1. INTRODUCTION

The National Council for Technical Education (NACTE) has prepared this Admissions Guidebook as a tool to simplify the admission process into teacher education institutions in the country. The Admissions into Teacher education institutions is processed through Central Admission System (CAS). The CAS applications are lodged through the Internet. The process is interactive in such a way that the applicant can easily and conveniently follow the instructions given by the system in the course of lodging an application. Applicants are strongly advised to read carefully the Admission Guidebook before they start lodging their application in order to be familiar with the entry requirements, location and fees of the institutions aspired.

In addition to the above, the Guidebook has the following key information:
