mr lagu is to carry something to harm you in the plane, we are trying everything we can to prevent it"

Born town baada ya kuona hiyo sms, alishtuka maana taarifa za mwanzo zilisha mhakikishia kuwa he has nothing to worry about!!

Akajibu "so what should i do"

Sms ikarudi!

"Sir just go to the airport as normal, but you can delay for just 10 mnts so as we can eliminate the threat"

Born town alipo isoma iyo sms akajibu kwa haraka " Ok!10 mnts"

Sasa iko hivi, Vijana wa born town walifikishiwa mezani taarifa kuhusu handbag moja nyeusi ya mr lagu kuwa ndani yake ina deadly poison targeted for mr born town!

their work ilikuwa ni namna ya kuipata hiyo handbag kabla haijaingia kwenye ndege ili sije kumdhuru born town!!

Handbag hiyo inasemekana ilitoka kwa watu wa PK baada ya mazungumzo kati ya PK na late CEO! ilisafirishwa kwa umakini na usiri mkubwa mpaka kwa one of the security details wa late CEO, as inafika pale kuna kijana wa born town aliyekuwa amepandikizwa ndani alifanikiwa kuiona ile handbag ikiletwa na mtu ambaye tayari wao walisha mu identify kama a person from

PK team!

Kijana Alipochunguza zaidi akagundua handbag hiyo iliyoletwa inamaelekezo kuwa ni ya mr lagu na inapaswa kusafiri na mr born town kwenye sherehe za kusimikwa new CEO, Kilicho mshtua yule kijana ni Zile process za usiri ukiwa na uharaka sana!

Pia namna handbag ilivyoletwa na aina ya watu waliopewa kuondoka nayo pale, alihisi something fishy maana hakuwa mgeni sana na namna handbag za namna ile zinavyotumika!

So very fast alifanikiwa kuingia ndani ya ofisi ya boss wake unditected na akaipiga picha ile handa bag na akatoa notification kwa wenzake kuhusu alichokiona na kueleza kinaelekea airport na kutaja mpaka gari inayotoka pale muda ule ikiwa na vijana watatu. Wawili passengers na mmoja dereva

Chap vijana born town baada ya kupata taarifa ile wakaanza kui itrace ile gari, throug simu ya mmoja wa vijana aliyekuwa ndani ya gari ile.

wakafanikiwa kuipata na kuitail kwa nyuma! Baada ya dakika kama 15 hiv za kuifuatilia, gari ilionekana kuingia moja ya hoteli kubwa sana mjini kati, hoteli ambayo iko karibu na kando ya bahari karibu na makaburi ya watu wenye asili ya india!!

Gari ile ilipoingia ndani, hawa waliokuwa wanaifuatilia kijana moja alishuka yule mwingine akapitiliza na kupaki gari kwa mbele kidogo, nje ya ile hoteli! Kijana aliyeshuka aliingia ndani haraka kama anaelekea reception!

Akiwa anatembea aliwashuhudia vijana wawili wakishuka kitoka kwenye ile gari mmoja akiwa na ile handbag!!

Kijana aliendelea kutembea kwa haraka ili aweze kuwa karibia, ghafla aliona wale vijana wakimkabidhi handbag ile kijana mwingine wakiwa kama wanapishana hivi, yaaani hawa wakiwa wanaingia na yule kijana anayepewa hand bag yeye kama anatoka tena nje!!

Kijana ikabidi asimame aone aliyepewa anaenda wapi, aliyepewa naye alipofika nje na yeye akamkabidhi kijana mwingine aliyekuwa akiendesha gari aina carina TI aliyekuwa tayari kaipaki gari ile nje karibu na mlango wa reception ambaye na yeye baada ya kuipokea hand bag hiyo aliwasha gari haraka na kuanza kuodoka!

Pale pale yule kijana alitafuta angle nzuri akaipiga picha gari hiyo kisha kutuma kwa mwenzie aliyekuwa kapaki nje na yeye haraka akatembea mpaka nje ya geti na kukodi boda boda kuifuata hiyo gari hiyo ndogo!

Akiwa kwenye boda akatuma tena notification born town's headqutors kuwa wanaifuata Gari hiyo ndogo kwani ndio ina handbag!!

Baaada ya born town's headqutors kupokea taarifa yenye picha na namba za gari, chap wakamuandaa kijana mmoja akavalia sare kama za askari wa barabarani na haraka akapelekwa karibu na air port kwa kufuata maelekezo ya vijana wale wengine waliokuwa wanaifuatilia tax hiyo kwa nyuma!

Then askari wa usalama barabarani aliingia katikati ya barabara baada tu ya kuitambua gari ile na kuisimisha pembeni kama ambavyo askari wa kawaida wa barabarani hufanya!!

Then askari yule taratiibu alisogea kwenye ile gari nakuomba leseni ya udereva ya mhusika! Dereva alitoa leseni yake but as wanaendelea na mahojiano gari aina ya noa ilipaki nyuma ya gari ile aina ya corola TI!

kisha vijana watatu wakaisogelea ile gari, askari alipowaona wale vijana nikama aliwafahamu na alikuwa kama kaegemea kwenye kioo cha dereva! haraka sana aka unlock milango yote ya gari maaana button ilikuwa karibu yake tu!!

As ana unlock kijana mmoja alikuwa kesha fika mlango wa kushoto wa passenger mkabala na dereva akaingia kwenye passenger sit aka kaaa na kutoa bastola na kumwekea kwenye paja dereva.

wakati huo huo kijana mwingine akaingia siti ya nyuma nyuma ya dereva akafunga mlango haraka naye akatoa bastola akaweka kwenye shingo ya

derva na mwingine akaingia kulia nyuma akakaa!

Then yule askari akasogea pembeni akamwambia derva toa gari! Derva akiwa anatetemeka akaanza kutoa gari!! Kijana aliyekuwa ka kaaa nyuma akamuulzia handbag iko wapi?

Derva akajibu iko kwenye droo ya dash bord ya passenger sit mkono wa kushoto pale alipokaa huyu kijana wa mbele

Sasa bwana kumbe wakati hawa wako bizi na kuikamata hii tax kumbe wale vijana wawili pale hotelini walishuka na mkoba ambao hauna kitu, na kucheza mchezo mzima kama wanamkoba wenye tukio, kumbe walisha jua kuwa wanafuatiliwa toka zamani!

Mkoba wenyewe ulibaki ndani ya gari na derva alipowashusha wale vijana pale hoteli yeye alibaki nao ndani ya gari na chap akaanza safari ya kuelekea air port kupitia njia nyingine unditected!!

Sasa hawa wa kwenye tax vijana wa born town walipomteka huyu derva kumsarch akakutwa na handbag but haina kitu, kumbe hand bag ishafikishwa na ashakabidhiwa airhost anayesubiriwa ni born town tu afike safari ianze maana wenzake tayari washafika na wapo VIP londge!!

Baada ya vijana kugundua handbag haina kitu, haraka sana wakatoa taarifa born town's headqutors! Katika kutrace ikaonekana tayari mzigo ushafika na kapewa hair host! Na through deep connections ikajulikana kuwa mule ndani kuna poison

Hapo ndipo kijana alimpigia simu born town kum allert kuhusu kinachoendelea na kumuomba ajicheleweshe kwa dk 10,

Mzigo ulipofikishwa hair host alikwenda kuhifadhi, sehemu salama! Alihifadhi eneo la flight attendant Bunks ! Eneo hilo utumika kwa flight attendant kupumzika haswa wanapokuwa na safari ndefu!!

vijana wa born town katika kupitia list ya attendant wanao safiri na ndege

husika wakawa wameweza kumuiidentify muhusika mwenye mzigo!!

Maana nusu ya cabin crew appointed ilikuwa ya born town! Iko hivi baada tu yakujulikana kwa safari husika, watu wa born town walihakikisha watu wao wanakuwepo ndani ya ndege ili kumlinda mr born town!

So nusu walikuwa wa born town na nusu iliyo baki ndio ilikuwa free but watu wawili katika iyo nusu ya watu free walikuwa identified under late CEO wing!!

So baada ya kumjua air host husika wakachukua the same hand bag waliyoichukua kwa tax driver waka rush mpaka air port! Kijana mmoja kwa utambulisho maalum akatengenezewa mazingira haraka sana na akafanikiwa kupata acces mpaka kwenye ndege, kumtafuta pilot!

Haikuwa kazi ngumu kwani kila sehem born town ambayo anakuwepo basi watu wake lazima wa wepo na wawe macho!

Pilot wa ndege alikuwa mtu wa born town, alikuwa kesho pata taarifa kuwa kunakitu alikuwa anapaswa kukitafuta ndani ya ndege, na alitumiwa picha ya hair host na picha ya handbag!! Lakini hakuambiwa handbag hiyo ndani ina nini! Alitumiwa picha ya muhusika anaye paswa kumkabidhi!

Pilot Alichokifanya alikwenda moja kwa moja kwenye kwenye zile jump seats, hizi hutumiwa na flight attendant pale ndege ikiwa inaruka, seats hizi huwa zina fold up against the wall.

Akajaribu kutafuta kwa kucheki vidraw vidogo kadhaa na akawa ameikosa! Akaona isiwe tabu akasend the same sms kwa air host mwingine ambaye anajua kuwa wako pamoja!

Air host baada ya kupokea sms ile akakumbuka ameona kitu kama kile alipokuwa anaweka tablate yake! So chap akarudi kule kule ndani kwenye zile bunks!

Wakati huoTayari mr lagu na mr eyo walishaingia ndani ispokuwa born town yeye yuko nje analazimisha press ya kuaga afanyie nje pembeni na

ndege yote ni kubuy time!!

Flight attendat yule Alipofika haraka sana alipochekei akaiona ile hand bag, akaitoa pale nakumpelekea pilot unnoticed! yule kijana alipofika hakuongea sana maana pilot alisha muidentify na anaelewa nini kinachoendela so secretly akamkabidhi ile hand bag then akapewa ile iliyokuwa empty mwanzoni zote zina fanan vile vile ila sasa ndani hii imetiwa glucose

Pilot akaichukua akampatia yule air host na ikarudishwa pale pale na vile vile unnoticed then born town akapewa hint kuwa the threat is temrineted!

Born town akasmile kisha akapiga press yake ya kumshukuru sana late CEO pembeni ya ndege pale akakwea pipa kama hakuna kilichotokea akaenda kumwakilisha!!

Taarifa zikarudi kwa late CEO kuwa dreva tax ajulikani alipo ila handbag imefanikiwa kusafiri kama ilivyokusudiwa!! Kilichokuwa kinasubiriwa ni baada ya safari mr born town lazima arudishe mpira kwa beki! Sula la tax driver kupotea halikuwa new kwake bali swala la hand bag kufanikiwa kuwa angani ndio ilikuwa good news kwake!

wakati huo born time alitaka kujua ni poison ya aina gani iliwekwa humo kwenye hand bag!! And He was maaaaaaaaaad!! But smiling as usual!!

Sir it was thallium sir!

What?

The poison sir!!

Okey!! So they want me dead ehhe!?

Yes Sir!

Good! Keep it safe!! Nikirudi najambo nayo!!

Ok sir!

So baada ya kutake off na kumwakilisha ipasavyo born time he wanted to send the message to late CEO kuwa anajua alichokifanya!

Two years passed, mr born town na kisasi chake kama kawaida akaitumia thallium ile ile kwa mtu wakaribu wa late CEO mr lagu, yule walisafiri pamoja tena kwenye kikao kikuu cha bodi ya kampuni almanusura mzee wa watu atundike jina msalabani!! Na taarifa kutolewa march 9. 2020
