DRIVER WITH A CAR IS URGENTLY NEEDED FROM MID-APRIL THROUGH MID-JUNE

Introduction

We would like to express our interest in hiring a driver with a car for a research project which will be taking place in village communities. (i.e Kilosa, Iringa, Bagamoyo and Moshi)

Requirements

- Must have a car which can transport six passengers
- Must hold a validity Tanzanian driving licence
- Ability to go on unpaved roads
- Must be available daily between April and mid-June
- Willing to go outside Dar es salaam for most of the time

We will cover fuel costs and oil change; the driver should be responsible for all other costs.

N.B Applicants **should submit their best offers, indicating either daily or monthly rates, what type of car they have, and what their availability is.**

All applications should be channelled to **researchbaseline@yahoo.com**
