

The Secret Society - New World Order

In the end, people will lay their freedom at our (the controllers) feet and say **make us your slaves but feed us. Famine** will be used as a weapon. Most signs expected during 21st Century.

The old world is coming to an end and will be replaced with new way of doing things (New world Order).

New world order will include changes in:

The United States of America will play a major role to bring it.

1. Family- Homosexual marriages will be legalized
 - Parents will not be allowed to raise their children instead the state (Govt) will do that work.
 - Women to be employed by Govt and not to be home makers where by Divorce will become exceedingly easy and polygamy take over.
2. Workplace
 - Govt to become owners of factor of production and private ownership of property phased out.
3. Religion
 - Believers will be phased out either eliminated or imprisoned and there will be new religion

Christianity was the base of Old world order and will be eliminated – Ralph Epperson.

RALPH EPPERSON is an historian, lecturer, and writer who has been researching the Conspiratorial View of History for over 27 years. He is a graduate of the University of Arizona, but readily admits that the overwhelming majority of the material he was taught in college simply was not true. He claims that he has had to "re-educate" himself since college, and that is what he has done.

If the system go slow, violence will be introduced and controlled by planners.. There will be planned famine and depression or war. If New World order delays, then by Year 2000 will be in place.

Chap.One Tomorrow's Rulers

In 1776, The Illuminati, Adam Weishaupt said it is necessary to establish a universal regime and empire over the whole world.

A book writer called Ruth said the system will rule the world for 1000 yrs.

- This includes
- Installation of New World Messiah
 - Installation of New World Government
 - Installation of New World Religion under Maitreya (An individual)
 - Universal credit card system

- Form a **world food Authority** to control all of the world's food supply. Hence, the Headquarter for food supply is in Vatican -Italy.

Chp.2. The New Age movement

The new age religion is the opposite of the religion for **Jews** and **Xtians**. The new age like Masons believe xtianity is an enemy and s'd be eliminated even by murder.

They claim they will do away with God and exalt Satan/Lucifer.

They believe in **reducing populations mainly in Third World nations**. These people in 3rd world nations will be replaced by "**new root race**"

Pg35. John Randolf estimated that one and half Billion people might perish in the coming chaos.

Also Djwhal Khul said that about 2 Billion people should die by year 2000. They expected many people will not accept the new religion.

Whereby, this new religion will rule over all world Leaders and the whole world be under a religious leader of their choice.

On 25th April 1982, Benjamin Crème told the World through an advert in newspaper that the "Plan" includes installation of a **new World Govt** and **Religion** under "Maitreya".

The people of the World will be given a choice either to accept a new religion or choose to die. The battle lines drawn.

Chap.3 Lord Maitreya

The new age religion will have a world wide leader, an individual that they call Lord Maitreya.

They claim that he came to live with the Asian community in East London, England in July 1977 from Himalaya mountains along boarder of India and Tibet. They call this individual Christ.(The new agers have previously defined as being intended for or understood by only a chosen few as an inner group of disciples or initiates) and the word Christ is not the name of the individual but the name of an office. The masters who have guided human evolution for centuries know this. There is a battle which will be fought between **followers of Maitreya** and **the rest of humanity in future**. The Jew call him messiah & Buddhist call him Fifth Buddha. The Muslim call him Imam Mahdi.

When Maitreya assume leadership of all religions, then he will create a One – world Religion.

Chap.5 The secret Societies

An invisible hand guiding the populace (General public or common people). The power underneath the surface. These are secret orders and associations.

Secret societies were created to bring the World to new society known as New World Order.

During the process of achieving their goal, **murder, plunder-loot or stolen goods**, and **lying** all become acceptable as long as will assist them to achieving their goal.

Secret Society writers warned America that secret societies had been arranging the major events of the past. And a warning was given by president Wilson to those who were quick to condemn these Secret societies/Organizations that they better be cautious.

See a book written by **Albert Pike** entitled **MORALS AND DOGMA**.

They believe that Princes and Nations shall vanish from the Earth. Secret societies were created to bring this World to the New World Order.

The members of this Organization believe that their goals are so noble that they may perform whatever tasks required to bring their tasks of them to bring that goal to fruition.

Chap.6 Concealed Mysteries

All the time , truth has been hidden under symbols

They claim that Understanding these symbols is the beginning of wisdom.

Their members are kept ignorant on Lucifer worship unless one cares enough to look for it.

Chap.6 Serpents, Stars and Sun

The first symbol is **serpent**, snake or dragon. Serpent is symbol of wisdom.

Some times serpent is called Hydra.

The Sun. The sun was very much important to human being/ man. The sun could sometimes appear in the morning and sets in the evening. But since it could at times decide not to appear in the morning, so man developed the importance of praying that the sun appear. Mankind thought that if the Sun decided not to appear, then man could perish. So man concluded that it would turn only if man prayed to it to return. So sun worship as a religion prospered.

Carl H. Claudy, the author of a book called **INTRODUCTION TO FREEMASONRY**, himself a Mason, connected the **sun worship** with the ceremonies inside the Masonic Lodge.

Some Christian churches pray to the **Sun god** in their church services and do not understand who they are praying to. Simply stated, the Sun god that they were praying to is **Lucifer**.

Chap.9 Lucifer Worship

This is the creature that disobeyed God and was cast down on Earth. Other names for this creature is Satan and the devil.

He was also called son of the morning. That's why he is referenced to as the sun which also arises every morning. Mr. Pike clearly states that Lucifer is a god or secret god inside Masonic Lodges.

Sun worship played an important part in nearly all the early pagan Mysteries.

Chap.14 Obelisks

The Masons have admitted that they use symbols to conceal important truth from their fellow Masons.

Some of the important symbols are the Star and the Sun.

One of the symbols is the Obelisk. This is defined as a Tall 4 sided stone pillar tapering towards its pyramidal Top. They are Three of the major importance in the World today.

1. In Washington DC called the Washington monument.
2. Central park in New York City and the 3rd one in Vatican located in Rome, Italy.

They are to praise and adore the divinity of the Sun, worshiped by ancient Egyptians as the source of light and life.

In America, they chose the Eagle. This bird is very special that it is the only one which can look directly in the sun. Few understand the symbology of the sun.

The unfinished pyramid under the All-Seeing eye also has a symbolic meaning as described by the Treasury Department of the United States Government in 1935. The pyramid is a symbol of strength and its unfinished condition denoted the belief of the designers of the great seal that there was still work to be done. There was work still to be done in USA. In 1782, there was a work of "New World Order" to be done "as was still in the future".

Since, Masons believe their master is near, The All - Seeing Eye is upon him.

Other Masonic symbols on the dollar bill. The number 13 has a big meaning to the masons.

The Cosmic Conspiracy 13 is a value assigned to Satan. The United States of America did not start until 13 states were registered not 12 or 14. However, other states joined later until they reached 50.

But the Key phrase on the back of the dollar bill and inside the great seal is the Latin Phrase NOVUS ORDO SECLORUM which means New World Order.

Chap.20. Those who Object

But are there others who know that certain Masons worship Lucifer? Are there others who know that Masons want to bring New World Order? Are there warnings being issued?

Captain Williams Morgan exposed some of the secrets in his book in 1826.

Chap.23. The Hierarchy

Alice Bailey, one of the leaders of the New Age Movement said that the Hierarchy directs world events.

The Hierarchy or Lucifer will come to rule the World.

From one of her article published in 1954 , She says in 2025 the date in all probability will be set for the first stage of the externalization of the Hierarchy.

She says, the World will soon come to us for its Sovereigns (Apparently meaning its governmental leaders) and Pontiffs (meaning religious leaders).

We shall constitute the equilibrium of the universe and be the rulers over the masters of the World. She claims that religion has failed to solve man's problems. So, the people will soon demand that someone else with a new get of solutions step forward. And those with the light of Lucifer are waiting to step forward to rule.

Masons, believers in the New age Movement, The Communists, the Illuminati and others want to control human behavior.

The New Age Movement appears to be on the schedule. Those who are anxious to lead the World of the future are preparing themselves for the task.

Chap.28 An attack on Religion

Because, New World Order is already here, There are People and Various Organizations attacking family, the right to own property, the right to worship etc

Chap.29 An attack on Family

"The American Home Economics Association redefined the family in 1979 as 'two or more persons [meaning two men, or two women as well as one man and one woman] who share resources, share responsibility to one another over time.

The American concept of marriage is that of a male husband, and a female wife. Homosexual or lesbian marriages are not legal. But that can change anytime those who make the laws decide to change it. The New Agers apparently want to change the laws to allow the marriage of two men or two women. A major step in changing the traditional definition of the family just occurred in the state of New York. The headline of the July 6, 1989 article that discussed the change, reads: "Court rules gay couple a 'family.'

Chap.33 An attack on Property

The right to private property is one of the cornerstones of freedom. Man must be free to acquire and then be allowed to possess property, the sustenance necessary to maintain his right to life.

It is the church that teaches support for this human right by teaching that one individual has no right to steal from another individual. This teaching is found in both the Old and New Testaments of the Holy Bible. The Commandment "Thou shalt not steal" is found in Exodus 20:15 in the Old Testament, and in Matthew 19:18 in the New. In fact, in the New Testament, it is a direct commandment of Jesus himself. That means that no man has the right to take the property of another. The secret societies that the Prime Minister was referring to want to "change the tenure," meaning the ownership, "of the soil." This means that they want to abolish private property. So it is the church that stands in the way of those who wish to abolish the right to private property. And it is the church that must be destroyed to eliminate mankind's right to private property.

Karl Marx, the Communist, echoed the concept that certain individuals did not possess the right to own private property.

Those who have the ability to produce must have their property taken away and given to those who have the need for that property

A socialized and cooperative order must be established to the end that the equitable distribution of the means of life be possible." 635 A "socialized and cooperative order" would be one where the government takes from those who have the ability and gives it to those who have the need. That is precisely what Karl Marx advocated.

Another method that the attackers use to destroy private property is inflation. This tool takes an ever increasing percentage of the earnings of the working class

Chap.34 An attack on Nationalism

One of the things that Lucifer did when he fell, according to the Bible, was to "weaken the nations." The concept of national boundaries is one created by the creator God. The Bible says this in Acts 17:24, 26: "God that made the world and all things therein ... [and] hath determined ... the bounds of their habitation."

So, if the designer of national boundaries was God himself, it would follow that those who are out to dethrone the Creator would be anxious to abolish the nations of the world. And this is precisely what they are doing.

the best option is to transcend the limits of national sovereignty and to move toward the building of a world community in which all sectors of the human family can participate.

Manly P. Hall, wrote that he shared the concerns of Marx and Weishaupt, and expressed the hope that someday soon national borders would be abolished. Someone more contemporary has also written about the need to eliminate national borders.

And Mr. Hall tells his readers that the future of the nation-state is bleak. The day is coming when they will be an obsolete remnant of the past. He wrote: "... we are approaching a nobler era when nations shall be no more; when the whole earth shall be under **one order, one government, one administrative body**

So, the ultimate purpose of all of this attack on nationalism is to tear down national borders so that they can be replaced with a borderless world, **a one world government.**

The New Agers/Humanists/Communists/Masons want a one world government.

The family unit; the right to own private property; the national borders; the right to believe in a creator God; these beliefs will all be destroyed because the world must receive a world government supported by the planners inside the secret societies and the new religious groups. The enemy has been identified. It is not the churches, the family, nationalism or patriotism, or the right to worship a God. It is simply the belief in **Lucifer**

Lucifer, the god of the New World Order, the New Age, some of the Communists and some of the Masons, wants to bring the **world a one world religion, based upon a belief in man**, and the unbridled **power of man's mind and reason**.

It is now possible for the people to know just what the **new world government** and its supporting religion will offer the people of the world.

The abolition of the family. Children will be raised by the society through the government. **The abolition of the right to private property.** All land and property will be owned by the government. **The right to worship will no longer exist.** **Religious people** will be subject to rigorous deprogramming. Those who will not alter their belief system will be forced into concentration camps, **or simply killed**, because the act of worshipping a God will become a crime.

National borders will no longer exist. There will be a one world government instead of city, county, state, and national governments. The New World Order is coming. And the inception date has been revealed. It will begin in the year 2000.

All that is remains to be done is to sort out those who will not accept it. Only believers will be around to live in it. Unless men of good will everywhere act to prevent it.

How reliable?

"To Mark Year 2000, Some Events Will Be Out of This World" The article was about the "imminent arrival of the new millennium," and some of the plans that were being made by a variety of people and organizations. It went on to report: "One group has booked the Great Pyramid of Cheops in Egypt for a monumental bash on the eve of the new millenium." The article identified the group that had arranged the party as the "Millennium Society." George Bush is going to the Great Pyramid in the year 1999 to bring in the millennium reign of Lucifer, a period called the New Age, or the New World Order.

Is that conclusion a misreading of the evidence? Can one say that this interpretation of all of this evidence is incorrect? Is there another possible interpretation? The only way to know the answer to those questions for sure is to wait until the year 1999. However, if one does not like what the signs are saying, one can attempt to prevent the **inauguration of the New World Order**. One thousand years of this world's future is in the hands of the reader. Let us pray that those who read this study will correctly read the signs. And choose to inform others. And assist the world in preventing the reign of Lord Maitreya and the New World Order.

Chap.37 Eleven Short Years

In 1989 ,It is time to oppose error. America's people must become aflame with righteousness. America's churches and synagogues must preach against the coming "New World Order." If they don't, it will surely come to the shores of America. Mathematically, it came to be true (1989+11=2000)

The year 2000 lies just "eleven short years" ahead. We all for sure saw how the world was hit by the virus and thus making a beginning of New World Order journey. Another person said "The world will never be the same again in post virus era".

Anyway, its during or close to the period that we experienced pestilence covid-19. Could that be the beginning of New world Order movement world takeover?

Rev.13:11-18

America as a Nation is identified as The Second Beast which will force People all over the world to worship the first Beast whose wound was healed. The reader should now acquire wisdom from Heaven to understand meaning. Also This is a man's number – 666 Rev.13:18

Rev.14:6-9

God warns all people through the Three Angel's message that we should not worship/accept to take the Mark of the Beast. It is now clear that this movement will involve Church Worship by force to all people.

Hence, the final world crisis will be over worship.

Only God the Creator of heaven & earth should be given worship. The Angel said "fear God and give Him glory for the hour of His judgement has come and Worship Him that made heaven & earth, Sea and fountains of waters. The days are very near where every one will have to decide whether to obey God or obey man.

So, someone else, a man looks like will demand to be worshipped. We are now warned through the holy Bible. However, also "Project 2025 in America" The state promises more power to the Church.

Rev.16:1-21

God lists 7 plagues that will come upon those who will worship the Beast or his image and receive the mark of the beast on the forehead or on right hand. This will not be a physical mark that can be seen by our eyes. It will be upon showing royalty to the beast and rejecting God in heaven.

Persecution:

John 15:18 Already highlighted how those who will not accept this New World Order will be treated. But we need God's intervention to save His people.
