TENDER FOR SUPPLY OF PESTICIDE, FERTILIZERS AND SEEDLINGS AND OTHER TOOLS UNDER CONTRACT FRAMEWORK

1. Introduction

Sustainable Growers is a local NGO having a goal of improving the livelihoods of low-income women farmers and their families through collective trainings that create the basis for more transparent trade, improved quality, and higher prices in the coffee sector.

In this perspective, Sustainable Growers is looking for potential companies to supply specific agriculture equipment/ tools for coffee plantations to the six AMCOS located in the Mbozi District in Songwe Region – Tanzania (Hasambo, Halungu, Ruanda, Ng'amba, Muungano-Hatelele and Malolo).

2. General qualifications and required documents.

Interested companies should meet the following requirements:

1. Having experience of 3 years in performing similar services
2. Providing 3 recommendation letters of similar related services
3. Be among the Agro-dealers certified by the Tanzania Regulatory Authority (For fertilizer or Pesticide).
4. Having a BRELA registration certificate.
5. Tax clearance certificate issued by Tanzania Revenue Authority (TRA).
6. A confirmation that the bidder has an Electronic Fiscal Device (EFD) machine.

3. Financial proposal

The process in response to this RFQ must include the transport cost of the materials to the six mentioned sites and should be all taxes inclusive and presented in-Tanzania currency. Prices must remain valid within the period agreed upon in the framework contract. However, they can be reviewed in case of a fortuitous event.
