Preface

The Tanzania Commission for Universities (TCU) through its mandate as spelt out in the Universities Act, Cap. 346 of the Laws of Tanzania in collaboration with the National Council for Technical Education (NACTE), National Examinations Council of Tanzania (NECTA), the Higher Education Students Loans Board (HESLB) and higher education institutions have improved the Central Admissions System (CAS) which has been in operation since 2010/2011 academic year. Through the system, applicants to higher education institutions are able to lodge applications online and be selected to programmes of their choice centrally. The processing is based on the minimum programme entry and other requirements of each institution in the country including admission capacity and other parameters. The decision on the actual admission of applicants is then made by the individual institutions through their Governing Boards and Senates.

The Admission Guidebook (Guidebook) is meant to provide the applicants with basic information on matters related to the entire process of admissions through the Central Admission System. The Guidebook is for CAS and non-CAS institutions and will cover the 2012 – 2015 period. Any additional information after the publication of this Guidebook will be issued as a supplement to this publication. The Guidebook indicates the programmes offered in each higher education institution as approved by TCU or NACTE. In addition, it indicates the minimum entry requirements, institutional capacity, fee structure for each programme, maximum loanable amount for programmes of national priority and other relevant information (For more information on Loans the applicant is advised to refer to the Guidelines and Criteria for Issuance of Student Loans and Grants for 2012/2013 academic year issued by the Higher Education Students' Loans Board).

The Guidebook provides a step-by-step procedure on how to apply through CAS using the Internet or SMS. Applicants are therefore, strongly advised to read the Admissions Guidebook before they start lodging their applications. For further inquiries, prospective applicants and the general public are advised to contact TCU or NACTE through the addresses indicated below:

1. Introduction

The Tanzania Commission for Universities (TCU) in collaboration with the National Council for Technical Education (NACTE) has prepared this Admissions Guidebook as a tool to simplify the admission process in the country. The Admissions into higher education institutions can be processed through two systems, namely, Central Admission System (CAS) and direct applications to institutions. Through the Central Admission System applications can be lodged either through the Internet or the mobile phone SMS application. The process is interactive in such a way that the applicant can easily and conveniently follow the instructions given by the system in the course of lodging an application. In addition, the Guidebook has the following information:

- Important dates to be adhered to during the application process;
- List of participating institutions in the CAS;
- Programme codes for each institution;
- Minimum entry requirements for each programme;
- Application fees and procedures for payment;
- Maximum loanable amount for priority programmes (For more information on Loans refer to Issuance of Loans Guidelines and Criteria for academic year 2012/2013 issued by HESLB);
- Categories of applicants eligible to use the Central Admission System;
- Procedure for application through Internet and SMS;
- Other services offered by the Central Admission System.

2. Important dates

In order for the applications to be considered and processed without due stress, applicants are advised to observe and adhere to the dates indicated in **Table 1**. Failure to adhere to these dates may result into rejection of applications. In any case, no admission will be processed beyond the set deadlines.

Table 1: Important dates

S/N	Activity	Date*
1.	**Lodging of applications for applicants who completed studies between 1988 to 2011**	**1st April**
2.	**Lodging of applications for applicants who have completed studies in 2012**	**After the release of their results**
3.	**Deadline for submission of applications for all applicants**	**30th June**

* NB: An almanac with specific dates will be issued for every admission cycle

3. Entry routes into higher education institutions

For academic year 2012/2013, applicants into higher education institutions will be categorized as follows:

a) Direct Applicants include:

i) All who completed their Advanced Level Secondary Education in years 2010, 2011 and 2012;

ii) All who completed their Ordinary Diploma (*NTA level 6*) in years 2009/2010, 2010/2011 and those who will complete their studies in 2011/2012; and

iii) All who completed their Diploma in Teacher Education in years 2009/2010, 2010/2011 and those who will complete their studies in 2011/2012

b) Indirect Applicants

i) All who completed their Advanced Level Secondary Education in years 1988 to 2009;

ii) All who completed their Ordinary Diploma (*NTA level 6*) in the year 2008; and

iii) All who completed their Diploma in Teacher Education in years 1988 to 2009.

c) Equivalent Applicants include holders of:

i) Diplomas (Non-NTA level 6) offered by Tanzanian institutions and have been recognized by NACTE;

ii) Diplomas from outside Tanzania which have been recognized by NACTE;

iii) Bachelor degrees related to the sought programme. e.g. B.Com --→B.A Economics;

iv) Post-Form VI Certificates of one year and above offered by universities or professional bodies such as NBAA and PSPTB (former NBMM) that have been recognized by NACTE.

NB: 1. all applicants under Category *a)* and *b)* will apply through the Central Admission System

2. All applicants under Category *c)* will apply directly to institutions of their choice.

4. Types of higher education delivery modes

Applicants should note that there are two modes of higher education delivery, namely, Conventional or Regular mode and Open and Distance Learning (ODL). Conventional mode of programme delivery is classroom-based while ODL is a mode where there are no regular

classes. Students under the ODL mode conduct their study using self-instruction materials and structured face-to-face interaction with their lecturers or instructors.

Applicants should thus bear in mind that all programmes offered by the Open University of Tanzania (OUT) are delivered through ODL mode. There are no regular classes or continuous interaction with lecturers/ instructors at the Open University of Tanzania. Likewise, some programmes offered by Kampala International University Dar es Salaam Constituent College (KIUDCC) are also through the ODL mode.

5. CAS Institutions

The Government directed from 2010/2011 academic year onwards that higher education institutions should admit students through the Central Admission System. Institutions not participating in CAS will continue to process the admissions through their institutions and upload the selected applicants into the system for TCU and NACTE approval. **Table 2** shows the list of participating institutions in CAS in 2012/2013 academic year. Institutions which will participate in CAS after the publication of this guide book will be included provided they are approved by TCU and NACTE. Applicants seeking admission into institutions not listed in **Table 2** should apply directly to the respective institutions.

11. Required documents

Applicants holding certificates issued by the National Examination Council of Tanzania and holders of NTA Level 6 Certificates are not required to submit any documents when lodging an application.

11.1 How to select programmes

Since it is an applicant's decision to select preferred programmes in the preference order he/she likes, applicants are strongly advised to list their programme selections in their order of preference, starting with their highest preference programme and ending with the lowest preference programme.

Each programme has been assigned a code; therefore, applicants are required to know the codes of the programmes they wish to pursue. Before lodging an application, the applicant should first go through **Table 3** and record the code of each programme he/she would wish to join.

11.2 Conditions on programme selection

When selecting programmes applicants are required to observe that they:

- Can select **up to eight** programmes from different institutions
- Cannot select **less than six** programmes from different institutions
- Cannot select **more than three** programmes from one institution.

11.3 Conditions on programme change

The conditions for programme change are that applicants:

- Can add, delete or change the order of their preference before the closing deadline
- Can only change their preferences through the Internet or mobile phone SMS messages,

NB: Applicants cannot change their preferences through e-mails, letters or fax to TCU or through institutions they have applied for admission.

12. The Selection Process

Possession of the required entry qualifications does not guarantee admission into the institution of the applicant's choice. If the applicant is not selected for the first preference, he/she will be considered equally with all other applicants for his/her second preference, and so on until his/her 8th preference.

13. Successful applicants

Successful applicants will be notified upon completion of the selection process**.**
